OWING to a pressing demand for space a lot of news has been crowded out of this column during the past few days.

REV. G. P. Raymond will preach in the following churches on Sunday, Feb 21st:
10.30, Hamilton Road Presbyterian.
3.00, Springfield Methodist.
6.30, Cape Wolfe Methodist.
Collection for Provincial S. S. work will be taken up at each service.

The month of January 1904 will no doubt long be remembered for its extreme cold weather, the lowest temperature on record, and as far as our oldest residents can remember the coldest the Island has ever experienced. According to the observations taken at the Meteorological Station here, the coldest day was on Jan. 3rd when the thermometer registered 16 degrees below zero, while on Jan. 1st, 2nd, 20th, and 22nd it was down to 12 below; on the 19th the temperature fell to 8 degrees below, on the 29th, 6 below, on the 4th, 21st, 28th, and 30th, 4 below, on the 18th and 27th 2 below, and on the 5th, 11th, 17th, 26th and 31st it registered at zero. The daily average minimum temperature for the month was about one half degree above zero. Compared with the past four years this will show a remarkable low average. The daily average minium temperature for Jan. 1903 was about 10½ degrees above zero, for Jan. 1902 slightly over 13 degrees above, for Jan. 1901 a little over 10 above, and for the same month in 1900 a small fraction over 9 above zero.

ADDRESS and presentation to W. W. Wickham, M. D. Tignish—A few evening's ago a committee of the people of Tignish and vicinity waited on Dr. Wickham and presented him with the accompanying address and a well filled purse, expressive of the esteem in which he is held by his many friends.

He replied in a very suitable and feeling manner heartily thanking them for their kindness and generous gift.

To W. W. Wickham, M. D., Tignish.

DEAR SIR—The undersigned on behalf of your many friends in this place here will regret of your intended departure from amongst us for a short time. Since coming here you have shown yourself to be a public spiriter and patriotic citizen while by your kind and affable manner you have endeared yourself to our people generally. As a physician your skill and ability are well known, and the great success that has attended your practice is sufficient to place you in the front rank of your profession. We make no doubt but your desire to bring relief to the sick whenever called upon, necessitating long drives in inclement weather, has conduced to impair your health, but trust a well earned rest and sojourn in a mild climate will soon restore you to your former strength and vigor. We ask you to kindly accept the accompanying purse as a small token of our esteem and regard. Wishing yourself and Mrs. Wickham a pleasant journey and that you may return shortly in excellent health is the earnest hope of your devoted friends.

C. D. and T. B. Woodman, Alberton, arrived in Georgetown yesterday morning on return home from Chicago.

MISS NETTIE C. BAGNALL, of Clyde Mills, New Glasgow, is visiting her sister Mrs. A. N. Simpson, Central Street.

J. H. Bell and Mrs. Bell, Summerside, left last night via Georgetown on a visit to Washington, D. C., the Southern States and the West Indies.

AT the last regular monthly meeting of the Summerside School Board, C. B. Morris was elected Secretary for the balance of the year. A petition from a number of residents asking for a change in school hours which was before the Board at the previous meeting, was again laid over. A petition from some of the teachers asking for a raise in salaries was also laid over.

THE marriage of Miss Amy Day of this town, to John Riggs, Charlottetown, took place at the bride's home here Wednesday afternoon, Rev. A. D. McCully officiating. The wedding was a quite affair, only a few immediate friends being present. Mr. and Mrs. Riggs left by same evening's train for Charlottetown. The Guardian joins with many friends in extending best wishes.

THE evangelistic services being conducted by the pastor, Rev. A. N. Simpson in the Central Street Christian Church are growing in interest. The choir is giving its heartiest co-operation and the singing is a special feature of attraction. During the week the subject will be the Kingdom of Heaven. On Tuesday the service was begun when the phase of the subject discussed was "Its Beginning;" Wednesday evening's subject was "Its Spiritual Nature," last night, "Its Elements." Tonight the subject will be "Its Subjects and its Laws." All are cordially invited. Service begins at 7.30.

The O'Leary District S S Association intends holding a Covention in the Springfield Methodist Church on Feb 23rd. All Pastors, Officers and teachers in the district are members of the Convention. Each school is expected to send two delegates. Following is the program.

ANNUAL MEETING OF EXHIBITION ASSOC'N

(Continued from First Page.)

New Brunswick Exhibition few entries were received from the Maritime Provinces. They expressed appreciation of the hearty co-operation of the Maritime Stock-Breeders' Association, which body were unremitting in their efforts to assist in every way

They thanked the judges for invaluable aid, and the Dominion Live Stock Commissioners for again enabling them to procure the services of such first-rate men.

The report also referred to the co-operation of the Board with the Local Government in making a small grant towards a seed show held in Charlottetown last spring at which there were 97 entries, and the valuable information given by Messrs. Clark, by the attending agriculturists and from the Dominion Government's Experimental Farm, regretting that owing to the deficit this year a similar grant could not be recommended for the coming year. The directors recommended that the seed show to be held by the Local Government Department of Agriculture this year be continued with a show or exhibition of fat cattle. Reference was made also to the Board having set up a system of turn stiles. The Secretary's report shows that the Board offered $5,238,52 in prizes of which $3,816,37 was actually paid to exhibition prize winners.

The total expenditure was $9,775,82 and the receipts $9.622,59 leaving a deficit of $153 59. The balance expended for Exhibition purposes over and above the Government grant was $2,457,81.

President Haszard explained that the Directors were unable to give a grant to the Seed Grain Show this year owing to the deficit. The Secretary's services had however been given free last year and would be given again this year.

George E. Hughes pointed out that the whole government grant of $4000 had been expended in prizes, and for judges and over $5000 were offered in prizes. He urged a grant from the government for seeds, grain, and fruit shows.

After further discussion the adoption of the annual report was passed.

Judge Warburton urged that it be ascertained as soon as possible whether the Government will give a grant. A leading member of the Government had remarked that he did not know whether it was worth while to give a grant this year.

George E. Hughes said that the report of the present year was strongly in favor of a continued grant. The only argument formerly was that the grant did not go to the people but this year's report shows that none goes into the pockets of the shareholders.

Before the election of directors F. H. Beer asked to be relieved from the position he had occupied as director for some years.

Judge Fitzgerald and President Haszard eulogised the work of Mr. Beer as a director and greatly regretted his decision to retire.

The following Board of Directors were elected:—F. L. Haszard, J. J. Davies, Judge Warburton, Judge Fitzgerald, George E Hughes, Robert E. Longworth, and A. E. Ings. The meeting then adjourned sine die.
