YESTERDAY'S Pioneer reports a most extraordinary accident which occurred a few days previously and by which a little boy, "who was driving a cow on horseback" was thrown to the ground and had his leg broken. The facts are that the little boy, Alfred Strang, the 10 year old son of Mrs. Kate Strang was on horseback alone driving a cow which was not on horseback and that the little fellow fell off and had his leg broken. The injury is a severe one but the boy claims it did not hurt him half as much as the report that he was riding with a cow on horseback.
