THERE are some sneak thieves who have been for the past four or five months robbing the farmers of Millview of their fowl. Out of a flock of 40 or 50 hens they leave only 1 ft a dozen and in some cases have taken all and now relieving them of their chickens.—The farmers are preparing for the thieves when next they visit the town and they will get a hot reception. One fowl was given chase recently but escaped as the night was dark. As they may visit some other vicinity this notice will warn the farmers to be on the look out for them.—A Millview Farmer.

PERHAPS no one who went to see the Silver Slipper enjoyed the evening more thoroughly than did three young men from Charlottetown. These three were a lawyer, an insurance man, and a jeweller taking the trip to the west with the harvest excurionists. They left the Island on Thursday evening and were detained with the others at Point du Chene. During that night they were unable to sleep, nor was there any chance for rest during the day. These three boys came in from Sussex, where their train was held, on the regular express, and bought tickets for the Silver Slipper. These tickets were expensive. They went to the show. The music was soothing, the brilliant costumes made their eyes tired, and in a very few minutes three sleepy heads nodded. When the audience got up after the performance ended, the three young men went to their hotel, and told their friends that they had never enjoyed a show so much before.—St. John Sun.

IF YOUR CHILDREN ARE RUN DOWN

They are Liable to Get Fever or Pneumonia. Keep Your Little Ones Strong and Healthy With Ferrozone.

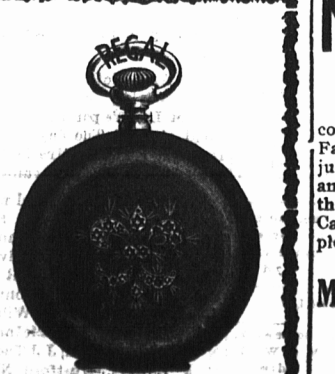

Parents can't afford to neglect the health of their children, for if disease fastens itself on the child of tender years it may be the beginning of a long train of serious illness. Ferrozone is a remedy that mothers can rely on, and every child will be benefited by its use. Mrs. Henrietta Latham of Quebec, writes: "Last year my daughter, aged sixteen, was run down and looked very poorly. She was weary about her exams, and she didn't feel strong enough to study very hard. I got some Ferrozone and it made a wonderful difference in Marie. Ferrozone gave her strength and toned her up splendidly. I am very grateful to Ferrozone and know that all children would be much stronger if treated with Ferrozone."

Mrs. James E. Devine of Frankford, says Ferrozone was unequal for strengthening children and writes: "When my little daughter was weak and miserable I gave her some Ferrozone tablet at meals. She improved at once, and before taking Ferrozone she was gaining in weight, and enjoyed a splendid appetite. I never use any other medicine that gives such quick and permanent results as Ferrozone." Every child can be made stronger by Ferrozone which acts on the blood and strengthens the entire system. Ferrozone is the sort of tonic that builds up strong healthy frames; it gives a child energy and spirit, a child drives away weakness. Every mother should give her children Ferrozone, and give up all obsolete treatments like bitter and cod liver oil, which are hard on a child's stomach. Just one Ferrozone tablet at meals, eat, and pleasant to take. Results are sure when you use Ferrozone. Refuse any substitute and insist on having Ferrozone which alone can build up and cure quickly. Price 50c per box or six boxes \$2.50. At a drugist, or by mail from N. C. Polson & Co., King ton, Ont., and Harford, Conn., U. S. A.
