Suffered From Heart and Nerve Troubles FOR THE Last Ten Years.

The heart has supplied to it two sets of nerves, one set which quickens, the other which slows its action. The proper action of these nerves, so important to the well-being of the heart, depends upon the general condition of the nervous system. If there be nerve derangement of any kind it is bound to produce all the various phenomena of heart derangement. Knowing the intricate structure of the heart, and being aware how diseases of the nerves affect the heart, we have combined in Milburn's Heart and Nerve Pills a treatment that will cure all forms of nervous disorders as well as act on the heart itself, and in this is the secret of their success in curing so many cases of heart trouble which have defied a other treatment. Mrs. John Riley, Douro, Ont., writes: "I have been a great sufferer from heart and nerve troubles for the last ten years. After trying many remedies and doctoring for two years, without the least benefit, I decided to give Milburn's Heart and Nerve Pills a trial. I am thankful to say that, after using nine boxes, I am entirely cured, and would recommend them to all sufferers."

Price 50c. per box or three for \$1.25, at all dealers, or mailed direct receipt of price by The T. Milburn & Co., Limited, Toronto, Ont.

Gained Both in Strength and Weight | Another case that proves the merit of Ferrozone.

"I was in poor health nearly all last winter," writes Mrs. Cross of Wakefield, Ont. "My appetite was variable, I was weak and unfit for work. I suffered a good deal from nervous prostration and palpitation of the heart. My digestion was generally out of order. By spring-time I had lost flesh, color and had a bad cough. The doctor didn't help me very much, so I decided to try Ferrozone. It did me ever so much good in one week. I gained strength, looked and felt a lot better. When I had used six boxes of Ferrozone I weighed myself and found a gain of 15 pounds. Ferrozone rebuilt my constitution, and made me a new woman. I considered Ferrozone worth its weight in gold to every weak woman. It cures quickly and saves big doctors' bills. (MRS.) R. CROSS."

No tonic so certain, so helpful, so safe as Ferrozone yourself—50c per box at all druggists.

Notice To DEBTORS

We have just sent out our monthly accounts and respectfully request a prompt settlement for same. To the great majority of those having accounts with us this notice is sufficient, but there is another class to whom we refer principally, viz: those having accounts overdue for the past year or more, and who neglect to make any provision to meet them. All such accounts, if not settled on or before the 27th day of December, will be sued for. This to be regarded as a final notice. We would strongly advise a prompt settlement in order to avoid law expenses.
