DOWN THE BACK STRETCH

The freighter Dorellan steamed out of Montreal last Saturday with 70 horses from Saskatchewan and Alberta, including grade Belgians and Percherons. Horse experts say that 25 of these 70 are are the best horses of their kind ever to leave Canada. It is claimed that $275 is the maximum price. The shipper refused that price in Canada and it is believed that they will fetch up to $400 for the best on the London market. Horse authorities are very interested in the shipment.

Guy Kalmuck (2) 2.22 3-4, now a three-year-old, caught the eye of the railbirds last Saturday in no uncertain fashion. At the conclusion of his workout—which was in company with the three-year-old pacer Leland—he looked so impressive that experts present pronounced him one of the most promising trotters they had ever seen. He has the easiest way of going imaginable, and can turn on a two minute clip without apparent discomfort. So far only slow miles have been asked, with short, sharp brushes at the finish. Other members of Willard Kelly's stable that are training at the track include Millie Kalmuck (3) 2.14 3-4. Ima See, owned by Dr. F. W. Christopher, Boston, that is taking her work well and has not made a break so far. Leland, a two-year-old trotter and a two-year-old pacer.

Calumet Bee 2.11, owned by Raoul Reymond, Southport, has been placed in Pat McKenna's stable for training. She will be ready to face the starter by mid-July or the first week in August. This mare has a tremendous flight of speed and there is a good chance of her taking a much faster record.

George Reed of Fort Fairfield, Maine, whom our readers will remember as having raced Tarzan Grattan 2.03 1-4 and Bonnie M. 2.02 1-2 here in Monte Gerow's string, is said to have a pacing sensation in the two-year-old colt Top Hat, by Abbedale 2.01 1-4, out of Alma Volo 2.10, by Peter Volo 2.02. He is being trained by Pearce Chappelle.

They were all set to race at Moose Path track last Monday—Empire Day—but deluges of rain caused postponement until today. Johnny Conroy was down from Fredericton with Hanover Courier, and several outside horses were on hand to contest with Saint John entries.

At Halifax last Monday afternoon two races were arranged that pleased the hundreds of spectators very much indeed. The first was a match race between Quaker Girl 2.09 1-4 and Patrick Direct 2.07 3-4. Patrick won the first heat in 2.17 Quaker Girl winning the next three and race in 2.34, 2.26 1-2, 2.16 1-2, the latter a record for the Maritime Provinces for the season of 1937.

Harvey Aubrey won the Class B in two heats from Foxy Peter and Guy Meadows, time 2.28, 2.25 1-2. In scoring for the first heat Guy Meadows reared and his driver was thrown, Guy running away and smashing the sulky.

M. Givo Maini of Milan, Italy, has answered the challenge issued by the owners of Greyhound (4) 1.57 1-4 for a $10,000 match race, and is repared to race his trotter Muscletone (3) 2.02, champion trotter of Europe, against Greyhound, providing matches are arranged for both the United States and Europe, thereby placing both horses on a par climatically.

Ray Henley 2.01 3-4, almost unbeatable in the free-for-all paces over half-mile tracks, held in Ohio and surrounding states the past few years, has been definitely sold to R. A. Jewell of Fort Fairfield, Maine. He will race in the early Ohio meetings and leave for Maine in July to take part in the Grand Circuit races at O'ld Orchard, then through the Pine Tree circuit.

He has a record of 53 victories in 76 races behind him, and the grand little gelding never looked better than he does right now, as he is being prepared for the busiest season he has ever had. Few modern pacers ever clicked off as many fast winning heats over the smaller courses and if looks and condition mean anything he is in for another top year. Among those he will meet at Old Orchard in the free-for-all, is Jane Azoff 1.59 1-2 owned by Hedley T. Fulton, Upper Stewiacke, N.S.

Ray Henley is the only candidate who will start out for the 1937 season boasting as many as 50 victories. May E. Grattan 1.59 1-4 finished at the end of the 1936 season the leader of those racing, she during her career having gathered in 54 victories in 70 appearances, one of the most formidable records now on the books. Toll Gate 2.00 1-4 had a chance to hit the 50 mark, having finished out the season of 1936 with 49 victories in 77 starts, but he has been retired, which leaves the undisputed leadership in campaigning race-winning circles to Ray Henley. Jack Kingsley will handle Ray at Skowhegan, Maine.

There are several candidates who are now being prepared that have a chance of joining Ray in the "50" class. Joe Bing 2.06 needs but two more victories, his record showing 48 wins in 112 starts. Peter F. J. 2.01 1-4, defeated but once last season, has a chance to become the third trotter in history ever to win as many as 50 races. Three more victories will put him into that exclusive list. Peter Pokey 2.06 1-2, by Captain Aubrey 2.07 1-4, bred by Hedley T. Fulton, Upper Stewiacke, N.S. and owned by John H. Randall, Harrison, Maine, has an outside chance of getting into the "50" list—he has scored 44 wins to date. Hardy Old Guy the Tramp, t. 2.04 1-4, p. 2.02 1-2, has chalked up a total of 45 victories to date, but they were scored at both the trot and the pace.

Teddy Boy Grattan is a recent importation made by Bob McCowan, Sydney ,from Ontario. He made only one start last season at Port Perry, Ont., and was 8, 7, 6, best time 2.16 1-2. Starting at Sydney on Empire Day he was the winner of a slow class.

The United States Government is putting up a large amount through their works program to assist the Lewiston ,Maine, State Fair in rehabilitating their grounds. These improvements will include new entrance gates, remodelled buildings, grading the race track, new lighting systems and many other items. Lewiston was once the greatest fair in the State of Maine, but fell into a bit of a rut in recent years and Skowhegan has caught most of the glamour.

When J. B. Reynolds died it was provided in his will that Kinney Direct 1.59 and Hallie Harvester 2.06, both eighteen years old, would be pensioned during the remainder of their lives. This the executors are now making plans to carry out.

The Italians may be devoting a lot of attention to preparations for war, but at the same time their trotting sport seems to be going strong, as I note by an exchange where Prince Hall 2.00 3-4, ex-American trotter, won a purse of 10,000 lires there recently, while at Milan, April 11th, Tara 2.00 3-4, formerly owned by Paul Bowser the wrestler, won a purse of 100,000 lires. Harness horse racing is also going strong in various parts of France, Austria and Germany.

Monte Gerow is training Calumet Chimes 2.01 3-4, Coquette 2.11, Joan Scott 2.11 and Berry Hanover at Stafford Springs, Conn.

Heatherbell 2.08 1-4 is so full of ginger this season that it is very difficult to get him to go slow miles, so in order not to overtrain him he is taken around to the half or three-quarters as slowly as possible and then his head is dropped and he tears away. His fastest performance to date was a half in 1.06 1-2 ,but the other half was very slow. Harvest Melody 2.10 1-4 has been a bit of a disappointment so far and is not training up to last year's form.

To date the three-year-old pacers have it all over the trotters when it comes to performances over the half-mile ovals. Up to 1929, Lillian K. held the record for pacers of her age and gait over the smaller courses on her mile in 2.05 1-2. At the present time we have no less than eleven candidates who have succeeded in winning heats in 2.05 or better. Better Win 2.01 1-4 was the first of his age to pace in 2.05 on a half-mile oval, which he did at Springfield, Mass., in 1929, when Town Ackerman let him step one trip in 2.04 1-2. One new member was added to the group the past season when Little Pat 1.59 1-2 joined his stable-mate, Lee Hanover, p. 2.03 1-4, as the champion gelding, on his mile at Carthage, Ohio, in 2.03 1-2. Two other colts are credited with miles in 2.04 or better, the champion, Mc I Win, who set the record at 2.01 1-4, and His Majesty 1.59 3-4, who paced in 2.04 in 1933. That season incidentally was the peak year for outstanding colts of that age over the minors, for besides His Majesty, the season produced H. Kay Worthy 2.04 1-2, Adioo Volo 2.05 and Logan Scott 2.04 1-2. With the trotters a candidate has yet to appear in the select 2.05 circle, Pinero being the leader of his group at present on his 2.05 1-2 mile in the Reading Futurity last fall. But one other colt is credited with beating 2.06, Invader, who scored in 2.05 3-4 in 1932. Fifteen three-year-old trotters are now credited with having trotted as good as 2.07 or better over the small ovals.

Goss Hurls Superiors To 8-4 Victory

A brilliant six-hit pitching effort by Walter Goss last night paved the way for the Superiors to defeat the hitherto unbeaten Rovers 8 to 4 in a City Softball League fixture and place themselves in the top spot in the standing with their last night's opponents.

Away to a shaky start in the very first inning, during which frame the Rovers counted two unearned runs with only a spectacular diving catch by Ev Jay in centre field with two down preventing the losers from doubling their count, the Superiors stead ed after this. Only in the fifth and sixth could the losers count again as Goss hurled superbly and his mates gaves him excellent fielding support.

Superiors, however, trailed 2-1 entering the fifth. But here the fireworks exploded. Four hits, a base on balls and a damaging error gave the winners five runs and the lead which they never relinguished. Jay's homer with a mate aboard in the sixth ended the scoring for Superiors but the two-inning attack was sufficient. Goss was unbeatable in the last three frames yielding but two hits and nary a run.

Manero Upsets Harry Cooper In Hard Duel

BY SCOTTY RESTON
Associated Press Sports Writer

PITTSBURGH, May 28 — Tony Manero, swarthy open golf champion of the United States, took the sweetest victory of his life today and joined Denny Shute, Ky Laffoon and Harold "Jug" McSpaden in the semi-finals for the Professional Golfers Association title of the country.

Four down at the end of 27 holes to Harry Cooper, the man he "robbed" out of the open title, little Tony rattled off seven pars and two birdies and ascended the field club's mountain with a one up lead.

Shute defeated Jimmy Hines of Garden City, N.Y., 4 and 3. Durable and calm, Denny was unamazed at Hines' most astonishing shots.

If there was an upset today, McSpaden, the big Welshman, produced it. He defeated Henry Picard of Hershey ,Pa., one up on 39 holes, after being three up at the end of 27. Superlative putting by Picard on the last nine holes tied the match at the 34th, but "Jug" finally broke up the struggle by scoring a birdie at the third extra hole.

Laffoon bumped the brilliant medalist, Byron Nelson of Reading, Pa., and even he had to come from behind to do it. He was one down going into the last nine, but came home in 33 for a two up advantage.

Tomorrow's semi-finals send Shute of Boston against Manero of Peabody, Mass., and McSpaden of Winchester, Mass., against Laffoon of Chicago.

Hopes Soar For Recovery Of Cochrane

NEW YORK, May 28—(AP)—Hopes for the recovery of Mickey Cochrane, Detroit baseball manager who was struck in the temple by a pitched baseball Tuesday, soared today.

For the first time, Dr. Robert Emmet Walsh came out of the sick-room with an encouraging statement.

"I am encouraged; definitely so," said Mr. Walsh. He refused to discuss the case further but Mrs. Cochrane and friends were elated by that brief statement.

George Ayres Hurls One-hit Game As Anchors Blank Bees In League Game 12-0

WEEKEND GAME
All Stars vs. Nationals

Riding high, wide and handsome behind the one-hit pitching of Big George Ayres, who annexed 14 strikeouts in the seven innings of play, the Anchors last night blanked the Bees in their initial opener at the Victoria Park 12-0. The lanky Anchor moundsman, signalling his comeback to baseball wars in spectacular fashion, came within an ace of chalking up a no-hit game. Elmer Larter, rival hurler, came through with a bingle in the second frame to spoil an otherwise perfect performance.

Cochrane, first-sacker for the Anchors, led his team on the defensive by securing three hits and drove in as many runs. The Bees were credited with seven errors against two for their opponents.

After a scoreless two innings the Anchors broke the deadlock sending three men across the plate before the Bees could retire the side. The next three innings was a repetition as the Bees faltered and the Anchors eagerly seized every opportunity to counter.

Ayres, however, stole the show as he bore down in mid-season form to completely subdue the Bees' batters who presented a steady parade to and from their bench.

JUNIOR GAME OVER THE WEEKEND

Jimmy Heron's Canadians and the Esquires clash over the weekend in a regular scheduled junior league game at the Victoria Park diamond at 1.45. Emmet Murphy is expected to toe the slab for the Canadians while "Alcky" McCormack, speed ball artist of the Esquires is expected to get the nod from the Esquire manager. Players are asked to be on hand on time in order to give the Industrial League a chance to play their game which is the second game on the double-header.

Sweeny And Munn Battle Way To British Golf Final

SANDWICH, Eng., May 28—Tall, black-haired Bob Sweeney, American by birth but British by accent, qualified today for the final round of the British Amateur Golf Championship along with Lionel Munn, jovial 50-year-old Irishman.

Should Sweeney succeed in taking Munn's measure in tomorrow's 36-hole final, America will be able to lay partial claim to Great Britain's coveted golf crown once again. Sweeney has spent the last 10 of his 25 years on this side of the Atlantic and though his nationality is American his golf's all French and British.

On the strength of his two brilliant victories over Wilford Wehrle of Racine, Wis., in the quarter-finals and over Charles Stowe, British colliery engineer, in the semi-finals, Sweeney will start the final a slight favorite over Munn.

Although the Irishman's calm, straight-down-the-middle golf in today's triumphs over J. J. F. Pennink, English amateur champion, and Count Elaric de Bendern was impressive, he looked tired toward evening and another 36-holes promised to tax his strength.

Munn was steadiness personified as he ousted Pennink 2 up and then eliminated De Bendern, elder brother of John De Forest, British amateur champion of 1932, 4 and 3.

Sweeney, with as keen a putting touch as this ancient championship ever has seen, eliminated Wehrle 3 and 2 and then went on to swamp Stowe 6 and 5. Stowe had engineered one of the biggest upsets of the tournament in the morning when he handed Gordon Peters, young Scottish Walker Cup star, a 3 and 2 beating.

Quist Drawn Against Grant In Tourney

BY ALAN GOULD
Associated Press Sports Editor

NEW YORK, May 28—Favored by the luck of the draw as well as improved reports on the condition of their ailing ace, Adrian Karl Quist, the Australians today named Quist and the veteran Jack Crawford for the opening two singles matches with the United States tomorrow in the North American zone Davis Cup tennis finals.

Crawford, a world champion until England's Fred Perry came along to dislodge him, was drawn against America's no. one star, J. Donald Budge of California, for the first singles contest, best three-out-of-five sets. Quist was paired wtih Bryan (Bitsy) Grant 125-pound Atlantan who was named to compete in the zone finals for the first time since he has been battling his way up the tennis scale.

Heavy Ticket Sale

Play is expected to start at three p.m. ADT on the turf courts on the West Side Tennis Club's stadium at Forest Hills. Officials reported one of the heaviest advance sales for an international tennis competition since the United States last defended, and lost the Davis Cup, in 1927 at Philadelphia. Barring a bad weather break, there may be a capacity crowd of 14,000 in the stands. Speculators asked as high as $18 for a pair of choice seats.

Figuratively, Captain Clifford Sproule of the Australians had his fingers crossed when he nominated Quist to keep his place in the lineup and then, at the request of Holcombe Ward, President of the United States Lawn Tennis Association, drew the names from a silver dish. The fact that Quist was drawn against America's no. two man, Grant, was considered a "break" in favor of the invaders, although the Anzac star's physical condition still was surrounded by considerable doubt.

Canadians Are Among Sweep Ticket Holders

(C.P By Glardian's Special Wire)

DUBLIN, May 28—Three Canadians drew tickets on favorites in the initial drawngs from the rolling drum of fortune in the Irish Hospital Sweepstakes based on the English Derby to be run at Epsom next Wednesday.

The holders will participate in a £1,662,546 prize fund (about $8,215,000), the largest of the last seven sweepstakes

Every ticket holder drawing a horse will receive $2,330 regardless of whether the horse runs or not. If the horse finishes first, second, or third they will receive large sums.

Greenberg Potent Factor In Double Victory By Tigers; Pirates Defeat Cards 10-3

(Associated Press)

NEW YORK, May 28—The big bat of Hank Greenberk, who played despite a strained leg muscle, aided Detroit Tigers to a double victory over St. Louis in Detroit today and put them in second place in the American League.

Greenberg's eighth home run of the season, with the bases empty in the fourth inning of the opener, provided the margin for a 6-5 victory, Elden Auker's first since he started the season opener.

Roxie Lawson pitched the Tigers to a 7-2 victory, his eighth of the season, in the nightcap. Greenberg collected a single and a double, batting in two runs and scoring twice himself.

Tribe Streak Ended

Henry (Zeke) Bonura cracked a two base hit against the right field wall in Cleveland, allowing Ray Radcliff to hurry in from second base with the Chicago run which defeated Cleveland 3-2 in a 10-inning game.

The defeat ended a three-game winning streak for the Indians and pushed them down into third place. Vernon Kennedy held the Indians to eight hits while the White Sox were collecting nine.

Sox Blank Senators

Johnny Marcum, who started the season with four victories and then was belted out four times in a row, came back and pitched the Red Sox to a 7-0 victory over Washington Senators in Boston.

Marcum allowed only six hits, fanned three, walked but one and only in the third inning permitted the opposition to bunch two hits.

Eric McNair, with three singles, paced the 10-hit attack the Red Sox fired at Buck Newsom and Ed Linke.

Pirates too Good

NEW YORK, May 28 — (AP)—Three Cardinal pitchers were unable to stop the slugging Pittsburgh Pirates today and the Bucs won 10-3 in St. Louis.

Ray Harrell, Jesse Haines and Jim Winford paraded to the mound in a vain attempt to halt the Pirates' savage attack. Meanwhile Red Lucas and Waite Hoyt kept the Cards from heavy scoring, although allowing 11 hits.

Lucas, who gave up only four safeties, developed a kind in his side while pitching to Frankie Frisch in the sixth, and was promptly removed by Manager Pie Traynor.

The Pirates tucked the contest safely away with six runs in the eighth.

Root Wins Fourth

The Cubs pounded four Cincinnati pitchers for a total of 14 hits to score a 12-3 victory in Chicago and enable Charlie Root to win his fourth game of the season.

Lloyd Moore started for Cincinnati but was taken out in the fourth. The Cubs continued their attack against Don Brennan, Bill Hallahan and Al Hollingsworth.

Helen Jacobs Is Defeated

(A. P. by Guardian's Special Wire)

PARIS, May 28—Helen Jacobs' bid for the French hard court singles tennis championship failed today for the seventh time. The Californian, Wimbledon champion and four-times United States singles title-holder ,was eliminated in the quarter-final round by the hard-hitting Polish girl, Jadwiga Jedrzejowska, 6-3, 6-4.

Barney, although on the retired list is still actively interested in sport and bemoaned the fact that track and field is now so badly on the decline. Quizzed as to a comeback he smiled casually, straightened up and reckoned he could still show present day plodders a thing or two, but for the time figured his "star was set".

Jupiter Pluvius—rain to you—who has somewhat marred the starts of baseball and softball leagues in this neck-of-the-woods, let up sufficiently last night to give the sport fraternity their first games in a week, and the fine weather was eagerly taken advantage of with two great games being staged.

Talking tennis—the Holy Redeemer Club ended their financial year with a surplus—21 cents. Thus with practically nothing in their coffers but optimism the club officials are overhauling courts, resurfacing them and making ready for the season. The courts are expected to be ready for use the latter part of next week. Pius Callaghan is the new president.

IN THIS CORNER

Fans in the western section of the Island are getting all steamed up over the forthcoming heavyweight bout between Champion Jim Evans and challenger George Leslie which takes place in Kensington rink on the night of June 16th.

* * * *

Ever since the night Evans dethroned Leslie, in what was then considered an upset, a return bout has been eagerly awaited. In their last meeting the pair furnished plenty action in the short time the fight lasted and although Evans finished the champion with quickness and despatch many who saw the bout were still unconvinced that he had any edge on the Souris boy.

* * * *

However, those who saw the fight this way were in the minority and as far west as Tignish today you will find scores of boxing fans who are willing to bet cold cash that Evans repeats his triumph. There is no doubt but Leslie will enter the ring the underdog in the betting but the champion will be faced by a fighter who is determined to regain his crown.

* * * *

Repossession of the title has become almost a mania with the Souris boy. He is ready to give up the last ounce of his strength in by so giving the title change hands, and any fighter, no matter how good, in this frame of mind will prove to be the toughest kind of an opponent.

Superiors softball team clearly showed last night that they will be one of the strongest factors in this year's City League race. In defeating the classy Rovers they showed a well-balanced squad that has a potent batting attack in the pinches. Many were of the opinion that they were the "weak sisters" of the league but in their games to date they have shown their doubters how far wrong they were and to this the Artillery and Rovers will strongly attest too—both have felt the strength contained in the hustling young crew's ranks.

Had a surprise visit from Barney Francis, fleet Indian runner of a decade ago, yesterday. The short stocky athlete, with the exception of few extra pounds of avoirdupois appeared in excellent shape with the exception of a pair of injured hands and for a short while turned time backward to when he was "King of the Maritime milers." His steady gait and flashing finishes had made him a familiar figure on Maritime tracks and frequently brought renown to himself and the Abegweit Club.

* * * *

One of his greatest thrills, he recalled was the 35th annual Dominion Track and Field Championships held at Halifax, Sept. 17, 1923, when he streaked the mile distance in 4 32 1-5 seconds to clip a second from the Maritime record then held by Hans Holmes of the Crescent A.A.C. He also vividly recalled the exploits of Phil McDonald, an Abegweit teammate former broad-jump champion and who in that particular meet amassed the second highest number of points, placing in every event in which he entered.
