Hair Goods

All kinds of natural hair goods for sale. Also combings made up. Miss D. Rudge, 171 Great George St., Charlottetown. Phone 314.

The Central Guardian

IT PAYS to buy in this Province.

S. S. EMPRESS.—The passengers by the S. S. Empress Saturday were A. A. McLean, M. P., A. A. Lefurzey, Lieut. A. R. Brennan and W. A. Huestis.

CONGRATULATIONS.—On Saturday, Mrs. John Ross, Grafton street, had the honour of celebrating her 81st birthday, and notwithstanding the disagreeable weather had quite a number of callers to extend congratulations in which The Guardian joins.

Y.W.C.A. MEETING.—A special meeting of all interested in the Y.W.C.A. will be held in Zion Church hall on Wednesday at 4 o'clock, when Miss Una M. Saunders will address the meeting. A large attendance of all who are interested in this movement is expected.

SOCIAL ROOM FOR THE BOYS.—This week the hall of Zion Church is thrown open to all the members of the Infantry and Artillery battalions as a social and recreation room. Plenty of reading material, games, etc., will be on hand, and also writing material, and the boys are invited to make themselves thoroughly at home.

ANOTHER ISLANDER WOUNDED.—Word was recently received in this city that Capt. Fred Maye, formerly of Charlottetown, has been slightly wounded. Mr. Maye enlisted in St. John, N. B., where he was employed in the Bank of Nova Scotia. He was son of Mrs. Robert Maye, who resided in Charlottetown some years ago but afterwards moved to St. John to live with her son.

SERIOUS FIRE.—The dwelling house occupied by Mr. Wm. Wood and owned by Mr. Seymour Taylor at Upton was totally destroyed by fire on the evening of 29th ult. The origin of the fire is not known; the house was quite a large one. It is understood that there was a fire insurance on the building. Most of the contents were saved although by some over-zealous Mr. Ward lost a gold watch and some money.

WANTED.—INDIAN SUMMER.—According to the most authentic weather prophet, extant Indian Summer is due on the 10th inst., and should last until the 14th. If the prognostication be sustained, the transient change will be unusually welcome, as at the present moment (10 a. m. Saturday) the genial warmth of summer seems a matter of ancient history. On Saturday forenoon the air was raw and cold and light snow fell throughout the day, but nothing of the kind in an uninviting condition.

EARNSLIFFE NOTES.—Dug our turnips this week. Great crop! Kill our pigs next week. Great pigs! Mr. W. Judson shot an owl on Fr. George's lawn recently. From tip to tip of the bird's wings was four and a half feet. Great owl! We are pleased to have Mr. James Crane with us once more. Mr. Crane has considerable work to do here this fall. Messrs. Henry Young, Andrew McInnis and other gentlemen, Jim's great carpenter! Mrs. Carrie's pumpkins in her garden this year. One weighed nearly thirty-five pounds. Last week Mr. Carrier and a team of horses hauled this pumpkin into the shed. Great pumpkin! Twenty-seven dollars in cherry Vally for the one night last week. But if the neighbours say is true, it lost its life in an oyster stew. Great stew!

ZION CHURCH ACTIVITIES.—At Zion Church last evening the Rev. G. C. Taylor preached a telling and timely sermon to a large congregation. "The Helping Hand." Speaking of Bunyan's Pilgrim's Progress, Mr. Taylor said that he did not have the same reverence for that old book that some people had. He said that Christian left his home and his family and set off with a pack on his back, and in his heart—to get within the city gates. That was not his ideal of a Christian. He would rather risk his chance of getting there if by so doing he could lend a helping hand to some struggling brother. When a man came to the Lord Jesus Christ the next thing for him to do was, not to make straight through the peevish gates, but to go right back to the City of Destruction and do what he could to save his own flesh and blood and his fellow-men. When Jesus Christ came down to earth He accepted sinners and jer. His concern was the saving of souls. He came to give Himself a ransom for many. Mr. Taylor made an appeal to the congregation for books and games for the newly opened Social Room, to which all young people are welcome, and especially the members of the Artillery and the new Highland Brigade. Any persons having superfluous games, such as chess, draughts, etc., or interesting books should get into communication with the Rev. Mr. Taylor at once. The urgent appeal from the Lord Mayor of London on behalf of the 3,000,000 starving Belgians was also read, of which notice is given elsewhere.

AGED GRANDMOTHER
So Weak, She Could Hardly Stand
—Made Strong by Vinol

Right here in Charlottetown we have seen such excellent results from Vinol that it is a pleasure to know it is doing so much good for old people in other parts of the country. Woodbridge, N. J.—"My Grandma was recovering from the grippe and was so weak she could hardly stand, and as she keeps house for my father and myself, she could not get around at all. She had taken cod liver oil and many other medicines, but nothing seemed to do her any good. At last we heard of Vinol and tried it, and Grandma commenced to feel better right away, and got strong very soon, so she gets around as well as ever. We all praise Vinol for it is a splendid medicine." Myrtle H. Bunn.

The reason Vinol is so successful in restoring strength to the aged is because of the rare combination of tonic iron, the curative medicinal extractives of fresh cod's livers, best peptone and mild native wine. It stimulates the blood, quickens the appetite, aids digestion, promotes proper assimilation of food and enriches the blood, and brings back the strength of renewed health. E. A.

The Y. M. C. A. Auxiliary meeting advertised to be held last Saturday afternoon was postponed owing to the state of the weather.

BRIDE-TO-BE SHOWERED.—Miss Mary Esory, whose marriage to Dr. Harrington, of Bridgewater, N. S., takes place the middle of this month, was tendered a miscellaneous shower by a number of her friends in this city on Friday evening. The bride-to-be received quite an assortment of useful gifts, and also had by an appropriate verse. Last Tuesday evening she was also tendered a linen shower by her fellow members of the Alpha Rebekah Lodge. After the presentation of a great array of gifts refreshments were served, and a very pleasant evening was spent in the lodge room.

PATRIOTIC CITIZEN WANTED.—There is a chance for a patriotic citizen in Charlottetown. The Red Cross to receive and store their goods in the Agricultural Hall. The hall has been placed at the disposal of the St. John's Battery, and the accommodation is so limited that it is necessary to acquire the Red Cross Society's store-room. Hon. Justice Hazard, President of the Society, has kindly offered to vacate the room if another in the city can be furnished them. Will anyone having a spare room, 20 x 20 or there by, do a patriotic act by offering it rent free to the Red Cross Society? Send particulars to Dr. S. R. Jenkins, Hon. Secretary.

BELGIAN FETE DAY RELIEF FUND

In compliance with the request of the Lord Mayor of London, received through Premier Borden, I hereby summon a public meeting of citizens to be held in the Council Chamber to-night (Monday) at 8 o'clock to consider ways and means of raising subscriptions for the temporary relief of 3,000,000 starving Belgians on the Belgian Fete Day, November 15.

MURDOCH McKINNON
Acting Premier.

Funeral of the Late Harold Ritchie

The funeral of the late Harold Ritchie took place yesterday afternoon at 3.30 at the People's Cemetery. A short service was held at the house of Mr. Ritchie, his father, then the party proceeded to the Grace Methodist Church with which the deceased was connected previous to his leaving for Ottawa three years ago. The church was crowded to overflowing, and the high estimation in which the young man was held was eloquently shown by the many beautiful wreaths and floral tributes which were piled high on the coffin. The Rev. F. H. Littlejohns spoke briefly of the deceased young man's connection with Grace Church previous to his going to Ottawa. He had been a faithful member of the school and was always ready and willing to help in every way in his power, either in a musical or other capacity, and had endeared himself to his friends and family. He was a man of the highest character and of the most beautiful wreaths and floral tributes which were piled high on the coffin.

Littlejohns referred to young Ritchie's last moments and said that he had faced death most nobly. During the few hours before his death he lay in a very weak state and repeated over and over the simple little prayer he had learned at his mother's knee. He passed into the Great Beyond with a smile on his face which left no doubt in the mind of Mr. Littlejohns spoke earnestly of the certainty of life and of the necessity for preparedness for the call.

An impressive and touching address was also given by the Rev. Dr. Fullerton. R. G. Fullerton read the scripture and led in prayer.

Dr. Fullerton paid fine tribute to the character and abilities of the young man and referred to the uncertainty of life and the urgency of being ready to meet the call whenever and wherever it should come. The service concluded with the playing of the Dead March in Saul by Professor Watkins.

Notwithstanding the condition of the roads a large number of friends accompanied the cortege to the cemetery.

THE MEMBERS OF THE 9th Ambulance Corps, under Captain Dorsner, in which Harold Ritchie was a bugler, were present and the buglers sounded the last post.

The deceased was only 21 years of age, and had been employed in the Revenue Department of the Customs at Ottawa, where his character and abilities had made him highly esteemed. He was organist of McLeod St. Methodist Church in that city, and his untimely death has been the cause of deep grief to his many friends in that church.

PRIZE STEAMER NOW AT HALIFAX

HALIFAX, Nov. 2.—A guard of six soldiers under an officer is on board the steamer Hocking and no one comes ashore and none goes aboard without a permit from Sheriff James H. Hocking. The steamer was in port yesterday under a special permit to confer with the ship's agents, Pickford and Black. The sheriff commencing to-day will give the captain permission to come ashore at any time he wishes for the special purpose of conferring with his agents or consulting with American Consul-General Young. He is disposed to extend all the privileges in his power.

THE GREAT BLOOD PURIFIER

"Fruit-a-lives" Cleans, Purifies, Enriches

Fruit juice is Nature's own remedy. "FRUIT-A-LIVES," the famous fruit medicine, keeps the blood pure and rich because it keeps the whole system free of impurities. "Fruit-a-lives" improves the Skin Action; enables the stomach to digest food properly; makes the bowels move regularly; and relieves the strain on the Kidneys.

By its cleaning, healing powers on the eliminating organs, "Fruit-a-lives" rids the system of all waste matter and thus insures a pure blood supply. 50c. a box, 6 for 2.50, trial size 25c. At dealers or sent postpaid on receipt of price by Fruit-a-lives Limited, Ottawa.

IN MEMORIAM

MRS. FRED WOOD

There passed away at Strathcona on Wednesday the 29th ult. Mr. Fred Wood in the 67th year of his age after a year of illness which he bore with Christian fortitude. He leaves a disconsolate widow, two sons and two daughters to mourn the loss of a devoted husband and an indulgent father and the community in which he lived a good neighbor. The deceased was followed to the Presbyterian cemetery at Dundas by a very large number of sympathizing friends which showed the esteem in which he was held.

MISS EVELYN CLARKIN.

The death occurred at her home Saturday afternoon of Miss Evelyn Clarkin, daughter of Mrs. John T. and the late Professor Clarkin. Her death at the early age of eleven years is a sad blow to her mother, brothers and sisters, as well as to the many little friends which she formed by her gentle and kind manner with which she was endowed. By her death she leaves to mourn her mother and the deceased's brothers and sisters: Peter, in Royal Bank of Canada, Montreal; John, in the trenches in France; Leo, in the Civil Service, Ottawa; Reginald, on H. M. S. Niobe; Mary, Annie and Isabel at home. Her funeral leaves her mother's home, Dorchester St., East, this (Monday) morning at 8.45 to St. Dunstan's Cathedral.

MISS ANNIE MCINTYRE.

The death occurred at her residence in Madison, Me., of Miss Annie McIntyre in the 67th year of her age. Deceased was a daughter of the late Laughlin McIntyre of Bayville, Lot 14, P. E. I. For the past twelve years she was a resident of Madison, Me. Fortified by the last rites of the Roman Catholic Church which she loved so well she passed peacefully away on Oct. 20, 1915. Hers was a model life. Her lips were ever a sealed book on the faults and follies of her neighbors and she always had a kind word to say of her acquaintances and put a charitable construction on their weaknesses. In the home of sickness or mourning a ministering angel, foremost in every good work for the benefit of the community, she was always a welcome visitor in every household. We can truthfully say "None knew her but to love." She leaves to mourn two brothers, Dr. A. A. McIntyre formerly of Summerside now of San Diego, Cal., and John E. of Madison, Me.

Her remains were brought home for burial accompanied by her brother and nephew, John L. McDonald, and conveyed from Richmond Station, followed by a long cortege of sorrowing relatives and friends to St. Patrick's Church, Grand River where a Requiem High Mass was sung by Rev. J. A. McDonald who also conducted the funeral services at the grave. She was laid to rest in the family plot beside her parents and brother and sisters.

Request in Pace.
(Summerside papers please copy.)

THE LATE MGR. PHELAN.

The death occurred in the Charlottetown Hospital, Friday night at midnight, of Mgr. Phelan, aged 81. The Right Reverend Monsignor James Phelan, Domestic Prelate of His Holiness, was born in the parish of Mooncoyne, Ireland, in the year 1834. He completed his early studies in Carleton College, Ireland, and at the instance of Bishop Bernard McDonald came to Prince Edward Island in the year 1854 and was among the first professors of St. Dunstan's College. He was ordained to the priesthood by Bishop McDonald at Rustico in the year 1855. He was stationed for a time as assistant in St. Dunstan's Cathedral, Charlottetown, and occupied successively the pastorates of the parishes of St. Columba at East Point, of St. Margaret's and of Vernon River, where he remained until the year 1891. He was appointed Vicar General of the diocese of Charlottetown in the year 1895. In the year 1906 he celebrated the golden jubilee of his ordination to the priesthood and his Holiness Pope Pius the Tenth as a recognition of the services rendered the church during his long and faithful labours in the ministry appointed him a Domestic Prelate and the title of Monsignor. After the appointment of Bishop Morrison to Antigonish Monsignor Phelan was appointed Administrator of the diocese which position he occupied until the arrival of the present Bishop. In the year 1913 he retired definitely from the ministry and resided mostly at the Charlottetown Hospital, where he passed away on Friday night at twelve o'clock.

The funeral will take place from the City Hospital this (Monday) afternoon at 2.30 o'clock by train to

THE DOCTORS PERISCOPE

Nowadays when the physician is called to examine a patient who has something seriously wrong with his stomach he takes a look at the inside of that organ before deciding whether it is necessary to perform the operation or not. To see the inside of the stomach he makes use of a miniature periscope similar in every thing but size to that through which the commander of the submarine gets his bearings. It says (Science Gets its Metal Tube of small calibre containing an arrangement of mirrors and lenses, and having a small electric light at the end. This is pushed down the throat of the patient. The light is turned on and the instrument is moved about until part of the inner surface has been examined. The mirrors and lighting arrangement leave enough space in the tube for fine scalpels and forceps and scissors to be passed down through it. Thus the surgeon is able sometimes to perform delicate operations through the tube and without cutting into the patient's abdomen. To the outer end of the instrument rubber bulbs are attached, and these are used for various purposes, according to the needs of the case.

KING PETER AT HOME.

His Majesty, a short man looking right well in his uniform received me very graciously said the young diplomat (according to the London "Fall Mail Gazette.") We had scarcely begun talking when a rather dashing lady entered the salon as if the whole palace belonged to her. She sat down in one of the gilded armchairs (upholstered in crimson) took from a box on the table a cigarette, and began puffing away at it with evident gratification. And this without as much as formally requesting the Royal permission. King Peter said to me in a low tone:—"That is something you would hardly see in other palaces." "Quite so, sire," "But," he continued, "it does not shock me, and when a lady is so distinguished a personage as the Princess Ratibon one allows her to do anything she likes." New, the Princess was the wife of the German Minister!

Trainer's Telephone Service

Just a minute of your time at the telephone—just a few minutes of our time on the job and many of the plumbing faults that are causing trouble and annoyance can be corrected—repaired to stay.

The cost will be too small to compare with satisfaction you will feel and the comfort you can afterwards enjoy.

Call us up today, 393-J is our number.
