MRS. RICHARD BOWMAN.

It is with sorrow that we record the death of Mrs. Richard Bowman, who quietly entered into rest as the church bells were ringing on Sunday evening, June 21st, at the home of her daughter, Mrs. George Wheatley, with whom she had resided for the last five years. She had been ill for the last year and although she had the best medical skill and tender nursing with all that could be done to ease her suffering she passed to the Great Beyond to join her husband who had predeceased her some years ago.

At times during her suffering was very severe but she bore it with true Christian resignation. The late Mrs. Bowman, whose maiden name was Ellen S. Molyneux, was in her seventy-fourth year. She leaves the following sons and daughters,

WORKING GIRL'S EXPERIENCE

Read How She Found Help in Lydia E. Pinkham's Vegetable Compound

Arnprior, Ontario. "I must write and tell you my experience with your medicine. I was working at the factory for three years and became so run-down that I used to take weak spells and would be at home at least one day each week. I was treated by the doctors for anemia, but it didn't seem to do me any good. I was told to take a rest, but was unable to, and kept by a run-down condition. I was troubled mostly with my periods. I would sometimes pass three months, and when it came it would last around two weeks, and I would have such pains at times in my right side that I could hardly walk. I am only 19 years of age and weigh 118 pounds now, and before taking the Vegetable Compound I was only 108 pounds. I was sickly for two years and some of my friends told me about Lydia E. Pinkham's Vegetable Compound, and when I had taken a bottle of it I felt a change. My mother has been taking it for a different ailment and had found it very satisfactory. I am willing to tell friends about the medicine and to answer letters asking about it." Miss HAZEL BERRY, Box 700, Arnprior, Ontario. A day out each week shows in the pay envelope, if you are troubled with some weakness, indicated by a run-down condition, tired feelings, pains and irregularity, let Lydia E. Pinkham's Vegetable Compound help you.
