DOWN - THE - BACK STRETCH

Dr. R. H. Kennedy is envied by many horse breeders of Alberton and vicinity in the possession of a colt by Soviet 2.12 1-4, out of Haste, by Peter Volo. This youngster is finely formed and developed and has as much appearance of carrying the germ of speed as anything seen in the western town for some years. Haste, with colt following, can be seen on the streets jogged daily by trainer Frank McAlduff. She is expected to give birth shortly to a foal by Calumet Bud'ong 2.02 3-4. A three-year-old out of Haste, by Sampson Hal 2.02 1-2, is a typical and the pacer and is being groomed for the futurities by Harry O'Brien.

Frank McAlduff is also training a five-year-old pacer by Colonel Aubrey, dam by Roy Volo, for Duke Kennedy. He is expected to take part in Harry O'Brien's races Dominion Day. Mr. McAlduff is no novice at the game, having trained Peter S. Leonard and several others that won their spurs in good company.

Harry O'Brien and son's stable is said to be in the best of shape by our western correspondents, and they expect to take track work at a very early date.

It is reported that our genial friend from North River, Hugh Walker will take over the Farquharson Livery Stable, so well and favorably known for many years, and will bring in for race preparation the good trotter Peter Pin 2.15 1-2. It will be a fine thing for the community if Mr. Walker does engage in the livery stable business because without doubt he is one of the best feeders and caretakers in this country, and that is one of the prime necessities in the conduct of a successful racing establishment. A man that will take well with the public, so we hope the news proves to be true, as a livery stable in Nova Scotia, Central Canada, or the field had narrowed down to Farquharson's, so long and honorably conducted by the late Ernie Farquharson and lately by his son.

Charlie Ballard, who attended the meeting of harness horsemen at Truro for the organization of the Nova Scotia Central Circuit, on return to Sydney stated that he was starting plans to open his track with a big meet on May 24. Classes will be run by the syndicate as Mr. Ballard gets in touch with horsemen and finds out what stables will be able to take the work on that date.

One of Sydney's best known businessmen and sportsmen passed away recently in the person of John C. O'Connell, a racing enthusiast who switched to hockey and other sports. He was the sponsor and manager of the original Sydney Millionaires, which took the Maritime Championship to Sydney in 1913 and the following year. His team competed for the Allan Cup in play-offs at Quebec but lost. He was for many years manager of the Sydney race track and some of the greatest race meets ever staged in Cape Breton were put on by him. The late Hammond Kelly and Mr. Larder were friends and Mr. Kelly if possible made it a point to race at Sydney.

F. O. McCurdy, who with others is operating the to-be-revamped Truro track, is putting on a big race meet July 1st, with a free-for-all in which the Truro syndicate owned horse Simcoe Harvester 2.04 1-4, Jane Asoff 1.59 1-2 and others are expected to race, also two \$200.00 purses for other classes.

Charlie Ballard, who had the pleasure of seeing Simcoe Harvester 2.04 1-4 on his recent visit to Truro, gives the following graphic description of that wonderful Ontario horse that is competing in 65 races in his three, four and five-year-old form and was purchased for a long figure by Truro sportsmen. Here's Charlie: "You know I said that 65-odd races might not be so hot for him in the three years of his racing, but when he came tearing out of the stall with two or three men holding him—Boy, oh Boy what a horse! A combination of steel springs and locomotive, and looks like a million dollars too, sinuous and shining like a piece of silk. Colonel, the nearest way to describe him is: EXPLOSION. He looks as if he will make all the other runners from Cape Breton to Rhode Island very unhappy. If he doesn't I'll eat my hat!"

Charlie says that on his way back home he jumped off at Mulgrave and had a look at Dermot 2.04 1/4,

Four Canucks In Marathon

BOSTON, April 14 (AP)—Four Canadians headed a list of 14 additional entries in next Wednesday's marathon announced today by Tom Kanaly, director of the 43rd Boston Athletic Association road race. Thus far, 179 names were on the entry sheets.

Three of the Canadians—Fred McEvoy, Milton Wallace, and Jim Begley—will represent the Monarch Athletic Club of Toronto. The fourth is John Paul, of the Kinsman Club of Saint John, N. B. Indian champion of the Maritime Provinces.

WIN HOOP OPENER

WINDSOR, Ont., April 14 (AP)—Windsor Alumni, staying off Montreal's desperate, last-quarter attack, defeated Dominion Douglass 44-42 here tonight in the first game of a best-of-three series for the Eastern Canadian senior men's basketball championship.

Kelly.

Edwin T. Keller, writing in a late issue of the Horseman and Fair World, says:—The pair of victors picked up the pace season by Jane Asoff 1.59 1-2, lifted her up into third place among the race stars in the leading race win group in the past two years, scoring 13 victories in both 1937 and 1938, which will undoubtedly be added to before her retirement. However, it will probably be quite a few years yet before any candidate plays along to equal the two leaders of this group, May E. Gratian 1.59 1-4 with 24 victories, and Margaret Dillon, 1.55 1-4, with 43. Jane Asoff is owned by C. H. Horton, Murray River.

Mr. Keller says that since Harlowe, but owing to the pace of the betting craze more attention has been devoted to the runners, until recent years when movie stars, and other celebrities for recreation have taken up matinee racing and there has been a decided impetus in breeding.

Mr. Found had a lot of success with his four-year-old Walter F., named for himself last season, racing at all important points, winning one or more races in each place and taking a mark of 2.05. He still assists in the training at Stockton, California, and believes that Walter F. took a record of 2.03 or better this season. New London sportsmen will be interested in hearing from their old buddy, who since he has returned to racing game when home and which they have successfully carried on in his absence.

The writer had a nice letter from Jimmie Sanderson, Truro race track, the other day. He reports the loss of his dear wife last fall. It has been a great blow to him as she was always a help and stand-by through thick and thin. He says we won't know Truro track when we next visit it, but to ask for him and he will show us around. He says the Truro boys have a real horse in Simcoe Harvester, which Jimmie is taking care of. The longer he has him the better he likes him. His legs and feet are of the best, and that goes a long way in a race horse. He wears nothing except harness, loose hopples, or boots. No shadow roll, no tail-tie. He has gained 25 pounds since arrival in Truro and is a dandy at the feed box.

Jimmie wants Frank McKay to know that he will show him a real Abbe Worthing when he comes over to the Provincial Exhibition, and is also getting a good slow class pacer this week that will be troublesome to the boys in those classes. He speaks very kindly about Ed Acorn and Ed Acorn and sends regards to J. W. Boulter and Willard

Bruins Heavy Favorites As Stanley Cup Finalists Quit Toronto For Boston

By JACK CALDER

Canadian Press Staff Writer

TORONTO, April 14—The fifth staging of a long, bitter playoff feud is making hockey history of a kind. The Stanley Cup finals are smashing precedent because of their sheer pace and because Boston Bruins are beating Toronto Maple Leafs.

The Bruins and the Leafs entered for Boston tonight for the fifth game of the best-of-seven round Sunday night. And there was scarcely a soul in Toronto who would give a lick for the Leafs' chances of winning after dropping three of the first four games. The big, bruising Bruins can take the world championship by winning once more.

In an atmosphere of hockey and nothing else—without the hectic argument and fierce stick-swinging that attended previous Boston-Toronto playoffs—the Bruins have impressed as a superior team that knows how to work for breaks. Those are the marks of champions, as the bettors realized tonight.

Again Eddie Shore, 38-year-old bulwark of the blue-line, has been the mainstay of the Bruins. He has been surrounded, though, and even put in the background sometimes, by such youngsters as Roy Conacher, Milt Schmidt, Bobby Bauer, Woodward Dumart, Mel Bell, Johnny Crawford and Frank Brimsek. None of those fledglings has been in the National League more than two seasons.

IN THIS CORNER

Marking the first time that an event of this kind has been held here and also marking the end of the most successful skating season in years, the Forum tonight will be the scene of a 4-hour skating marathon to music and the event is promising to go over in a big way.

The event besides giving skating patrons one last grand whirl on the steel blades for this season will also prove a test of endurance. It is not the easiest thing in the world to skate four hours to continuous music and it's dollars to doughnuts that the big crowd will be sadly depleted when the final strains of music die away.

To hear some of the skaters talking that are going to make it a point to attend one would be led to believe that it is just a matter of going out there and spending the four hours skating. We wonder if they will feel the same way at the close—that is provided they are still in the vicinity of the ice space at that time.

There will be a lot of sore bones and aching muscles when the skaters untangle themselves Sunday morning but the skate will prove a fitting close to the longest season that Island skaters have ever been privileged to enjoy. The previous longest was April 4; this year it will be bettered by one day or night we should say, and what a night it will be!

Bear Cats Speed To 6-5 Overtime Victory Over Royals In Series Opener

By ROBERT CLARKE

Canadian Press Staff Writer

MONTREAL, April 14—Port Arthur's first Bear Cats showing entirely too much speed and deadliness around the net handed Montreal Royals a 6-5 overtime defeat tonight in the opening game of the best-of-five game series for the Canadian senior amateur hockey crown.

Touted as speed demons, the Bear Cats lived up to advance notice by peppering Royals with a bewildering attack that brought victory on two goals by defenseman Hugh O'Leary in overtime. The best that a stout Montreal team could offer in the extra session was a goal by Pete Morin—the third counter of the game for the little winger.

But while Morin had conspicuous success against the western champions because he was able to match them in skating ability, the remainder of the Montreal team looked as if they were moving in slow motion at times in comparison with the crown-winner. Bear Cats as favorites to take the crown last year by Trail Smoke Eaters.

The stars of the game for Port Arthur were O'Leary and little Edgard Laprade, slim centerman of the Port's second line who scored two goals and drove the Montreal defense almost frantic with his stickhandling wizardry. Bones McCormack and Joe MacArthur got the other Port Arthur goals.

Little Morin was practically the whole show for Royals as he skated himself into near exhaustion. Gordie Crutchfield and Gerry Heffernan formed the only combination that had any success against the westerners. It was Heffernan who sent the game into overtime with a goal just 41 seconds from the end of the third period.

The only really "soft" goal of the game was O'Leary's first overtime tally, and the one that really won the game for the Ports. The defenseman who could have turned professional at the start of the season with Montreal's National Hockey League Canadiens drifted from the blue line that clipped the post and beat goalie Patsy Seguin.

That tally forced Royals to send

Junior Hockey Star Is Not Sure He'll Turn Pro

By SYDNEY GRUBSON

Canadian Press Staff Writer

TORONTO, Apr. 14—The hymns of praise ringing from hockey's halls leave Bill Taylor unaffected, outwardly at least, and the boy Lester Patrick describes as the "greatest junior in 20 years" is not even sure he'll play professionally.

As they watched him do amazing things for Oshawa Generals in the first two games of the Memorial Cup final against Edmonton Roamers, big-league hockey's wise men have found it hard to fit Taylor with suitable superlatives. No one has come forward to dispute the word of Patrick, long a connoisseur of junior talent for his New York Rangers.

Still Taylor, only 19, is the only one who will decide whether his future will be in the National League or with Oshawa amateur teams while he pursues a business career. He would like to play in the minor leagues but only if the price is right.

Conny Smythe, for whose Toronto Leafs Taylor is booked to play, is not too worried about it. "We'll take him to our training camp with us next season and if we can talk turkey, we'll offer him a contract," says Smythe.

And Taylor says "You may be sure I'm not going to play pro unless I get a good contract. I've got a good job and good future in Oshawa and I won't throw them over unless the offer is attractive."

At three he took part in 11 of the 33-season stretch, won 2,162 games, dropped 2,352... Montreal twice won the pennant and twice occupied the cellar.

Let you have forgotten... the International was known as the Eastern League back in 1884 and is the second oldest ball organization in the world... Toronto played its first league game May 8, 1888, at Rochester, N.Y., and won 6-4 before 4,000 paying guests... Montreal bowed in June 4, 1890, at Hamilton, Ont., with less success... Hamilton won 8-1 and Montreal only evaded a shutout when shortstop Connor poked a homer with two out in the ninth.

Joe Ivy of Kansas City, member of the United States Davis Cup committee, is one fellow who doesn't concede the cup to anybody else even if Don Budge has turned pro... In fact Joe is sure the U. S. will retain the cup... Just how he isn't so sure... Canadian scullers aiming at honors at the 100th anniversary celebration at the Henley Royal Regatta in England this year will have their work cut out for them. Joe Burk of Pennsylvania Athletic Club, acknowledged the present kingpin of singles, is going to be there... Burk, though he has an awkward style, won the Canadian Henley and the U. S. championship last year.

At the age of 50, Clarence De Mar has forwarded what he said probably would be his last entry in the Boston Marathon, the 43rd renewal of which is Wednesday... DeMar has won the race seven times and once won three straight.

Simmerings Around The Sport Front

By ALAN RANDAL

NEW YORK, Apr. 14—The third annual edition of the International Baseball League white book, product of amiable Ernie Lanigan, the league's information director, rolled into circulation today... It reveals Toronto Maple Leafs have four native-born Canadians on the roster, three of them pitchers... They are Art Calhoun of Toronto, Lloyd Colman of London, Ont., and Phil Marchiondo, Pennsylvania. Calhoun is a right-handed pitcher and native of Toronto is the fourth... Not only that, but Lanigan is an Ottawa lad.

Two other Canadians earning their bread and butter in the International are Gus Dugas of Jollette, Que., Baltimore outfielder, and Bill Howard of Saint John, N. B., left-handed outfielder... Further news of the white book shows that in the 49 years Toronto has operated in the circuit the club has won 3,703 games and lost 3,237... Leafs finished first seven times, last four times... Montreal's club, over the 33-season stretch, won 2,162 games, dropped 2,352... Montreal twice won the pennant and twice occupied the cellar.

Let you have forgotten... the International was known as the Eastern League back in 1884 and is the second oldest ball organization in the world... Miniature Rifle Shoot

E. R. Burke carding a 99 again topped all competitors in the No. 6 District Signals miniature shoot held at the Armouries last night.

D. MacMaster placed second with a 95, while Major W.A. Smith and C. D. Ives were in runner-up position with 90's.

Other scores follow:

R. E. Jenkins	95
W. T. Hooper	94
P. H. Manuel	94
A. V. Spilllet	94
R. K. Robinson	93
R. E. Stewart	93
E. J. Mayne	92
H. H. Horne	92
A. F. Pickard	92
Ben Rogers Jr.	92
W. H. Kelly	91
D. E. Mayne	91
R. T. Holman	89
C. R. Saunders	89
G. J. Rogers	87
G. J. Godfrey	87
V. E. Connors	86
G. A. Gray	86

The famous pacer, Little Pat 1.58 1/4, won 18 heats in 24 or over half-mile tracks last season. He is one of the candidates that will be pointed for a crack at Billy Direct's world's pacing record of 1:55. By the way, to confound is Vic Fleming that Billy Direct can take the measure of the world's champion trotter Greyhound 1:55 1/4; that he is anxious to make a number of which will carry with them side bets of up to \$10,000 a race.

Anglers Ready For Action

Officially the trout fishing season opens April 16—tomorrow—and disciples of Isaac Walton who have just about exhausted their store of tall tales of "the one that got away" during the long hard winter are all ready for action.

But they can fish and yet they can't fish tomorrow. The Lord's Day Act here prevents fishing on Sunday.

The game laws say the season opens.

In the battle of "to fish or NOT to fish" the armchair fishermen aren't sure what side to bet on.

But anyway, maybe the anglers won't be called upon to decide. There's ice on the ponds. And the law says trout can't be fished through ice.

and Mickey McMullin, Glace Bay. The bout will be a 10-round affair. Preliminary bouts will be fought it was announced.

It is the only way to get the game back here. Too many times fans have seen players make a burlesque out of the game and then they wonder why fans won't attend. So it seems fitting that if the leagues being mooted become a reality the first steps taken should be such as to reorganize the organization on a sound footing and be headed by men who really have the interest of the game at heart.

Boston Bruins seem in a fair way of disposing of the playoff jinx that Toronto Maple Leafs have held over them in the past. Now leading the Toronto team three games to one and with only one more victory needed to clinch the Stanley Cup, the great Boston machine should, if they continue displaying the form they showed in Toronto, wind up the series in Boston Sunday night.

Listening to the game over the ether one could not but be impressed by the power shown by the Bruins. Leafs were trying hard enough but it wasn't enough against a team that their manager and many others claim is the best hockey squad ever to come down the pike in 37 years.

The opening boxing card of the season next Friday night at the Sporting Club will feature in the main bout Tom Claybourne, City,
