...BASEBALL.—Kensington was the scene of one of the best exhibitions of baseball of the season, in a match between the Athletics and the Sunnyside Bank boys. Both teams played a game which was much to their credit. The score was 15-6 in the home team's favor. Mr. Robert Morrison handled the game to entire satisfaction.

...ARTILLERY ARRIVE.—The right half of the 37th Battery, C. P. A., arrived home from Camp Aldershot, last Friday evening by the Lady Sybil. They were in camp for twelve days and passed inspection very creditably. The right half consists of thirty-two horses and fifty-nine men and is commanded by Lieut. A. F. McQuaid.

...NEW PRAECHEUR.—In the absence of the Pastor, Mr. Pipe, the pulpit of the South Lake and Kingsboro Churches were occupied the last two Sundays by Rev. Henry A. McDonald, now of Mongarritte, Ky., but a native of this place. Needless to say he maintained his old-time reputation.

...THEATRICALS.—The Boston Comedy Co., H. Price Webber, Manager, played a "Queen for a Day" on Thursday evening. The hall was packed to the doors and the play was up to Price Webber's usual high standard. On Friday and Saturday night respectively they played "The Governor's Wife" and "A Lancers' Life," both of which were enthusiastically received by large audiences. Price Webber will remain till Friday to renew old acquaintances, of whom, needless to say, he has many.

...SCHOOL EXAMINATION.—The closing examination of Bangor School took place in the school-room Friday, June the 29th. Quite a number of the ratepayers were present. The pupils were thoroughly examined by Mrs. Simon McKinnon, the trustees Messrs Geo. and Hector Compton with the assistance of the teacher, Miss Rosella Wood, and their ready answers reflected much credit on Miss Wood's reputation as a teacher. After some very humorous and interesting recitations the teacher treated all present to candy. The trustees spoke highly of the progress of the school during the past year and wished that Miss Wood would remain, and continue another year of her good work.

This is built in four blocks and these have been launched. The first three are nearly ready to be planked and the fourth is being filled rapidly. Mr. H. H. Acorn, who has the contract of supplying the stone, has men hired from Nova Scotia. He has built a house for the married men of the lot near the breakwater. Insurance Companies Purchase Municipal Debentures

Monetary Times Toronto, May 15 "In recent years interest yields of municipals have not been attractive, and consequently funds have directed in other channels. A very marked change, however, has taken place within the last year. Good municipals have been and are still available at excellent interest yield rates and most of the life companies are taking full advantage of the favorable prices and making heavy purchases."

We have carefully selected municipals to yield from 5 1/2 to 6 per cent., in denominations of \$100 up. Ask for particulars.
