Mi-o-na cures dyspepsia. If any of the readers of The Guardian are suffering from stomach trouble of any kind Geo. E. Hughes will sell you a box of Mi-o-na for 50 cents with an absolute guarantee of relief or money back.
Neil Murray of Huron Road, Goderich, Ont., says: "I suffered with indigestion for over four years and had been given over as incurable by many doctors. I had become a nervous wreck through loss of sleep, and whatever I did eat did not remain on my stomach for over two hours. I would suffer with vomiting spells that would almost kill me, perspiration as large as beads would break out all over my body and leave me in so weakened a condition that I would be unable to stand, not a night's rest in over six months and was so weakened and run down that my family thought I would die. My heart was greatly weakened and would flutter and a sharp pain would come through me and cut off my breath. I was reduced in weight from 150 to less than 110 pounds. Doctors would give different causes for my trouble, yet none of them gave me the slightest relief. I commenced treatment with Mi-o-na and when one-half of the first box was used I could eat my meals without suffering the dreadful vomiting spells. I used about ten boxes in all, and I am entirely cured. My stomach is as strong as ever and there is not the slightest trouble with indigestion. I have gained about 40 pounds in weight, am strong and healthy and like a new man. I will always speak highly of Mi-o-na, as it cured and I believe kept me from sure death when all else had failed."

FRED H. GURTLER.

A new world's record in shorthand was established by Fred H. Gurtler, Chicago. At the recent contest he wrote 218 words a minute for five minutes. Mr. Gurtler is 24 years of age and the above is highest record ever made by one of his years and experience. He began the study of Gregg shorthand in September 1904, and last year was admitted to the Chicago Law Reporters Association. There were eleven entries for the contest and among them were many of the most noted reporters in the country, one having eleven years experience and another fifteen years. This wonderful record demonstrates the superiority of Gregg shorthand over other systems. 5-12d1i.
