

**FRIDAY**  
**ENGAGEMENT ANNOUNCED.**—The engagement is announced of Annam S. Cambridge, daughter of T. L. Cambridge, St. John, and William D. McPherson, of Caledonia (P. E. I.)—St. John Telegraph.

**ANOTHER ISLANDER.**—Mr. Thos. Huggan, son of Mr. W. T. Huggan, District Passenger Agent of the Prince Edward Island Railway, has enlisted for the front with the 9th Canadian Mounted Rifles. Tom enlisted in Sewall, Man. where he has been residing for some time.

**SOLDIER KILLED BY LIGHTNING.**—A private letter received in Charlottetown yesterday from one of the soldiers at Valcartier says that a terrific thunder and lightning storm passed over the camp early last Saturday morning. A member of the 4th Battalion was struck by lightning and killed while on guard duty. The unfortunate man whose name is not given was found dead by the Sergeant who went to change the guard.

**PRESENTATION.**—Rev. and Mrs. A. Avery Gates of North River were pleasantly surprised Wednesday, Aug. 18th, when presented, by Mr. Benj. McLeod, with a beautiful silk lady's umbrella and also a very serviceable carriage umbrella, donated by the following: Mrs. Geo. Fred, Walter B. Scott, Benj. McLeod, Geo. Owen, Garfield Warren, Lloyd Moreside, John Moreside, Leigh Warren, Harry Scott, Waldo E. Bain, Wm. E. Drake, Wm. McKinley, David Scott, Nelson Williams.

**WEDDED FORTY YEARS.**—The London, Ont., Free Press of Aug. 6th says: "Yesterday Rev. Aquila and Mrs. Lucas, (who were formerly of this province) whose home is one mile from the western boundary of London celebrated the fortieth anniversary of their marriage. Mr. Lucas was a member of the New Brunswick Methodist Conference, but during his secretaryship in the West Indies and Central America for the International Sunday School Association, moved from Sackville, N. B. to London. Their five sons and three daughters, from homes as far west as Idaho, and as far east as Cape Breton, chose this time for a family reunion and all were present. The daughters are married and some of the grandchildren were present. The youngest son but one, Corp. Albert E. Lucas, of the A. M. C. is on the eve of departure for the front. Mrs. Lucas is superintendent of the Sunday School held in the Huton schoolhouse, and the members of that school marked this event by the presentation to her of a beautiful brooch with suitable settings. The family presents to their parents were practical mementoes to mark this occasion.

**ALBION CROSS.**—The closing exercises of the Albion Cross School were held on June 30th in the presence of a number of friends and parents. The school was examined by the teacher, Miss Margaret Francis, assisted by Miss Frances Matheson. The prompt and intelligent replies given by the pupils attested to the very thorough and efficient work accomplished by Miss Francis during the year. At the close of the examination a well rendered program of music and recitations was given by the pupils. Then followed the presentation of prizes as follows: Highest Standing in Grade VII, Priscilla Matheson; Grade VI, Frederick Matheson; Grade V, May Matheson; Grade III, John Matheson; Grade II, Wilfrid Matheson; Grade I, Mabel Matheson. Best progress in Grade VII, equally merited by Leora Swallow and Sarah Matheson. Prize for Department awarded by M. E. Francis, Vice Principal, Queen Square School to Ruth McDonald, Drawing; John A. Campbell, Writing; Fulton Swallow. The pupils then presented their teacher with an address and the gift of a beautiful ring to which Miss Francis expressed her appreciation in a fitting reply. After the parents had expressed their appreciation of the splendid work done and their regret at Miss Francis' intended departure the school was dismissed for the holidays, by singing the National Anthem.—Com.

**S. S. HALIFAX.**—Following were the passengers by the S. S. Halifax from Boston arriving in Charlottetown yesterday:—Mr. and Mrs. F. J. Brownrigg, Miss E. Broderick, Mr. and Mrs. R. C. Peake, A. C. Rider, Miss S. J. Barnes, Miss J. Reid, Miss H. W. Goodrich, Mrs. M. C. Goodrich, Mrs. J. A. Coakley, J. A. Coakley, Mrs. M. Cranston, Mrs. M. Maley, Miss G. Atkins, Miss C. Vandergift, T. H. Lloyd, J. Speed, Miss M. Jenkins.

**A DROP IN EGGS.**—Mr. Aubin J. Gallant egg collector was at Wellington last week with a load of eggs. It seems that his horse was well secured while he was doing business in the store, in some unaccountable way however, the animal started with the load at a good speed, till at a sudden turn the wagon and its contents were upset in the gutter thereby preventing the horse from going any further. The result was not as disastrous as anticipated however, for on examination Mr. Gallant found only about eight dozen broken. M.

**FLOWER SHOW.**—The various Committees appointed to deal with the approaching Prince Edward Island Flower Exhibition next Tuesday and Wednesday met last evening at Dr. Peacock's in connection with the arrangements for the Exhibition. The Flower show will open next Tuesday afternoon at 3 o'clock, and it is intended that several prominent citizens will take part at the opening. In the evening there will be a grand patriotic concert in connection with the flower show, and a band will be in attendance. Full particulars will be given to the press later. It is urged that all who have flowers will exhibit them, as there are a great many visitors to our island, and we are anxious to show them what the "Garden of the Gulf" can produce in the way of beautiful flowers.

**WEDDING BELLS.**—A wedding of great interest because of the wide popularity of the principals took place at the residence of the bride's parents, Mr. and Mrs. Wm. G. Thurber, "The Pines," Millerton, N. B. at 8.30 a. m. August 14, when their daughter, Miss Marion Jean, was married to Charles A. White, son of Mr. and Mrs. J. White, of Shediac, Rev. Tully Montgomery performing the ceremony in presence of the immediate relatives of both contracting parties and a large number of other guests. The bride, who is well and favorably known in the social circles, was gowned in ivory chamoisee satin, and was attended by her sisters, Misses Ruth Thurber, of the Sussex school staff, and Margarita Cash, of New York city. The groom was supported by Charles Stothart, of Newcastle. After the dainty wedding breakfast at the bride's home the wedding party motored to Derby Junction, where Mr. and Mrs. White took train en route to P. E. Island to spend their honeymoon.

On Wednesday, Aug. 11, 1915, there passed away in the person of Thomas P. Cass, North River, one of the best known and highly esteemed residents of that district. In his kindly hospitable home when every one was well come, and in the community at large where he was always foremost in every progressive work that stood for the betterment of the people, he will be much missed. His generous sacrifice of a beautiful home and devoted wife and family. When God called him in the prime of life, and the fervor of his final preparation, when receiving the last sacraments of the Holy Catholic Church both edified his sorrowing family and friends who surrounded his bedside, and gave promise of a happy eternity. He leaves to mourn besides his widow seven sons and three daughters all in the home, also a sister, Mrs. M. Walsh, Charlottetown, a step mother and step-sister at home and two step-sisters in United States. His funeral was very largely attended, the Knights of Columbus of which society he was a member besides many friends and acquaintances who esteemed him in life coming from a long distance to pay their last tribute of honor at his grave. May his soul rest in peace.

**BASEBALL MATCH.**—The final game for the Prince County Baseball Championship was played on the school grounds last evening by the Independents and the Red Sox the former winning by a score of 6 to 3 with five innings. Batteries were Red Sox, McQuarrie, and Mountain, Independents, Morrison and Thompson. By winning this game the Independents are the Champions for the season having won two out of three games. C.

**BALTIC.**—An unusually large gathering of young folks took place at the home of Mr. and Mrs. Kenneth McKenzie, last week, for the purpose of meeting with their daughter "Tessie" who leaves shortly for the West, where she will be one of the principals in an interesting event. They presented her with an "address" and a handsome "dress suit case." Games of all kinds with music of high order were among the principal feature of the evening. Ice-cream and cake were served and speeches were made by several of the young men present. After wishing the bride-to-be many years of happiness all departed for their homes.—D.

**'SERIOUS MATTER.'**—A letter was received a short time ago by the editor of the Guardian with a certain Souris person's name signed to it. Upon investigation it was found that this person had sent no such letter. The matters in this letter were of a military nature and the writer forged another person's name, thereby leaving himself open to serious charges. Fortunately the name of the sender was found and it being the first known offence nothing will be done except to point out that the writers of these "suppressed" letters are quite often well known. If these people had the courage of their convictions they would sign their own name, but instead of this cravenly hiding behind people's signatures.—

**TRAIN DERAILED.**—A serious run-off occurred at the railway wharf, Summerside, at 7 o'clock last evening. While the Eastern train was backing down the wharf, engine number 29 left the rails near the upper end of the coal shed, all the trucks of the engine being well clear of the rails, while the cars and tender, which preceded the engine, kept the rails. A wrecking train was ordered out from Charlottetown and arrived about 11.10. Considerable inconvenience was experienced by the railway people in transferring the mails to the express and baggage from the boat to the Western train, which was sent to Charlottetown, taking the place of the disabled train. The wrecking train, which brought carriages with her proceeded West, leaving about 11.30.—C.

**MALPEQUE.**—The farmers of this locality have taken advantage of the splendid hay-making weather and nearly all are done. The crop was a fine one and the grain is coming on splendidly.—The capable teachers, Misses Munn and Young will resume their duties on the twenty-fourth.—Mr. Roy Woodside is a frequent visitor to Baltic, the guest of Mr. George Riley.—Miss Ruth Howatt, Bedoué, is visiting her relations in Malpeque, the guest of Miss Lily Davison.—Miss Inez McKenzie, Baltic, was very pleasantly surprised a few evenings ago when a number of young people gathered at her home to spend a pleasant evening with her before her departure for the West. The evening was passed very pleasantly with games and music. Toward the end of the evening a dress-suit case and toilet set were presented on behalf of the assembled guests by Miss Grace Riley, and an address read by Miss Mae Bernard. After ice-cream and cake had been served by the young ladies of Baltic they all dispersed to their homes wishing Miss McKenzie much joy, as she leaves in a few days for her future home in the West.—Mr. Ansel Bernard paid a flying visit to Long River last week.—Mr. John Montgomery has gone to Irishtown to act as school teacher for this coming year.—Baltic school has opened again after the summer holidays, under the management of Miss MacFadyen. The people of that vicinity have just completed the putting in of a pump in the school.—Mr. Arthur Henry made a flying visit to Spring Valley recently.—Mr. B. Profit, Kensington, is a frequent visitor to Baltic, the guest of Mr. Johnson Bernard.—Miss Lulu Champion, Stanchel, is visiting her sister, Mrs. A. McDonald, Baltic.

**FOX FURS.**—In a letter received Wednesday by a party in Summerside from a friend in San Francisco they mention the fact that Silver Black Fox Furs from Alaska are being shown at the Exposition in that city and that the day previous to writing an Englishman bought a pair of pelts for the sum of \$3,000.—X.

The Scottish gathering at Georgetown on Wednesday was an unqualified success in spite of the disagreeable state of the weather, and large crowds attended. An indispensable feature of the day's entertainment was the excellent music furnished by the Pipers and the Band of the 82nd Regiment. Two members of the Abegweit Association Mr. James McMillan and Major Drake ably assisted the Committee in their arduous duties. An excellent congratulatory address was presented by the members of the Caledonia Club to His Honor Lieutenant Governor Colin McDonald who made an appropriate reply. The games which were held during the day were exceedingly interesting and provided considerable entertainment. The address to Lieutenant Governor McDonald was as follows:—

**ADDRESS TO GOV. McDONALD**  
 Honorable Augustine Colin McDonald  
 Lieutenant Governor of Prince Edward Island,  
 Your Honor—  
 The members of the Caledonian Club of Prince Edward Island, in annual gathering assembled, extend to you, their fellow clansman, most cordial congratulations on your appointment to the high and honorable position of Lieutenant Governor of your native Province.  
 Your Honor's long and intimate association with the Club, and the deep interest you have always manifested in the Annual Scottish games have been a source of gratification and inspiration to your fellow clansmen. Many of the older members of the Club, reverting to their earliest attendance at the Gatherings, recall with pleasure the active part you took in conducting the National Games.

During your long and honorable public career you rendered valuable service to the State, and it is most fitting, in consideration thereof, that you should now be invited to "go up higher."

We trust you may be blessed with continued good health, and thus be able to discharge, with facility and eclat, the duties of your high and honorable office.

We beg to extend, through you, to Mrs. McDonald, your estimable life partner, an expression of our respect and esteem, and we trust that she, along with you, may, during your residence at Government House, enjoy that ease with dignity which is

**SHANGHAI, Aug. 19.**—An unsuccessful attempt to assassinate Admiral Tsiung Ju Chang, Military Governor of Shanghai, and director of the Kiang Nan arsenal, by means of a bomb, was made last night. The Admiral was at the China Merchants' Wharf at midnight, bidding farewell to his wife who was leaving for Tien Tsin when the bomb was thrown, narrowly missing its mark. The bomb exploded with a deafening report but the Admiral was not injured. A French detective afterwards arrested a suspect who stated that he was a former soldier from Tien Tsin.

**PETROGRAD, Aug. 19.**—Russian successes on the left bank of the river Bug, where the Germans have been pushed back southwest of Voldava and in the region of Wladimir, Wollinsk remove fears for Koovel (on the main railway line between Bresthowsk and Lusk) although the government institutions have already been withdrawn from that city. The Russians thanks to the great victory achieved at Vlodava are able to retreat in good order to the north of that locality. They continue however to inflict heavy losses on the enemy. During this battle the Germans on Aug. 12

lost 12,800 men. On the 13th 4,000, and on the 14th 16,000 not counting 5,000 missing. At Courtland in the fighting between Schoenberg and Friedrichstadt, the Russians by their continual attacks rendered the retreat of the German army more and more difficult.  
 On Memel the German retreat is being carried out in good order. The Russians to the west of Kovno pushed forward 800 metres at Malyzne and in all the wooded parts of Nurzec. The Germans lost 6,000 men.

**LONDON, Aug. 19.**—The Arabic was sent to the bottom by a torpedo from a German submarine. The torpedo struck the Arabic at 9:15 this morning.

**LONDON, Aug. 19.**—The White Star Arabic with 423 passengers aboard bound from Liverpool for New York was torpedoed today by a German submarine south of Ireland. The ship was struck without warning and sank in eleven minutes. There were twenty five Americans on board and at least sixteen are known to have been saved. Out of the total passengers and crew about 375 were saved, so the loss of life is indicated at less than fifty. Many survivors have been landed at Queenstown.
