Moncton Hawks Down Abbies 6-2

Nicklin Clan Go On Scoring Spree To Avenge Two Recent Shut-outs At Hands Of Red Shirts.

MONCTON, Feb. 6.—(C.P.)—The Moncton Hawks sank their talons into the Charlottetown Abbeys in a regular "Big Three" fixture here tonight and carried off the honors in a fast and thrilling game by a 6 to 2 score. The victory pushed the Hawks a full game and a half ahead of the second place Wolverines of Halifax in the league standing, and left the Islanders deep into the cellar. About the only hope the Abbies now have of figuring in the play-off for the league championship, rests on the ability of the Hawks to win the second section of the league, and the Wolves finish in second place.

NEW SCORING RECORD

Tonight's game, which set a new scoring record for a single game in the "Big Three", was 60 minutes of wide open and thrill packed hockey with enough unusual situations to add a special interest to the engagement.

"Hurry" Kane opened the scoring when he flipped the rubber into his own goal in an effort to clear, less than three minutes after the start of play. Dud James was given credit for the goal as it was his slow shot that Kane accidentally muffed, while McManus was credited with an assist for having passed to James from the corner, after drawing the defense.

THE HAWK ATTACK

The Hawk attack broke with a fury in the second period when they scored three times and narrowly missed counting several more. Webster tallied the first goal of the period on a double passing bout with James and McManus. Miller scored the next one by splitting the Island defense after a pass from Webster, and Connolly raced around the defense for the next one. Connolly completed Moncton's scoring in the third period when he crashed through the Island defense and flipped the rubber over Burbar as he fell to save.

Both Island goals were festooned with rabbits feet. Bill Walker, Moncton defense man was responsible for the first one, less than two minutes after Hurry Kane's mistake. Ferguson came down right wing and flipped an aerial pass across in front of the goal. The puck struck Walker on the arm and rolled down his body, gliding into the net. Ferguson was credited with the goal. Beaton scored the last Abbie goal when he was left unmarked following a face off. He was off-balance when he shot and the rubber slid along the ice, but caught Foster unawares and slid over the goal line.

A MIGHTY TEAM

The Hawks were a mighty team tonight. They could do nothing to stop the Abbies as they crashed through the Islanders almost at will. Bill Miller was outstanding and with James, McManus and Connolly seemed a whole team in themselves. Bill Gill drew a ten minute penalty in the second period for bumping into Butler after he had been waved to the penalty box for tripping an Island player. Moncton scored one of their goals while he was absent.

INTERMEDIATE ABBIES TRIM MONTAGUE 2-1

Intermediate Abbies continue their upward climb in the race for honors in the eastern top. Last night "Chick" Williams led his charges to a 2-1 victory over Montague Primroses in one of the hardest fought games played in the busy eastern town.

From bell to bell until the closing whistle it was anybody's game, with the balance of victory hanging by the slenderest thread.

Last night's win gives Abbies three victories in the same number of starts.

year. Members, Senators and the general civil service will receive a horizontal 10 percent cut and judges, army and navy veterans and Royal Canadian Mounted Police will pay an extra 10 percent income tax.

DEBT REDUCTION

OTTAWA, Feb. 6.—(C.P.)—Discussions have been carried on for some time between the Dominion and the provinces "looking to some arrangement which would give a lead to the people in the matter of a reduction in interest charges."

CENTRAL GUARDIAN

SCHOOL BOARD MEETING — At a meeting of the School Board yesterday a delegation from the Children's Aid Society was received. The matter of establishing a family court for looking after delinquent children was discussed. The question of appointing a new truant officer was further consideration could be given it. A resolution of sympathy was passed in connection with the death of the late truant officer, Mr. L. E. Shaw.

MCCORMICK ESTATE TOTAL DROPS; HOSPITAL SHUT

CHICAGO, Feb. 4.—Because vast estates left by Edith Rockefeller McCormick have shrunk to almost nothing, the Durand Hospital for Research in special diseases has been forced to close.

NORTH SHORE LEAGUE GAMES

The following are the remaining games to be played in the North Shore League: Wednesday, Feb. 8, Baltic vs. Irishtown, Clermont vs. Sea View; Friday, Feb. 10, Stanley vs. Spring Valley, New Annan vs. Kensington Aces; Wednesday, Feb. 15, Kensington Aces vs. Baltic, Irishtown vs. Indian River.

Superiors Lose RIGHT WING Rough Tilt 2-0 ACE OF SUPERIORIS HERE

Wolverines Turn Back Edmonton Team In Hectic Battle—Referees Lose Control Of Play

(Canadian Press) HALIFAX, Feb. 6.—Edmonton Superiors got their first taste of Canadian hockey since their European tour here tonight and it was somewhat unpalatable. Halifax Wolverines, now travelling in second place in the Maritime Hockey League, scored a 2-0 victory in one of the fastest and roughest exhibition games ever played at the local Forum.

Incidentally it was "down home" night. The local boys were making good with a vengeance. Vince Ferguson and Todds Beazley, each of whom had a goal and an assist, learned their hockey on the ponds about Halifax and Dartmouth. Sammy Murdoch, who made his first appearance on the ice this winter also was credited with an assist. He is the old fox of the one-time Maritime champion, Truro Bearcats.

Chummie Lawlor Great The two goals were well earned and came on combination plays. Late in the second period Ferguson took a double pass from Murdoch and Beazley, registering from close in. He skated down the left boards to trick the defence and give Beazley a perfect pass for the second marker.

High sticks, knee-checking, close holding and tripping cropped up in nearly every minute of the game, and the referees lost control in the closing minute when Owen Lennon and Joe Brown tangled with their fists. Ernie Mosher jumped over the boards and sailed in and several other players started to swing. Finally the referees straightened it out. Lennon was given five minutes, while Joe Brown and Mosher were ignored.

Tripping was frequent, with the Edmonton defence the chief offenders. This type of play, the Superiors say, is not penalized as strictly across the water. Slashing, high sticks and holding were in evidence. The Wolverines were also at fault, roughing the visitors up considerably in the last period.

Hockey Playe Killed By Puck

Blow Near Heart From Fas Shot Claims Life In Game At Roseisle, Man.

ROSEISLE Man., Feb. 6.—Grim tragedy took part in a hockey game here when George Green, 26, local player, was killed by a flying puck. The case is believed unprecedented in the history of the game.

Struck below the heart by the whizzing projectile, Green skated only a few strides before he fell backward on the ice.

Nurse Armstrong, one of the spectators, worked desperately over the stricken player. She tried artificial respiration for more than an hour, but to no avail.

Up to the dying minutes of the second period, the game was no different than any other friendly hockey contest. Plenty of Roseisle fans were on hand to cheer their favorites on to victory over Miami.

Then death crawled over the boards. A Miami player shot. Green thrust himself in the path of the flying puck. It hit him on the chest. He halted momentarily, then began to skate. Advancing only a few feet, he suddenly stopped, swayed and then crashed to the ice.

According to medical belief, the man who skated those last few strides was dead practically from the time the puck struck him.

Not realizing that anything more than an ordinary hockey injury had occurred, players and spectators momentarily took little notice as Green lay motionless on the ice. They expected him to rise to his feet. He did not rise. Then his teammates rushed to his assistance. Nurse Armstrong took a hand, but her efforts brought no response.

Declares Death Instantaneous Rush calls for doctors brought no results until almost midnight, when Dr. McGavin arrived from Carman. He said that death had resulted from shock to the heart. Death had been instantaneous, he declared. No inquest will be held.

Scrap Metal Rails For Japan

TORONTO, Feb. 6.—Rev. Dr. H. J. second consignment of scrap rails for Japan is being loaded on Canadian National Railway cars at Moncton. The first consignment consisted of 4,750 gross tons of fifty to seventy pound section scrap rails. The present consignment in addition to rails will contain other scrap metal making a total of approximately 6,000 tons.

It will be loaded on a Japanese vessel at Saint John, N. B., which is due there about February 9th. The previous consignment was also shipped through Saint John. The purchase of the scrap metal has been handled through a Montreal dealer.

S'ide Curling

A very close and interesting match was played in the Summer-side Curling rink on Saturday between the Harris Sluggers and the Hill crowd. The games between these two teams are creating a good deal of interest as all are good curlers. Mr. W. E. McDonald as captain of the Hill team won by one point.

Following is the score:
Harris Sluggers Hill
M. M. Bell M. L. Bradshaw
E. P. Foley A.B.L. Horne
R.S.P. Jardine J.H. Prichard
A.E. Harris W.E. MacDonald
Skip 13 Skip 14
Hill 211 000 021 101 014 0-14
Sluggers 000 311 200 020 100 3-13

HOCKEY

The West Kent School sextet took a 3-0 verdict from the Kensington School team in the latter's rink, Saturday afternoon. The Charlottetown boys scored two minutes after the game had started, when Rattenbury took a pass from Cudmore to fool Champion, whose quick shift to the off side of the cage allowed the disc to dent the twine at the inner corner. The front line of Cudmore, Darrach and Rattenbury flashed some particularly nice combination during the early minutes of this period. The home boys seemed lethargic and unable to get anywhere during the whole first frame and the visitors had a decided edge on the play, but could not add to their one-goal margin.

The middle period, though scoreless, was productive of the best hockey of the game. The Kensington boys out-skated and out-played their rivals for fully three-quarters of the period, the rushing of Cousins being conspicuous. But their attack, though spirited, lacked the co-ordination that produces goals, and they failed to score. During the last five minutes the West Kent boys again struck their stride and much of the play was behind the home blue line. The defence work of Lockhart was responsible to a considerable extent in keeping the visiting forwards from swarming all around the Kensington net.

The score remained 1-0 until more than half the final period was played, when Kensington sent four men up in an attempt to draw up on even terms with the visitors. Johnson, West Kent centre, pounced on a loose puck half way between the blue line and the net, eluded one defenceman, and beat Champion from close in. One minute before the bell rang, Rattenbury broke fast from his own blue line, leaving four Kensington players flat-footed, circled the remaining outer guardsman, and sent a pretty shot into the meshes.

The West Kent defence stayed behind their blue line for the most part, leaving most of the attacking to their forwards. The Kensington rearguard, on the other hand, did considerable rushing. The lineup:
West Kent:—Goal, Price; Defence, Burgoyne, Simpson, Higgins; Forwards, Cudmore, Darrach, Rattenbury, Johnson, Saunders, Jones.
Kensington — Goal, Champlon; Defence, Lockhart, MacFarlane; Forwards, Cooke, W. Higgins, Cousins, Hogg, Bonness.
Referee—Orville Darrach.—K.

They had dined well, and were riding home in a street car.
First Man: "What time is it?"
Second Man: (after extracting a match box from his pocket and gazing at it intently: "Thursday."
First Man: "Heavens, Then I've got to get off here."
