

**EVER SINCE**

We have been in the grocery business for over 20 years and we have made a specialty of good coffee. Our customers are not only satisfied with the quality of our coffee but they tell us that it is what they tell their friends and when their friends try it they talk about it too. Now coffee must be mighty good when everybody keeps on talking about it. If you find that everything you heard about it is true.

**ROYAL STEWART FLOUR**

This is the best flour for general family use that we have handled for years. Having a large proportion of Manitoba No. 1 Hard Wheat in it gives it great strength and it will take more water in mixing and go much further than ordinary flour.

Besides making first class loaf bread it will also make the finest and whitest pastry.

Give it a trial when you want another barrel of flour and you will be both pleased and satisfied with it.
