SUNDAY ALMSGIVING AND PRAYER. February 6. Matthew 6:1-15.

GOLDEN TEXT. "Take heed that ye do not your righteousness before men, to be seen of them."

FOUNDED SUGGESTIONS. By Rev. D. W. Snider. The first great lesson for those to learn who would attain to Christian perfection...

It is never hard for those who go about it, to find ways and means of drawing attention to themselves. A common course to pursue is that of perversion—the putting into selfish and wrong uses those things which have been designed for other and right purposes.

AFTER DOCTOR'S FAILED

Lydia E. Pinkham's Vegetable Compound Cured Her.

Toronto, Canada.—"I shall endeavor to describe to you how I felt before I began taking Lydia E. Pinkham's Vegetable Compound. I scarcely knew what I had a awful bearing-down pains and usually before my monthly periods I suffered terribly and had to go to bed. I was not able to walk across the floor the pain was so bad. I doctored for a long time, but the doctor's treatment did not do me any good. I gave up all hopes of ever being well again until one day my husband saw the Compound advertised in the paper. He decided to get me a bottle, and I am thankful he did. I had not taken one bottle before I began to feel better, and I kept on taking it until now I am a different woman. It also helped me during maternity and childbirth. I can thoroughly recommend your Vegetable Compound to any woman who is afflicted with female troubles."

DR. MORSE'S INDIAN ROOT PILLS. The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from displacements, inflammation, operation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

THE MORNING PAPER.

Some Reasons Why it Makes The Best Advertising Medium. A woman's curiosity to know about society, marriages, births, deaths, forces her to read it.

The Morning Paper is before her all day long, and it is she who is doing her household duties, arranging and improving the appearance of her home, that the missing and necessary articles of furniture, rugs, carpets, curtains or other necessities, show up the plainest, and there could be no more opportune time for a dealer to tell about the new goods, the new styles and the bargains offered for reading matter, and the long, all-the-day or week.

In a majority of homes the new-day life from 5 a. m. to 10 p. m. of The Morning Paper gives not only the housewife but every member of the family an opportunity to read it.

The Morning paper is read at the breakfast table, again at home at noon, on the trains, in the restaurants. It is read in doctor's offices, professional offices, clubs, hotels, cafes, barber shops. It is read by daylight everywhere you go by both employer and employee.

It is a known fact that throughout the world, possibly with a half-dozen exceptions, the paper with editorial influence and national reputation are Morning Papers.

With these facts in mind, the business man who is looking after the money-spenders of the family to interest in his goods will consult his paper as practically the bulk of the best interests by placing his announcements where the women will read them.

Regular Habits An Absolute Necessity For Good Health

You might as well expect to find a man or woman healthy with constipated bowels as to find a city healthy when its sewers are blocked with refuse. Nature demands that the indigestible food and waste matter which collects in the lower bowels shall be got rid of at least once in twenty-four hours. If this is not done it decomposes, filling the bowels with poison, which is taken up into the blood and carried all through the body.

Naturally, this poison affects the work of every organ. The liver is deranged, digestion is upset, and biliousness, headaches, lassitude and dizzy spells follow. Literally millions of people suffer these results of constipation without realizing the cause, or doing anything to remove it. Yet it can be removed, easily and with certainty, by using Dr. Morse's Indian Root Pills.

Take, for example, the case of Mr. George Andrew, Halifax, N.S., as he himself describes it: "For many years I have been troubled with chronic constipation. This ailment never comes single handed, and I have been a victim to the many illnesses that constipation brings in its train. Medicine after medicine I have taken in order to find relief, but one and all left me in the same hopeless condition. At last I read about these Indian Root Pills. That was indeed a lucky day for me, for I was so impressed by the statements contained therein that I determined to give them a fair trial. They have regulated my stomach and bowels. I am cured of constipation and claim they have no equal as a medicine."

Dr. Morse's Indian Root Pills were first taken to cure constipation nearly a hundred years ago, and during the last half century they have been very extensively and very successfully used throughout the world. They are entirely vegetable in composition and do not sicken, weaken or gripe like mineral purgatives.
