## Fewer Workers Than Expected From Nfld.

WASHINGTON, July 30 — (CP) —Recruiting Newfoundland workers for Eastern United States dairy farms has fallen short of the 1,500 objective set last spring and there will be no more workers signed up after Aug. 1, it was learned today from the War Food Administration.

By Aug. 1 it is expected about 1,100 workers will have been brought from Newfoundland and reports so far have proven the venture to have been a valuable experiment.

But volunteers for the project have fallen off so sharply in Newfoundland, where alternative work proved too much competition, that the W.F.A. office in St. John's will be closed Aug. 1.

Most of the workers were single men but there were a number of married couples. No children were involved in the movement which aimed to get year-round workers for American farmers.

The Newfoundlanders were allotted to farms in Maine, New Hampshire, Vermont, New York, New Jersey, Rhode Island, Connecticut, Massachusetts, Pennsylvania and Delaware.

Some of the Newfoundlanders became homesick and were repatriated and others were sent home for other reasons, but in the majority of cases the farmers were highly satisfied and there were openings for all that could be brought in.

The transplants were guaranteed a minimum of $65 a month with room and board, but in most cases the compensation was higher, an official said.

## W. I. District Convention at Mount Stewart

The eighteenth annual District Convention of the Women's Institutes of Mt. Stewart, Pisquid West, Cherry Hill, Head of Hillsboro, Glenroy, Fanningbrook, and Pisquid East was held in Mt. Stewart, Legion Hall, July 18.

The president, Mrs. Arthur MacLauchlan, capably presided and the meeting opened by repeating the "Creed" in unison, followed by singing the Institute Carol.

An appropriate address of welcome was read by Mrs. James McDonald, Cherry Hill Institute, which was fittingly replied to by Mrs. Lester Jay, Fanningbrook.

The minutes and financial statement were read and declared adopted.

After the reports of the various Institutes were read, Mrs. Watson Jay, Fanningbrook, gave a ukelele solo which was much enjoyed and heartily encored. A letter of thanks (from England, for a quilt) to Miss Thelma Jay was read by the secretary after which each Institute gave account of Red Cross work. The following nominating committee was then appointed, Mrs. Roy Leard, Mrs. Patrick Kelly and Mrs. Lester Jay. After the Roll Call of the various Institutes, the meeting was favored with an address by Father Vincent Morrison, Savage Harbor. A hearty vote of thanks was tendered Father Morrison. The following list of officers for the ensuing year was then announced:

President, Mrs. James Aitkens; vice-President, Mrs. Oliver Jay; secretary, Mrs. James McDonald.

A pantomime was given by the Head of Hillsboro Women's Institute. A collection was taken which amounted to $4.67. Step-dancing by Miss Joyce Jay, Mt. Stewart, was greatly enjoyed and heartily encored. An amusing dialogue was put on by Fanningbrook Institute.

Miss Hazard, supervisor, then gave an interesting and instructive talk on quilt-making. She brought many samples of work and gave quite a few tips on quilting. A hearty vote of thanks was tendered Miss Hazard.

Program committees were appointed in each Institute. Six quilts were exhibited, which were judged by ballot by a committee of two from each Institute. The vote was won by Head of Hillsboro Institute, the prize being a War Savings Certificate. After closing the meeting with the National Anthem, a lovely luncheon was served by the Cherry Hill Institute.

## Boys Life Saved; But Horses Drown In Ferry Mishap

Tragedy was narrowly averted yesterday morning when a seven year old boy was rescued from the Hillsboro River through the prompt action of a passenger on the S. S Fairview.

The boy, Delbert Muirhead, was with his father, Howard Muirhead, of Canoe Cove, sitting on the seat of their truck wagon loaded with potatoes and turnips as the ferry approached the slip on an early morning trip from Rocky Point. The team of horses hauling the wagon became frightened and backed into the chain at the rear of the boat.

In some unnaccountable manner the chain slipped and the wagon went over the stern of the ferry, carrying the horses and child with it. The father jumped or was thrown clear to the deck. At the time of the mishap the Fairview was about fifty feet from the slip and the crew were preparing to dock.

The wagon and team sank immediately and did not reappear, but the box, losing its load, floated upside down and the boy climbed on top of it. Douglas Gordon, son of J. P. Gordon, an automobile passenger on the ferry, heard the boy's cries and after getting out of his clothes dived off the ferry and swam to him, reaching him in time.

Also hearing the cries was Weldon Taylor, operator of the cabin launch owned by the Island Development Company. He called to deckhand Neil MacEachern and they immediately tossed the lines aboard and went out for the boy. Mr. Gordon had him held safely and the launch crew took them aboard and headed back for the Railway Wharf. The launch, named Elizabeth, is used by the Island Development Company to transport crews to the oil well near Governor's Island.

Mr. Muirhead stated he had just unhitched the horses from the ring on the side of the ferry and climbed to the seat when they suddenly became scared and started to back. He valued the team at approximately $300, the wagon at $50 and thought the load of potatoes and turnips was worth about $20.

## Made Fainthearted Attempt At Suicide

ROME, July 29—(AP)—Hysterical and fearful of being handed over to the Allies, Benito Mussolini made a feeble attempt at suicide last Sept. 12, a reliable informant said today, by slashing a wrist with a razor blade.

The half-hearted attempt was made a few hours before Mussolini was freed from the hotel Campo Imperatore by German parachutists, said the informant who requested anonymity.

This was the story told by the informant:

"On Sept. 12, about 3 a.m., Carabinieri who were at Mussolinis disposal . . . hurried to the superior and told him that Il Duce was almost hysterical. The officer ran to Mussolini's room and found him standing up. One wrist was cut and blood had stained a pajama sleeve. Mussolini held a razor blade

"I am tired of living,' Mussolini said. He handed the officer a letter in which he had written that he wished to end his life. The officer treated the cut, calmed the Duce, and without much difficulty, persuaded him to return to bed."

The Winstanley Sisters, Sylvia (left) and Iris, both non-commissioned officers serving Overseas in the Canadian Women's Army Corps, are originally from Kirkland Lake, Ont. They were in England when war came and joined the women's army in 1943. After the war they plan to return to Canada.—(Canadian Army Overseas Photo).

## Four Injured In Accident On Highway

Four people are injured, one seriously, in the Prince County Hospital as the result of a head-on collison between a gravel truck and a coupe car. The accident occurred late Monday evening on the Mill Valley Road about two and one half miles from Freetown.

The injured are: Mr. and Mrs. James Gallagher, Margate; Mrs. Gallagher's sister, Mrs. Eric Campbell, Charlottetown; and their brother Master Wayne Hughes, nine years old of Kensington who is the most seriously injured. He has a compound fracture of the skull and head lacerations. Mrs Gallagher has a broken leg, a fractured jaw bone and several fractured ribs. Mr. Gallagher and Mrs. Campbell are both badly bruised and cut.

The driver of the gravel truck, Clifford Francis of Freetown, was uninjured; his truck was loaded with sand at the time of the accident which occurred on a curve of the road. The coupe car is almost completely wrecked and the front of the truck is badly smashed.—S

## Gives Outline Of Physical Fitness Program

Major Ian Eisenhardt, director of physical fitness for Canada, delivered an address last night on national physical development in the Legislative Chamber. Premier J. Walter Jones presided.

The speaker outlined the national program making clear that the aim sought was not the same as that which had inspired the Hitler Youth movement in Germany. The fact that both the Premier and the Leader of the Opposition, the Hon. Dr. W. J. P. MacMillan, O. B. E., were behind the movement augured well for its success in this Province, the speaker said. The fact, Major Eisenhardt continued, that Germany and Italy required twenty years to bring their youth to a high standard of physical fitness shows that no one should expect immediate results in Canada of any physical movement but he was confident that great changes for the better in the all round development of Canadian youth would necessarily follow.

Among those who spoke in approval of Major Eisenhardt's address were the Rev. R. V. MacKenzie, rector of St. Dunstan's University, Mrs. K. S. Rogers, Messrs. K. M. Martin, Gordon Bennett, Samuel Doyle, Mrs. Fred Gates, L. B. McMillan, Hon. Dr. W. J. P. MacMillan, W. E. Bentley, K. C. W. S. Scantlebury, Col. K. S. Rogers, Hon. Wade Hughes, J. W. Boulter, Hon. G. H. Barbour, Lloyd Shaw, director of Education and Wellington Dixon.

**PICTURE OF SISTER BRINGS MEMORY BACK**

OMAHA, Aug 1. —(CP)— Lieut. Adrian Schultz, 26, injured while piloting a Liberator bomber in England last January did not know who he was for more than four months. Shock and head injuries caused complete loss of memory and he learned to speak English again with a British accent.

His identity established through military records, Lieut. Schultz was returned to this country in the hope that old associations would bring back his memory. One day he opened a letter and recognized the picture of his pretty, little sister, Joann, 16, of Omaha. His memory began to return.

Because he spoke with a marked British accent, his family at first had difficulty understanding him.

## Rev. J. T. Ibbott Accepts Call To St. Paul's Church

Rev. J. T. Ibbott, for the past five years rector of Trinity Church, Halifax, has accepted the call to St. Paul's church, Charlottetown and will take up his new duties October 15th He succeeds Rev. A. LeDrew Gardner.

Rev. Mr. Ibbott's departure will not only be a great loss to Trinity but to Halifax. Since coming from the Diocese of Fredericton Rev. Mr. Ibbott has been very active in church affairs as well as all good undertakings in the city. He was secretary of the Kawanis Club for the past two years. From 1924 to 1930 Rev. Mr. Ibbott was curate at St. Paul's church under the late Archdeacon Armitage.

Trinity church has progressed well during the pastorate of Rev. Mr. Ibbott and a start has been made to pay off the mortgage on the church as well as toward the installation of a memorial window to those who made the supreme sacrifice during 1914-18 as well as this second Great War. The church will in a few weeks undergo a complete transformation inside and out. The choir just recently robed.

In announcing his resignation from Trinity at morning and evening services on Sunday Rev. Mr. Ibbott expressed his gratitude for the fine way he had been treated by Trinity church Corporation and congregation and read a portion of his letter to His Lordship, the Bishop Rt. Rev. F G Kingston, to indicate his esteem of Trinity Church.

## Maj. Eisenhardt Speaks At S'side

"The Scandanavian countries have no 'Old Home Week' unless their youth is on display. They just don't bring in their cows and pigs, etc. They see to it that their young people are looked after, and they have their demonstrations of community sports, drama, etc." said Major Ian Eisenhardt at the luncheon of the Summerside Rotary Club yesterday, held in the Olympia.

Major Eisenhardt is director of the National Council for Physical Fitness for Canada and was introduced yesterday by Mr. Lloyd Shaw, director of Education for Prince Edward Island.

This physical fitness program has been inaugurated by the Dominion Government and will be administered through the Provinces. In this Province it will come under the direction of Mr. Shaw.

Major Eisenhardt explained the great need for this program in Canada and gave facts and figures to show the low average of health all over the country. He expressed the hope that the Summerside Rotary Club would take the lead in this town in a community program to raise the standard of health and culture among the people.

Mr. W. E. Darby, President of the Club who presided expressed the thanks of the club for the address and said that in the Summerside Youth Centre Inc. a start had already been made. Two playgrounds have been set up and equipment ordered. He said that the Rotary Club would always be behind it in every way possible. —S.

**MARIE WM.S. RALLY**

A rally of the Women's Missionary Society was held in Marie United Church, Monday, July 24.

In spite of the busy season, a good representation was in attendance and the roll call was responded to by the following organizations — York, Mount Stewart, Marie, St. Peter's Bay, Marshfield and Dunstaffnage.

The afternoon program opened with an inspiring devotional period conducted by the Mount Stewart Society. The leader, Mrs. A. Coffin, was assisted by Mrs. L. E. Jay, Mrs. M. Pigot and Mrs. F. Jardine.

The visiting societies were heartily welcomed by Mrs. Russell Webster and replied to by Mrs. Darroche.

The chair was occupied by Mrs. J. A. Nicholson, who welcomed to the rally Mrs. Kimball Webster, a former president of the Marie Society and Mrs. E. W. Aiken, St. Stephen, N.B.

An interesting item of the afternoon program was an account, given by Mrs. Wilbur Webster, of the formation of the first Women's Missionary Society in Marie in the year 1913.

Many useful suggestions were passed on to the members by means of the question box, under the direction of Mrs. Darroche.

At the close of the afternoon meeting, lunch was served in the Marie Hall.

**Evening Session**

The evening program was opened with a devotional service under the conduction of the St. Peter's Bay Missionary Society. The theme of worship was "The Kingdom of God."

The leader, Mrs. D. W. MacPherson, was assisted by Mrs. A. MacPhee, Mrs. W. Anderson and Mrs M. Waye.

Following the worship service the report of the Resolutions Committee was read by Mrs. Ferguson. Interesting readings followed by Mrs. Darroche on "The Most Out of Life" and "How to Use the Bible".

Mrs. J. A. Nicholson was the guest speaker of the evening and chose for her topic, "Choosing Something Great and Standing For It."

She illustrated her address with examples of numerous men and women who chose something good or bad in life and stood for it but those, the fragrance of whose lives still remain giving hope and courage were dedicated to some good and great cause.

The Marie choir led the service of song and rendered the anthem "I Heard the Voice of Jesus Say". Solo parts were taken by Mrs. J. Cobb and Mr. D. Samson.

## Killed in Accident

LAC. William Godfrey Leard

A telegram received by his parents conveys the sad news that LAC. William Godfrey Leard lost his life in an aircraft accident at Labrador on July 6.

He was a son of Mr. and Mrs Russel Leard of Fortune Cove where he was born twenty-three years ago.

After completing Grade X in his home school he attended Prince of Wales College for two years. Later he was employed with the Charlottetown Branch of R. T. Holmar Ltd.

In August, 1942, he enlisted as a Wireless Operator with the RCAF and began his course Nov. 1 of that year in Saint John graduating from No. 1 Wireless School, Montreal in July, 1943. He was then posted to Halifax and afterwards to Goose Bay where he spent 8 1-2 months. He was coming out for his leave and was on the transport plane that crashed there shortly after taking off. As he had been eagerly looking forward to getting home for his furlough his untimely death came as a great shock to his family and friends.

Bill's quiet dignity and sterling Christian character won the respect and esteem of his associates wherever he was. Fond of athletics, he was a member of Holman's hockey team while employed with that firm.

There are left to mourn his sorrowing father and mother, also three brothers, Earl, student pastor at Kelliher, Sask., Kenneth and Gordon at home, also an aunt, Mrs. Artemas Cameron, who was very near to him, having been a member of the household during the years he lived at home.

The remains were interred in Labrador on Saturday, July 8.

**JUDSON—BEEK WEDDING**

NEWCASTLE, N. B., July 30—A wedding of interest was solemnized recently at Bethel United Church, Millbank, when Rev. F. E. McPherson united in marriage Miss Eunice Amanda Beek, youngest daughter of Mr. and Mrs. James Beek of Ferry Road, and William Dewar Judson, son of L.-Cpl. and Mrs. Ralph Judson of Charlottetown, P. E. I. The church was decorated with summer flowers and the guest pews were marked with tiny bows of pink and blue ribbon. Mrs. Charles Johnstone presided at the organ and Cpl. Malcolm Brown was guest soloist.

The bride, given in marriage by her father, wore a street length dress of queen's blue, with shoulder-length veil which fell from her small hat of matching flowers. Her shoes and gloves were of white kid and she carried an arm bouquet of American Beauty roses. She was attended by her sister-in-law, Mrs. Eldon Beek, as matron of honor, who wore a street-length dress of summer beige with contrasting doll hat. Her bouquet was of snapdragon and yellow roses. Eldon Beek, brother of the bride, was groomsman. The ushers were Perley Beek, George Jessiman and Stanley Rushton.

Following the ceremony a reception was held at the home of the bride's parents. The bride's table was covered with a three-tier wedding cake, surmounted by a miniature bride and groom. Friends of the bride served.

**BRAWNY SAILORS GET HOME TOUCH**

ABOARD ASSAULT TRANSPORT AT SAIPAN, Aug. 1 —(CP) — Brought aboard for medical attention during the initial stages of the assault on Saipan, a native-born 20-year-old girl and her 10-day-old son won the hearts of everyone aboard. Both had brawny sailors stumbling over one another to wait on them.

Doctor were in a dilemma as how to feed the baby. A barrel-chested, tattooed cook suggested a can of milk from his galley. A pharmacists mate tried his hand at fashioning diapers. Coast Guards-men stalked along on tip-toe in their clumsy work shoes and a Marine guard was posted outside the stateroom to keep away the curious including the ship's mascot, a small dark dog named Skipper.

There was an air raid alert shortly after the guests came aboard. The dog barked and the baby cried. The mother "shushed" her. Amidst the din of the clanging battle alarm, a lanky bos'un's mate turned to a companion and wistfully remarked:

"Just like home, ain't it?"
