Beavers Score Seven Goals In Overtime To Trounce Volants In Opener 7-5

SAINT JOHN, N. B., March 19 —(CP)—Scoring almost a goal a minute in overtime, the powerful Saint John Beavers overwhelmed Hull Volants 11-5 Saturday night in the opening game of an Allan Cup first round series. The second contest will be played here tomorrow night, with Beavers favored to repeat their win before the teams move west for the remaining match or matches in the best of five series.

The Maritime Champions had an edge in play until the last half of the third period, when Volants spent themselves in desperate efforts to tie the score at 4-4. Gerry Lowrey, veteran winger finally succeeded, unassisted, with less than two minutes to go.

But the drive took costly toll of the Ottawa and District champions' energy. Badly tired, they were impotent in the ten-minute overtime period while Beavers scored seven goals almost at will. In this session the visitors were no match for their fast-skating opponents, who left the Volants standing still and frequently tallied from faceoffs.

Baird soloed for the first overtime goal in 40 seconds. The others all assisted, were shot by Kelly at 1.45, Phillips at 4.00, Russell at 8.10. Hull tallied the last goal of the night, Devine helping Sabourin at 8.45. Sabourin was in the penalty box when Gulliver made his first overtime goal.

The first period ended 2-2. Phillips, who played an outstanding defensive and offensive game for Saint John, opened the scoring. Larocque and Cholette tallied for Hull and Russell shot the equalizer. Baird counted the only second period tally. He repeated in the third, Cholette followed with one for Volants and Mowrey made overtime necessary with his equalizer.

The game lacked the fireworks seen here when Beavers defeated Sydney Millionaires for a place in the Allan Cup playdown.

Assoc. Has Full Control Of Games

The spectacle of a Dominion hockey championship in Charlottetown is in truth a rare event. On Tuesday and Thursday nights such contests will be waged between the Royals, Maritime junior champions and the Blue Wings of Perth, Ont., leaders of Ottawa and Ottawa district leagues. On only one other occasion have our sport followers been privileged to view the stirring battle on the way to possession of the Memorial Cup, emblematic of Canadian leadership.

The games are being staged and conducted in every detail by the Canadian Amateur Hockey Association. For such contests other cities have been clamoring and for a while there was fear that other larger centres might lure these games from our own hockey followers.

The C.A.H.A. act very generously with winning clubs which have to travel. Thus, if our own Royals are the winners in the coming struggle, the club will travel by Pullman with lower sleeping berths. Each member will in addition be allowed $6.00 per day while in transit, and $8.00 per day at the site of contest. Generous allowances are made for skate-sharpening, sticks, taxis and other incidentals. It will readily be seen that the C.A.H.A. assumes heavy financial obligations in fully defraying all expenses of many teams across Canada in their quest of hockey's highest honors.

For the local games this week the C. A. H. A. have appointed Messrs. Hedges and Moore, two well-known and efficient Ontario referees, who will arrive here on Tuesday night. Timers and goal judges have also been authorized. Mr. Hanson Dowell, President of the M.A.H.A., will come here Tuesday night to supervise the games.

The prices originally set by the C.A.H.A. were considered too high by local authorities, but the governing body pointed out the high costs in the conduct of the series. After vigorous protests by local officers, considerable reduction from the original figures was obtained. The following final wire respecting the C. A. H. A. scale of prices is published for the information of the public. The C. A. H. A. had previously requested a seating plan of the rink.

Following is a copy of the wire received:

The SNAPSHOT GUILD

PICTURE TRIMMING

Trimming improves many pictures. Select best part—have it enlarged, with remainder masked out. One picture may contain many, as sketches at right show. Experiment with your pictures, find composition you like best—then enlarge.

THE effectiveness of a picture often depends on its proportions in relation to the natural composition of the subject. Snapshots made with the same camera are necessarily the same shape—but that does not mean that the exact proportions produced by the camera are the best for each picture.

Sometimes a picture will look better if portions on the sides are trimmed away, leaving a long, narrow panel. In other cases, a vertical picture may be improved if it is trimmed down to a horizontal shape. And often, a picture is best if it is cut almost square.

Don't accept your pictures just as they come from the camera. Try this. Cut two L-shaped pieces of white cardboard, and use them as movable masks over your prints. Move the two L-masks about, excluding various parts of the picture, and experimenting with different shapes. You are likely to find one shape which is just right for the subject. And you may find that there are two or three attractive, well-composed pictures in one not-so-good snapshot.

Frequently, you will find that the "heart" of a picture—the real picture—is just a small part of the whole. In that case, trim out the essential part, and have an enlargement made, using it as a guide.

Generally, a subject with strong horizontal lines, such as an open landscape, calls for a horizontal picture. On the other hand, a picture with strong vertical lines, such as a forest scene with tall straight tree-trunks, calls for a vertical picture. Watch this point when you are taking snapshots. If a subject is best suited to a vertical picture, hold the camera in the vertical "taking" position. Again, if the subject looks best in a horizontal composition, take it that way. With this method you will not need to trim your prints so severely to make them perfect.

Often, by trimming to a different shape, the whole atmosphere and "feel" of a picture can be changed. Try it—and when trimming brings out a really outstanding picture, have an enlargement made so that the picture can be enjoyed in a more comfortable, easy-to-view size.

Gerard Cote Wins Medford Club Marathon

MEDFORD, Mass., March 19—Forced at times to dodge snowdrifts during the 20-mile plod, Gerard Cote, 25, of St. Hyacinthe, Que., won the eighth annual North Medford Club marathon Saturday as Johnny Kelley, of Arlington, a five-time winner, watched from the sidelines.

Cote's time of 1:54:53 was the fastest since Kelley set the record of 1:52:59 in 1937.

The Canadian, who was eighth in last year's Boston Marathon, finished 500 yards ahead o. Jean Berthelot of New York, whose time was 1:57:22

They and Les Pawson, of Pawtucket, R. I., who finished third in 1:58:04, ran together for the first 12 miles. Then Les dropped back with cold legs. At the 14-mile mark, Cote stepped away from Berthelot and was never headed.

Others in the first 10 among 78 starters and 50 finishers were: Walter Young of Verdun, Que., a former Boston marathon winner, 1:59:47, Paul Donato, Boston, 1:-59:56; Honore St. Jean, North Medford, 2:06:07; Mel Porter, New York, 2:07:05; Fred McGlone, of Boston, 2:07:07; Tarzan Brown, Westerly, R. Tony Galento Retains His No. 1 Ranking

WASHINGTON, March 19—Tony Galento retained his National Boxing Association ranking as the no. 1 heavyweight title challenger today, but by a split decision.

The quarterly selections of the rating committee noted that committeeman Joe Triner, of Illinois, voted to leave vacant the no. 1 position which the N. B. A. first awarded to the Jersey heavyweight a year ago. To its heavyweight rankings the committee appended this comment:—

"The N. B. A. neither sponsors Galento nor contends he can defeat Louis. Galento was rated no. 1 a year ago. Galento has not lost since the N. B. A. rates him as the best, on his record, of the current heavyweight challengers."

Bob Pastor of New York was awarded the no. 2 spot. Others in the first 10 in the order of their ranking were Lou Nova, Max Baer, Red Burman, Maurice Strickland of New Zealand, Nathan Mann, Roscoe Toles, Johnny Paycheck and Tony Musto.

The committee recommended the winner of a 15-round bout between Little Dado and Peter Kane, or Jackie Jurich and Eter Kane, be declared world's flyweight champion.

Terry (Tiger) Warrington of Liverpool, N. S., was ranked ninth among light heavyweights with Eddie Wenstob of Edmonton, Alta., 10th.

Former Local Players Enjoy Good Season

Ken McInnis and "Mousey" Dowling, two former local hockeyists, returned to the city Saturday night after a very successful season in the American Association League. Both boys started out with Kansas City Greyhounds but were later shifted to Hibbing, Minnesota, where they completed the season. Both players were high in their praise of the treatment accorded them throughout the season and both have already signed contracts with Kansas City to return next year.

Ivan "Hickey" Nicholson who returned a few days ago was also a member of this same league, remaining with the Kansas City team where he was adjudged as the most likely prospect for the National League by an unanimous vote of the referees in the loop.

McInnis and Dowling, along with other members of the Hibbing team were presented with "hockey jackets" at the end of the season, mementoes which are greatly prized by the boys.

Dowling was a member of last season's junior Abbie team while McInnis, also a former junior player, performed with Reserve, in the Cape Breton League, before migrating to the United States centre.

Toronto Ends Season With Home Victory

(By The Canadian Press)

TORONTO, March 19—A National Hockey League season, marked with some disappointments but many joys for Toronto fans, closed here Saturday night in a manner that pleased them. Their favorite Maple Leafs were victorious, downing the powerful New York Rangers 2-1.

A late second-period to Lynn Patrick proved costly to the second-place Rangers. While the big left winger was serving a two-minute sentence for slashing, the Leafs scored both their goals to overcome a lead the Rangers took early in the first period as Neil Colville scored from close in.

Murphy Chamberlain tied the count shortly after Patrick was banished. He batted the puck past goalie Dave Kerr on a pass from Gordon Drillon as the Leafs sent five men up. Just as Patrick stepped from the cooler, Doc Romnes scored from a scramble as Kerr lay prostrate on the ice.

Only injury of the game came in the third period when Reg Hamilton spilled Cecil Dillon and the right winger slid into the boards. He suffered a severely bruised right knee but Trainer Harry Westerby of the Rangers said he thought Dillon would be ready for the playoffs.

Saints Retain Possession Of Wellner Trophy By Convincing 7-4 Victory

The Wellner Trophy emblematic of Island Intercollegiate hockey supremacy today rests in the corridors of Saint Dunstan's University as the Red and White clad crew skated and passed their way to a 7-4 victory over Prince of Wales Saturday night in the third and deciding game of the series.

Held to a 1-1 score in the first session Saints showed their superiority in the middle canto as they shot four goals without a return from their opponents. Another counter before the first minute had ended in the final period clinched the verdict. P. W. C. came back with a fighting display during the remaining time, but the three goals they shot were not nearly sufficient to overcome the lead the Saints had piled up, the winners sandwiching a goal in between the city team's counters.

Excitement Abounds

But the fans got plenty of excitement and thrills all through the lightning fast and rugged encounter. For the first half of the game P. W. C. were very much in the picture as they held their opponents to a 2-1 score. But with less than three minutes of the middle canto remaining, Saints started to take the upper hand. Three goals came off their sticks before the session had ended and although outscored three to two in the bruising third period that saw seven penalties dished out and the game at time threatening to get out of hand Saints had enough reserve left to hold off the desperate surges that P. W. C. displayed.

Twelve minutes after the start of the game mercury footed Bert Steele put the Saints one up as he was on the receiving end of passes from Grant and Coyle. Less than two minutes later the city team evened the count with hard shooting Doug Saunders beating Connolly on a pass from Sinclair that ended the scoring for the period.

Coyle Leads Attack

Saints won their game and title in the middle canto. Over half of the period was gone when Jack Coyle spear-head of their attack cantered through alone to send his team into the lead. Tiring fast, the losers managed to hold their opponents off for the next five minutes but with only two minutes and 20 seconds of the session left, MacKinnon, Hennessey and Trainor shot goals that sent the Malpeque Road University team into a commanding five-one lead.

Early in the final session the game started to roughen up. After Jack Coyle had scored on a pass from Trainor to send the Saints six-one to the front the boys started to lay it on. At one time both sides were playing four men apiece out nevertheless P. W. C. rallied for two quick goals before the half-way mark had been reached. "Chick" Burnett, smallest man on the ice, barged his way through for the Prince of Wales second goal at the seven-fifty mark; five seconds later Pete Sinclair dribbled a slow rolling shot behind Connolly for his team's third goal. Then, the action really took place. For the remaining time more attention was paid by both teams to body-blasts rather than to hockey but in the final 20 seconds of the game as both squads again managed to be at full strength two goals were shot. MacKinnon accounted for the Saints final goal 20 seconds before the end while Burnett got his second goal of the game unassisted eight seconds before the whistle had ended the game and series.

Lineups:—

S. D. U.—Goal, Connolly; defence, Hennessey, Grant; forwards, Coyle, Trainor, Steele, MacKinnon, McInnis.

Bruins Win In Overtime From Canucks

BOSTON, March 19—The top-place Boston Bruins gained their 36th win of the National Hockey League season tonight as they took the measure of Montreal Canadiens 7-5 in the last game of the regular season by pumping in two overtime goals.

Canadiens fought to come from behind a three-goal advantage rolled up by Bruins in the first period, and they even managed to gain a short-lived lead in the third session. But a third-period penalty to defenceman Walter Buswell that extended into the overtime stretch paved the way for two fast tallies in the first minute of the extra play.

The game, before 10,432 persons, had no bearing on the playoff positions.
