STOCK QUOTATIONS

MORNING STOCK LETTER

(Received over Pitfield and Co's Private Wire)

NEW YORK, June 21 — The important week-end news was the resignation of the French Cabinet. Dow Jones reports that Paris bourse opened firm. Chautemps will attempt to form a new cabinet. London opened quietly but down a little in view of French situation and unsatisfactory labor news from this country. There is no improvement in strike situation of the independent steel companies. Bethlehem Steel, Cambria Plant, has been closed down at order of Governor Earle of Pennsylvania. Five railroad brotherhoods will meet today to proceed with plan to seek higher wages. Brooklyn Manhattan Transit has a dividend meeting today. We would expect a nervous opening and would look on the first thing today to see how well any additional selling is taken.

TORONTO, June 21 — Western Oils — Calgary — Turner Valley royalties which was acidized Saturday afternoon has increased its flow today. The well previously on a basis of 500 barrels daily was flowing this morning at a rate of over 2,000 barrels which is expected to ease off somewhat. Observers agreed, however, that production of crude would be increased substantially by the acidization.

MONTREAL, June 21 — The New York market on Saturday experienced the smallest volume of any session since the fall of 1934. Fluctuations were extremely narrow. Although the Treasurys inactive or sterilized gold fund on June 17 aggregated almost a billion dollars it has been officially stated that no change in its present gold sterilization plan is contemplated. McIntyre Porcupine was fractionally higher, while there was no transaction for Dome. The railroads were the weakest as a group on account of uncertainty over wage negotiations, while steels were slightly lower affected by continuing strike uncertainties. The Canadian markets following trend of New York was almost motionless.

MONTREAL, June 21 — General Motors overseas sales — For month May 7.4 per cent. and for first five months up 5.4 per cent. over corresponding periods last year.

PRICE BROS—Payment of $1,250,000 for sale of surplus timberlands of 1,000 square miles to Anglo Canadian pulp will be made over several years and the amount will help to pay off the 3 per cent. and 3 1-2 per cent. serial bonds.

Grain

(By The Canadian Press)

WINNIPEG, June 21 — Widely fluctuating wheat futures climbed the full five-cent limit for the second time within a week when prices on the Winnipeg grain exchange today soared on reports of rust damage in the United States winter-wheat belt and high temperatures on the Canadian prairies.

Although values reacted from the five-cent gains chalked up last Tuesday, grain traders began a new week by turning to the buying side. Despite dearth in export purchases, southern eastern investment buying sent prices steadily upward with July wheat touching the full five-cent allowable limit near the close. At the final bell futures were July $1.25, October $1.17, 7-8 and December $1.15 3-4.

Coarse grain prices moved sharply higher in sympathy with strength in wheat. All rye futures advanced the full five cents, while oats and barley gained more than two cents. Trading in flax was light with prices gaining 2 1-2 to 3 1-2 cents.

"IT'S GOOD TO GET OUT OF THE 'ALL THREE' CLASS!"

"I'M SO PROUD OF OUR BIG NEW NASH . . . AND IT COST JUST A FEW DOLLARS MORE* THAN THOSE SMALLER CARS!"

Actual photograph of Nash LaFayette-"400" 2-Door Sedan with trunk

Let Mr. H. R. Rich tell you why he got out of the "All Three" class!

"I'd been driving one of the 'All Three' cars. I've no complaints . . . it was a fine car. But with better times returning I wanted to get back in the 'big car' class. The low delivered price on the Nash LaFayette-"400" simply amazed me. Actually it cost me just a few dollars more than one of the 'All Three'."

• • •

All over Canada, people are having experiences like Mr. Rich's. Just take a look at that car in the picture. It's a great big 117-inch wheelbase car. You get a 90 horsepower, six cylinder engine that costs less to run than many of today's smaller cars. You get larger hydraulic brakes, stronger all steel body, extra-wide seats, more headroom, legroom. All this—yet it *delivers* for *just a few* dollars more than the "All Three" small cars.

Get the Nash extra value story today. See the Nash Ambassador Six—a luxurious 121-inch wheelbase car—bigger than cars costing even $300 more. See the Nash Ambassador Eight—one of Canada's real "luxury cars"—actually compares in size with cars costing $100 and $200 more. Let the X-Ray System open your eyes to the real, true facts about all the new cars. See it at your Nash dealer's now.

*For as little as $3 or $4 a month extra you can get out of the "all three" class. The Nash LaFayette-"400" 4-Door Sedan with trunk DELIVERS for just a FEW dollars more than the similarly equipped 4-door sedans of the "All Three" small cars. In many places, the SLIGHT difference in price amounts to just $3 or $4 a month extra on your time payments.

$990 and up ..... NASH LAFAYETTE - "400"; NASH AMBASSADOR SIX; NASH AMBASSADOR EIGHT. Delivered in Charlottetown.
