

Why Cough

Ask your doctor if all coughs are necessary. If not, then why cough? Ask him about Ayer's Cherry Pectoral.

Stop coughing! Coughing rasps and tears. Stop it! Coughing prepares the throat and lungs for more trouble. Stop it! There is nothing so bad for a cough as coughing. Stop it! Ayer's Cherry Pectoral is a regular doctor's medicine for coughs and colds.

Our New "Modern" A. A. Waterman Fountain Pens

we believe are equal in mechanical construction, to the best pen made.

In addition to this they have the following undeniable advantages.

1 They are self-filling, filled in a twinkling.

2 As there is no joint they cannot leak and soil the fingers as many good pens do.

3 The act of filling also cleans the delicate ink channels and prevents clogging.

We have the best \$1.00 pen on the market.
