TIMELY NOTES ON TOPICS CONNECTED WITH Silver Fox and Mink Farming

The Soudack Fur Auction sale of mink held in Winnipeg last week showed good bidding for the ranch mink collection. Most males sold within a range of \$10.75 to \$11.50 and females \$6.50 to \$8.00. A fair number of New York and Montreal buyers were on hand, also local buyers. A good percentage of the Silverblu mink was too highly held to be sold. The collection was also rather ordinary and most average lots of second and third colors ran between \$8.50 and \$11.50.

The Western Canada Raw Fur Auction sale at Vancouver showed 40% of the 15,000 standard ranch mink sold. Extra large and large fair to good quality, dark part extra dark skins brought from \$11.00 to \$13.00 for males, females \$7.00 to \$8.00, secondary types brought about 10% less; 6,500 skins of Silverblu mink were offered and 70% sold. Extra large and large medium and lighter colors brought from \$12 to \$14; females \$8 and \$9, darker type males \$10 to \$11.50, females around \$7, large males seconds fetched \$7 to \$8; females around \$4, and low grades fifty cents; 2,500 skins of Blue Frost mink were withdrawn as prices were not within consignors limits.

One of the largest collections of fisher offered for some time, namely, 225 skins, were 35% sold. Top price was \$85.00. The poorer qualities sold from \$25 to \$35. Otter brought a top of \$24, but most of the skins were sold around the \$14 mark. Ninety per cent of the 15,000 muskrat skins were sold, top price for Alberta was \$2.00. Most of the pelts sold around \$1.40 to \$1.50; 800 silver fox and platinum fox were offered and 40% sold. Select full silvers in A and B grades brought from \$13 to \$17, B and C grades \$11 to \$12, C and D inferior types \$9 to \$10; platinas select types \$20 to \$25; secondary types \$13 to \$18.

Last week we started a short summary of the Record Books of the Silver Black Fox Breeders' Association of Prince Edward Island which was incorporated by act of Legislature in 1915. We concluded with mention of the Willow Hill Ranch, which today is remembered by so many as one of the most successful of all time. It is well authenticated that Lady Evelyn, silver black fox bred by B. I. and S. Rayner from native bred silver black foxes, whelped in 1910 and sold to the Willow Hill Silver Black Fox Company, Ltd. that fall, produced progeny that sold for over \$100,000.

And now we take up the foxes of the famous Magic Silver Black Fox Company, Summerside, P. E. I. The keystone of the foundation stock of this wonderful company was Magic Jacob and Magic Bess. Magic Jacob was a silver black fox bred by

Reverend Mr. Webb is a son of Mr. John Webb of Bloomfield. Her many friends hope that soon there will be a change for the better.

The Easter services on the O'Leary pastoral charge of the United Church were very largely attended and were featured by many young people of the congregation of O'Leary and Bloomfield joining the church on profession of their faith in Christ and by confirmation of their baptismal vows.

Harry Lewis, Alberton, comes next in the registry with foxes bred by W. R. Oulton, Henry Hunter and himself at Alberton.
