### FREDERICTON AND VICINITY

On the evening of December 19th  
while the choir of Fredericton  
church were holding a practice at  
the home of the organist, Miss  
Irene Weeks, the house was invaded  
by the remaining members of  
the church who met to give Miss  
Weeks a surprise party. After Mr.  
Andrew Stevenson had called the  
meeting to order and made a short  
speech, stating the object of the  
visit, Mrs. Reagh Ferris read the  
following address, while Miss Ruth  
Stevenson presented Miss Weeks  
with a beautiful Pyrex Pie Plate  
with silver-plated holder and a  
silver-plated casserole with Pyrex  
lining. The following was the ad-  
dress:

Fredericton, P. E. I.  
Dec. 19, 1931.

Dear Irene:—  
As the Christmas time approa-  
ches, we feel that we cannot let  
the opportunity pass without ex-  
pressing our sincere appreciation  
of your faithful service during the  
past few years as organist in our  
church.  
Your place at the organ has  
rarely been vacant, and when such  
has been the case, we have fully  
realized how much we had learned  
to depend on your talents and how  
much those talents contributed to  
the success of our service.  
Not only in the usual church  
service have you been ever ready  
to help us, but also in other under-  
takings, you have given of your  
musical ability, both with your  
voice, and as organist, and we fear  
that many times we have demand-  
ed of you more than was your  
share, because you were capable  
and willing.

We hope that you will continue  
the good work through the coming  
years, whatever changes may come  
into your life, and that your mu-  
sic may ever be a blessing to our  
service and the work of the Lord.  
We ask you now to please ac-  
cept this gift as a token of our ap-  
preciation.

With best wishes for the season  
and your future prosperity, Signed  
on behalf of the members of Fred-  
ericton Church of Christ,  
Ruth A. Stevenson  
Mrs. Reagh Ferris

Although taken completely by  
surprise, Miss Weeks spoke a few  
appropriate words, thanking the  
members for their kind words.  
Then all joined in singing, "For  
She's a Jolly Good Fellow."

Luncheon was served by the la-  
dies, and the rest of the evening  
was spent in music and pleasant  
conversation. Then all dispersed to  
their homes after singing "Auld  
Lang Syne."

The many friends of Mrs. Frank  
Cutcliffe are much pleased to learn  
that she is improving after her re-  
cent very serious illness.

## The Chew for You

MOTHERS, MIX THIS  
At Home for  
a Bad Cough

You'll be pleasantly surprised when  
you make up this simple home mixture  
and try it for a distressing cough due  
to a cold. It takes but a moment to  
mix, costs little, and saves money, but  
it can be depended upon to give quick  
and lasting relief.

Get 2½ ounces of Pinex from any  
druggist. Pour this into a 16 oz. bot-  
tle; then fill it with plain granulated  
sugar syrup or strained honey. The 16  
ounces thus made costs no more than a  
small bottle of ready-made medicine,  
yet it is much more effective. It is  
pure, keeps perfectly and children love  
its pleasant taste.

This simple remedy has a remark-  
able three-fold action. It goes right to  
the seat of trouble, loosens the germ-  
laden phlegm, and soothes away the  
inflammation. Part of the medicine is  
absorbed into the blood, where it acts  
directly upon the bronchial tubes and  
thus helps inwardly to throw off the  
whole trouble with surprising ease.

Pinex is a highly concentrated com-  
pound of Norway Pine, containing the  
active agent of creosote, in a refined,  
palatable form, and known as one of  
the greatest medicinal agents for severe  
coughs and bronchial irritations. It  
is guaranteed to give prompt relief  
or money refunded.
