ABUNDANCE of presents and fun for the little ones at the bazaar in Kindergarten Hall, on Thursday Dec. 7th.

THE Rev. J. C. Herdman, D. D. McRose, who was a notable convener of the Foreign Mission Committee of the Church of Scotland, died lately, at the age of seventy-four, after a long illness. The Rev. J. C. Herdman above referred to is an uncle of Rev. A. W. K. Herdman, Georgetown.

The many friends of Mr. William J. McAusland of Tyne Valley were very pleased to learn of his success in securing the two hundred dollar Scholarship at the beginning of his senior year at Harvard Medical College. Judging from Mr. McAusland's success thus far, he bids fair to be in the front rank of our Island young men, who have distinguished themselves abroad in the various professions they have chosen.

The flock of thoroughbred Leicester sheep, lately imported from P. E. Island by the Agricultural Society, were disposed of by private sale this morning at Golding's stables, Princess street. The buyers were Messrs. J. F. Watson and W. A. McFate, Golden Grove; S. Creighton and W. Mollin, Silver Falls; J. M. Donovan and Robt. McLean Marsh Road. The sheep brought an average price of ten dollars.—St. John Globe.

A Jubilee meeting of the W. M. S. of the Methodist church was held in the lecture room of the church, Thursday evening, Pro. Andrews was in the chair. The mission band gave scriptural quotations and singing. Mrs. I. D. Hart, the district organizer, read a paper concerning his work, giving facts and figures about the formation of the various auxiliaries in her district from the recent Branch meeting held at Charlottetown. Miss Annie Trueman, read an interesting paper on the French work. Miss Nellie Copp gave a report of Band and Circle work. A well rendered reading by Miss Ogden, a solo by Miss Jean Sprague and a duet by Misses Harrison and Weldon completed the program.—Sackville Post.

Ten calves from the Government Stock Farm were sold by auction yesterday on market square by Mr. John Carter, Auctioneer. The prices realized were good, and Mr. Carter is being congratulated on the success of his first auction, since obtaining his license a few days ago. Following are the purchasers and prices:—R. McC. Stavert, two short horn calves, \$37 and \$41 respectively. Mrs. M. Ross, North Bedeque, one short horn and one Ayrshire \$32.50 and \$30.00. Herbert Leard, three cow head, one short horn calf, \$40. Robert Roberts, Winsloe Road, one short horn calf, \$36.50. W. P. Doyle, Abram's Village, one Ayrshire calf, \$25.50. Alexander McNeill, New Village, one Ayrshire calf, \$26.00. John Campbell, Freetown, one Ayrshire calf \$25.00. James Squarebriges, Miscouche, one Ayrshire calf \$19.50.

THE Baptist church at Eldon, which has lately been repaired, was re-opened with special services on Sunday last. In the afternoon service was held at which Rev. McLean Sinclair of Belfast preached an eloquent sermon, founding his remarks on "The Story of the wise men of the east who came to worship the child, Jesus, bringing costly gifts." Considering the inclemency of the weather the audience consented mainly of those living near the church. In the evening the Rev. G. P. Raymond of Charlottetown, preached an able sermon. Pastor Spurr is very much pleased with the efforts of the people in that locality.

MONTAGUE.—Several changes have been made in the schools since they re-opened in August. Monday the new school on the South Side was opened. Miss Minnie Leith is principal and Mr. John Gillis as her assistant. Previous to this and while the school was undergoing repairs Miss Leith taught in the Temperance Hall. The new school affords better accommodations and is much nicer in many ways. In the First Class school one room has been closed by the removal of Mr. Gillis, and two rooms included in one. This room is still under the careful management of Mrs. B. F. Stewart.—We hope to see the village ablaze with the glare of electric lights before very long as the parties are busy putting in the power. A court of the Canadian Order of Foresters has been started. At its last regular meeting, and the first since organization one candidate was initiated and two propositions received. This is very cheering and we hope to see Bourr Shamrock one of the best on P. E. I. before spring.—Several vessels are loading produce at present. Prices are low and shipping dull.—Sacrament of the Lord's supper was dispensed in the Presbyterian church, Sabbath last, Oct. 22nd.

**Suffering caused by Piles**

is Quickly Ended when **Dr. A. W. Chase's Ointment** is applied

Besides the intense agony caused by the itching, burning sensations of piles, there are other symptoms which produce restlessness and at times excruciating pains known only to the victim of piles.

What would one give to be free of this terrible disease? And yet there is a cure—a positive cure—which does not cost much and is not painful or difficult to apply.

Dr. A. W. Chase's Ointment is, so far as is known, the only absolute cure for blind, itching, bleeding and protruding piles. It gives relief at the first application and affords a perfect cure in the most aggravated cases.

Mr. Isaac Foster, Erieview, Ont., says: "I was troubled with itching piles for two years and could not sleep at night. I was half-crazed and tried everything. Finally seeing Dr. Chase's Ointment advertised I tried it and found it good. After a second application I found relief, and one large box cured me. Have never been bothered since, and I can recommend it to all suffering from the same trouble."

Dr. Chase's Ointment is for sale by all dealers, or Edmanson, Bates & Co., Toronto.
