IN GREAT DISTRESS FROM ECZEMA

Suffered Over Two Years. Grew Thin and Lost Appetite. Cuticura Soap and Ointment Healed.

233 George St., Sarnia, Ont.—"I suffered for over two years with eczema which first appeared in small pimples and broke into red, inflamed sores. They were very itching and when my clothing rubbed against them I was in great distress. I lost my rest at night and was much distressed by the eruption. The eczema was so bad that I grew thin and lost my appetite. My hands, arms, face and various parts of my body were covered with an itching, burning eruption of sores and though I took many common and much recommended remedies they failed to do any good.

"I used Cuticura Soap and Ointment and after about three weeks I was healed." (Signed) Miss Bertha Allan, May 23, 1914. Sample Each Free by Mail With 32-p. Skin Book on request. Address post-card "Cuticura, Dept. D, Boston, U. S. A." Sold throughout the world.
