

FAMOUS FEET

...how they're kept free from corns..

QUEENIE SMITH'S FAMOUS DANCING FEET

"I never have had a corn nor an accident. But if ever either comes—I want protection. That's why I always carry Blue-jay and an accident policy."

So writes winsome Queenie Smith, the star of the musical comedy, "Tip-Toes."

Good old Blue-jay! For 26 years it has been vanquishing corns. The count of conquered toe-calluses runs into the hundreds of millions. A cool and velvety cushion fits over the corn and ends the pain at once. Usually one plaster routs the corn. But even an "old offender" will seldom require more than a second Blue-jay plaster. At all drug stores.
