Girl Guides Association Activities

The following annual report of the Provincial Council of the Girl Guide Association, for the year ended at the recent annual meeting at Summerside:

Guiding in this province seems to have settled down to a firmer base, and a decidedly greater interest is being shown in both Guide and Brownie work, particularly in town Guide companies and one deemer Parish were obliged to close down, owing to lack of Guiders. These represented 75 to 100 children. The energetic Brown Owl mentioned in the Charlottetown report, who had so many Brownies, was obliged to run them in three shifts, is now taking on the Parish, and has one large company running again.

Some older Guiders have returned as Guiders, which is a healthy sign. One former Guider, Mrs. Patterson, held a club for Brown and Tawny Ours.

In October, Mrs. McGuigan, Division Commissioner, Mrs. Cudmore and I visited the St. John's and Brownie Pack was organized, and the Guide Company started again under new leaders. Sister St. Anthony and Sister St. Linus, both teachers in the Stella Marys School, are the Guide Captain and Brown Owl respectively.

Georgetown Company Organized

A week ago, Mrs. Cudmore, Miss Arsenault and I visited Georgetown and organized a Guide Company under the Catholic Women's League. This definitely belongs to next year's news, but I hope to see a very good report of the company in a year's time, as the members of the C.W.L. are most enthusiastic.

On Thinking Day, the joint birthday of the late founder and his wife, Summerside Companies assembled in one hall to hear Miss Holman talk on Thinking Day, and all Guides in the province listened to the special broadcast by H. R. H. Princess Alice, our Honorary President, and the Honorary President, Guides, regularly collect salvage, and have painted signs for its streets which were poorly marked.

The Beesborough Shield, as mentioned in the Charlottetown report,

BUILDING OPERATIONS BELGIN—Mr. Borden T. Myers, well-known local contractor, has started work on the new chicken hatchery and other buildings, the contract for which he secured from the Swift Canadian Co. Ltd. The buildings will be erected on Belmont Street, on ground formerly connected with the old Prince Edward Island Hospital, now a Provincial Infirmary.

TAYLOR PROPERTY SOLD—The residential property of Mr. P. P. Taylor, 61 Grafton Street has reportedly been sold to a motion picture theatre company. The property is 122 by 57 feet. Mr. McKinnon, the owner, has purchased the property of Mrs. W. J. Hyndman on Fitzroy Street.

BEACH GROVE CONCERT—Local talent entertained the members of Beach Grove Training Centre Thursday evening with music and song. Pte. Dmitri Nikiforuk, Russian singer, sang the "Song of Songs" by DeMola and encored with a Russian folk song. Later in the program he gave the audience "When Irish Eyes Are Smiling" and "Dark Eyes." Miss Mary Arsenault sang and tap danced amid much applause. L. Bdr. Pte. Blackett and Harold Gaetz pleased the audience with their work on the electric Hawaiian and Spanish guitars, and Miss Kay Royston sang four numbers which were loudly applauded. Among them were "I'll Be Seeing You" and "Always." Pte. Fran Dugas gave an interesting display of fine acrobatic dancing. Miss Audrey Gillis was the pianist. Lieut. Claude Simson of the Salvation Army War Services acted as master of ceremonies.
