## THE Rogers Farquharson Alaska Blue Fox Co Ltd

### Capital Stock \$25,000

Are you satisfied with letting your money lie idle when you can make it earn 75 to 125 p. c. in 1 year

The Blue Fox Business promises to be a very lucrative one, and in all probabilities will outclass all of the other propositions on the market, as the animals have more to a litter and the prices are rapidly advancing.

This company has in readiness a crop of high class "Alaska" Blue Foxes to stock the Up-To-Date Ranch which is now under construction at Bunbury on the beautiful farm of Mr. Rogers Farquharson.

The estimated financial returns to the investor from 10 p. a. of these foxes is from 75 to 125 p. c. in one year, as they have from 8 to 12 to a litter, and putting it down at a very conservative estimate at 5 foxes to a pair, which would mean 25 p. a. at the market price to day at \$1,500 per pair for breeding purposes. This you will readily see will net a large dividend to the shareholder.

The Company is Capitalized at \$25,000, of which \$15,000 has already been subscribed, and \$10,000 is now offered to the public at \$100 per share, par value. Payment of 20 p. c. with application, and the balance on the 1st September. For full particulars apply to any of the following Provisional Directors.

Mr. George J. Rogers, President, Charlottetown.  
Mr. Rogers Farquharson, General Manager, Bunbury P. E. I.

### Twice Proven Cure for Nerves

Irritable, Hysterical, Sleepless, Dr. Chase's Nerve Food Restores Health.

There is a message in this letter for thousands of women who are suffering from broken-down nervous systems. Sleepless nights, much irritability and nervous sick headaches are among the symptoms.

You may not realize the nature of your ailment, until nervous prostration comes upon you. But, in whatever stage you find yourself, Dr. Chase's Nerve Food is ready to help you.

Mrs. W. J. May, 88 Annette street, Toronto, writes: "Some years ago I suffered from nervous trouble, and took Dr. Chase's Nerve Food, which completely cured me. About six months ago I received a shock which again shattered my nervous system to such an extent that I was irritable and hysterical, and could not sleep. I began to use the Nerve Food again and was not disappointed. Improvement was apparent from the first box, and now I am entirely well."

Today they are just as effective, just as reliable as ever, and nothing better has yet been devised to

#### CRICKET

Things are looking up in this part of the cricket world. Besides the enthusiasm that is manifesting itself so healthily among the members of the premier club in the Island, the Phoenix C. C.—which seems to be the forerunner of better things—it is pleasing to be able to record the formation of another cricket organization. It is still more gratifying to be able to state that the new club is a youthful concern, as this will insure a recruiting ground for the more advanced standard of the game. And with the practicability of securing recruits, the successful establishment of the game, and indeed, its development should be a matter of easy accomplishment.

The new club was formed last evening at Rochford Square, at a gathering of some score of lads and boys, among whom great enthusiasm was manifested in carrying the project to a satisfactory conclusion. The club was named the Jenkins Cricket Club, in honor of Dr. Jenkins, who it is satisfactory for the club's welfare, is its patron and has been principally instrumental in its formation. With such a whole-hearted supporter behind it, the Jenkins C. C. should have a successful career. Dr. Jenkins has shown his support in a practical way by promising to supply the club with a cricket outfit. The club is also indebted to Mr. Benjamin Crabbe, whom it elected chairman, he having also given his support in a tangible form, presenting the club with a cricket bat.

The other office-bearers were elected as follows at last evening's meeting: Hon. President—Dr. J. T. Jenkins. President—Mr. J. S. Pierce. Vice-President—Mr. P. Coyle. Secretary—L. Crockett. Recording Secretary—Jack Collier. Captain—Jack Sterns. Sub. Capt.—Wm. Case.

For the present the club will play on the ground at Rochford Square, and Wednesday and Friday evenings have been fixed for practice, from seven to eight o'clock.

The Jenkins C. C. will have extended to it the hearty welcome and wishes for its welfare of every lover of sport, and particularly of its brother organization, the Phoenix C. C.

#### FRECKLE-FACE

Sun and Wind Bring Out Ugly Spots, How to Remove Easily.

Here's a chance, Miss Freckle-face, to try a new remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of othine—double strength from MacKinnon Drug Company, and a few applications should show you how easy it is to rid yourself of the homely freckles and get a more beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles.
