The Island boxing season will open with a bang next Tuesday evening at the Forum when Bill Sparks of Amherst tangles with Harry Hynes of Waterville, Maine in the main event of a card which already has the fans plenty hot up and anxiously awaiting for the going that will send the battlers into action.

Storey, middleweight champion of Michigan and Maine and dubbed as "The Fighting Shadow" will be drawn from every sportswriter he has performed before for the scientific boxing he displays. Hard to hit at all times he lives up to his name of "Fighting Shadow" and while it is only thwarting opponents' attacks, the dusky lad from over the border always manages to mete out plenty punishment to whoever is facing him.

Schmeling And Louis Are Both Confident Of Winning Championship June Bout

Surprising Senators Are Aged Outfit

(By The Associated Press)
NEW YORK, May 10—There isn't a doubt in Max Schmeling's mind that he will be able to swat champion Joe Louis on the jaw with his right hand on the night of June 22, no matter how much the young negro has learned in the two years since Max last clipped him.

"Yah, I know what some people think," said Max when he arrived here from Germany Monday. "They say Joe will be careful this time with his left and not let me hit him with a right."

"That's foolish, I think. I hit him the other time when he tried to jab me, and I knocked him out. No, he was not always hooking with his left when I hit him. Sometimes it was a jab, too."

But what Max was asked, would happen if Louis should prove superior and try to lag back and preserve his championship behind a long, darting left? Might not the eagerly awaited battle devolve into something very boring?

Will Open Louis Up
"No, that will not happen, believe me," said the Schlager. "I want to win the championship, so I will not keep away from me. He must fight some time, and when he does I will hit him with my right. He inspected his right first briefly. Harry Thomas here is last winter's physical specimen. He looks better than he did when he fought me more than a decade of fighting, and he glows with health."

There is a widespread belief that Max hopes in one last desperate fight to win back the title that he lost in 1932, and then to retire amid the wild acclaim of the German nation. It's a risky venture, but Max says it's the bunk. He says he will knock out Joe Louis in June and defend the crown in September, in that order.

Giants Defeat Cubs 5-1 To Extend League Lead; Senators Rally To Win

NEW YORK, May 10—(AP)—Supporting Harry Gumbert's fine right-handed flinging with a dozen hits, including four by Joe Moore, the New York Giants today trounced Chicago Cubs 5-1 to run their winning streak to four straight and their National League lead to four games over the Cubs.

Gumbert set the Chicagoans down with five hits, all singles, and gave only three bases on balls. The Cubs scored their only run with two out in the fifth, on singles by Jurgas and Hack and a pass to Charley Root.

Bill Lee started this final game of an abbreviated series for Chicago, but was in the showers before the first inning was over.

A veteran at the game, being it now for 12 years during which time, according to his own statement, he has taken part in 611 bouts, Storey still is one of the topnotchers at his weight of 160 pounds. Just recently he took Ray McIntyre of Montreal, claimant of the Dominion middleweight title, in a bout at St. John, and on that occasion Loyalist City writers were quick to heap praise on him for his marked boxing ability.

There is little doubt but that Island fans will see one of the most clever mitalfighters ever to enter an Island ring on the night of the 17th and at the same time witness what should be a thrilling scrap.

Bill Sparks, never yet defeated in an Island ring will face the toughest opponent he has ever been pitted against locally. On all other appearances here the Amherst boy generally had too much dynamite and skill in either hand. Next Tuesday night the odds will be even. But make no mistake, this Sparks boy is also mighty dynamite and he carries enough TNT to blast any opponent to the canvas if the right opening presents itself.

Bill Sparks never yet defeated in an Island ring will face the toughest opponent he has ever been pitted against locally.

Sparks has been training faithfully all winter long and will enter the ring Tuesday night in the greatest shape probably of his career. Down to 145 pounds the Amherstian will be even lower than that when he faces his formidable foe and those in attendance will see the same hard-hitting Sparks who has been here—and on other appearances here he was by no means slow. He surely can get around inside that 18-foot square.

The main events of course will hold the spotlight, but a well-matched semi-final is also in store when Bennie Binns, former middleweight champion of the world, meets the Amherst boy in a campaign he hopes will see him regain his Island title, against Reg Harper, a hard-hitting Amherst middleweight. Binns always promises plenty action in all his bouts and is determined to start his campaign off with a victory.

Coincident with the start of the boxing season another Island sport gets underway on the same date, May 17th. We refer to the City Softball League, a league that went over big last year and promises even bigger things this season. With four evenly matched teams comprising the league, namely: Rovers, Imperials, Battery and Bees, league officials and players are looking forward to an even more closely contested schedule and as yet not a favorite is in sight.

War Admiral Down The Alleys Favored To Beat 'Biscuit'

(By Alan Randaf, Canadian Press Staff Writer)
NEW YORK, May 10—There's a mystery horse working out in the dark hours of early morning these days at Belmont other than Sea-whisper it is none other than Admiral, preparing for his \$100,000 duel May 30 with War Admiral. You can't prove it by trainer Tom Smith, however.

But even if the night galloper isn't the Biscuit, cloggers say Smith had him out at 5:30 a. m. today when it was too dark to time him. Jockey George Cavallone, once of Sea-biscuit, is as "easy as rocking in a cradle."

Latest Broadway odds put War Admiral in front at 7 to 10. The Admiral is quite okay but trainer George Conroy is on the anxious seat because many horses quartered at Belmont Park, where the Admiral hangs out, have developed a cough and fever.

Ed Barrow, New York Yankees' business manager, rates 70 candles today. He's done it all, from winning pennants, Barrow is the baseball from selling peanuts to being out of a job.

As a ball manager Ed won a world series in 1918 with Boston Red Sox. Once he headed the International League. But it was his 1902 Toronto team, striding the stars by raking up a nickel, that made him famous. He was assembled a new outfit and won the International League pennant with it.

Two-ton Tony Galento knocked down spar-mate twice and then sadly apologized to spectator Max Schmeling. "Max I don't feel so good today," he said. "Whereupon Schmeling pronounced the 'rough' as the toughest man I ever saw."

Lawrence of pay in winning the Kentucky Derby was \$277 a second. Boodle and not story seems the main thing behind the Barney Ross-Henry Armstrong fight. "I hear I'm to pick up around \$50,000 for my end," smiles Barney. "I'm in there for the dough," remarks Hurricane Hank. Three dollars on Ross will win only \$100 at current odds. Armistead camp in Pompton Lakes training camp in New Jersey is his first. The featherweight king has been too busy fighting previously to have such luxury. Behind him are 33 battles in 15 months.

Touring Pro Teams Dazzle London Crowd

(G. P. by Guardian's Special Wire)
LONDON, May 10—The barnstorming Montreal Canadiens and Detroit Red Wings of the National Hockey League dazzled a capacity crowd at Earlscourt tonight as Canadiens won 5-4 in an exhibition.

Toe Blake starred, scoring the winning goal and two others. George Mantha and Rod Lorrain also netted for Canadiens. For Detroit the scorers were Alex Motter, Peter Besonne, Eddie Wares and Mud Bruneteau.

They were two minor injuries. Will Cude, Canadiens' goalie, was stunned in a goal-mouth scrimmage while the crooner Harry Richman went down decidedly hard when inflated to face off the puck.

The crowd saw a wrinkle—new to it—when Manager Jack Adams sent goalie Norm Smith in the yanked minutes and used six forcing wards in an effort to get the tying goal.

Canadians have won three, lost one and tied one of the games played in England during the tour. The Montrealers won two and lost one in Paris.
