WILLIAM DEVEREUX The death of William Devereux, nine year old son of Mr. and Mrs. Michael Devereux of New Haven, which occurred on Friday, April 4, has elicited the heartfelt sympathy of relatives and of numerous friends throughout the province.

The little boy by his lovable disposition had won a place in the hearts of all who knew him. His childish innocence and the cheerfulness and frankness of his manner endeared him to the older people of the community, and caused him to be regarded with deep affection by his little schoolmates. Although so very young he had attained to the fourth grade in the New Haven school, and at the time of his death was making steady progress in his studies.

Billy was greatly beloved and cherished in his home. His obedience and unselfishness, and his love of innocent play and laughter, made him a wholly delightful child, and a source of great happiness to the other members of his family.

A slight illness which did not appear serious and which passed quickly confined him to his home for a few days. However, shortly after he had regained his normal health, the condition recurred, and although everything that loving parents and medical skill could do to effect a recovery was resorted to, the little boy passed away after an illness of only two weeks. He was attended before his death by Father Herrell who administered the Last Sacrament.

There are left to mourn, besides the bereaved parents, one sister, Mary, and two brothers, Thomas and Louis, all of whom are pupils in the New Haven School.

The funeral took place on Saturday, April 5, at St. Ann's Church, Lot 65, where Requiem High Mass was celebrated by the pastor, Father Herrell.

Chille expects lighter cereal crops this year.
