Mr. Homville is at Conference and Mrs. Homville attended the missionary convention held in Charlottetown. They will return to their field of labor in N. B., feeling refreshed after a pleasant trip to their island home. T.

PLAY ENJOYED—The Women's Institute of Montague feel indebted to the young people of Charlottetown, for putting on their play, "The School at Blueberry Corner," so successfully in Oddfellows Hall. The undertaking was a success financially as well as otherwise and the proceeds go towards swelling the fund in the interests of our schools. The ladies of the Institute served these willing young people a lunch daintily prepared before they left for home at a late hour.

CAPT. GRAHAM POPULAR—Capt. Graham of the Methodist Church, Montague, was attending Conference last week. His class of young people missed him while he was absent. Capt. Graham is a real boy at heart and he and his boys have enjoyed many outings, especially might we mention the picnic on May 24th, which was so crowded with fun that the boys say, "We never had such a good time before." T.

ADJ. Hurd of the Salvation Army, spoke in the interests of their present campaign, in the hall Montague on Monday evening, June 7th. A committee to act on same were appointed as follows:—Pres. Mr. D. L. McKinnon, Secy. L. B. Melish, Treas. Mr. Clarkson. During the evening several speeches were made, and a quartette, two duets and a solo were sung. The meeting was highly instructive along the lines of Salvation Army work, and those who heard will not soon forget. G.

FOR SUNDAY SCHOOL WORK—Miss Helen Grant, Charlottetown, was in Montague last week, in the interests of the children's gifts from the Sunday Schools, to the Bible Society. Miss Grant gives full time to the island work, and is well qualified to do the tasks required of her. Montague wishes her success, and hopes every Sunday school will respond, to this worthy call. Even if the gifts are small, they ought not to be forgotten. It is not the size of the gift, but the willingness to have a part in this work that counts for much in the end. The one who made the leaves and fishes feed so many can multiply our little gifts, and reach all with bibles. T.
