EXPECTANT MOTHERS

Read Mrs. Menard's Letter. Her Experience May Help

Chatham, Ontario.—"I want to tell you how much good your medicine has done me. Before my baby came I felt so weak and ran down that I could hardly do my work. My head ached continually and I was so discouraged that I could cry from morning till night. I had another baby just one year and a half old and it gave me a lot to do. So I thought I would try Lydia E. Pinkham's Vegetable Compound, as I had read so much about it in the little books. I found a difference right away as my head was relieved and my tired feelings gone. My sister had been doing my washing and she continued doing it, as she said it might set me back if I started to do it again. It sure did help me and I had taken just two bottles when my baby came. He is a fine big boy, now nearly five months old. I am taking your medicine again and I am able to do my work all by myself now. I always recommend the Vegetable Compound to women, and especially to expectant mothers, as I believe they need help at those times."

and Mrs. Kelly, have just returned from a two weeks visit to New York City. While there they saw several Islanders, including Mrs. G. Stanley Green and family, formerly of Summerside, Miss Irene Anderson, formerly of this town and several others. The weather in New York was fine and the trip both ways was without delay and much enjoyed. The city traffic in New York is greatly increasing each year and the subways are away behind their capacity for handling the increased traffic. New lines are being extended as fast as possible under the circumstances.

ADDRESS AND PRESENTATION AT YORK

On Monday, March 19th, upwards of sixty friends gathered at the large and commodious home of Mr. William Sellar, York, to a farewell party given in honour of them who leave this community for Mt. Stewart for a short time. Afterwards they intend to reside in Winnipeg. Mr. E. J. Vessey as Chairman called the company to order and after a few opening remarks, called on Mr. Milton Vessey, who read the following address:

Dear Mr. and Mrs. Sellar: It is with sincere feeling of regret that we have assembled here tonight to bid you farewell. We wish that you could remain with us, but since you are retiring from active work and leaving the community, we can only abide by your decision, therefore our earnest wish is that your joy and prosperity may constantly attend you.

To visit your home was a source of pleasure, and you will be missed in the community. Since your arrival thirteen years ago, few could have endeared themselves to us as you both have. You have shared our joys and sorrows and have helped to make life more pleasant for those with whom you came in contact with, and the many pleasant and profitable evenings spent in your home will not soon be forgotten and should it be that you would decide to come back again, kindly bear in mind that a hearty welcome will be found awaiting you. So your friends and neighbours, ask you to please accept this small gift not for its value in money, but that it may serve to remind you in the future of your friends in York and surrounding districts.

During the reading of the address Mr. Robert Crockett presented Mr. Sellar with a well filled purse as a token of esteem and affection from his many friends. Mr. Sellar, although taken by surprise, replied in a few well chosen words, thanking them for the honour they had bestowed upon them. He also assured them that he would always remember his friends in York and surrounding districts. A few words of appreciation of the sterling character borne by Mr. Sellar and the example of industry to the rising community, the regret of his departure were then spoken by Dr. J. G. McDonald, G. Schaad, J. T. Ferguson, Milton Vessey, C. J. Vessey and others, which was followed by the singing of They Are Jolly Good Fellows. A dainty lunch was then served by the ladies, to which all did ample justice. The remainder of the evening was spent in music and games, after which the gathering dissolved, wishing them many years of happiness.

ST. GEORGE'S WOMAN'S INSTITUTE.—The St. George's woman's institute held their regular monthly meeting at the home of Mrs. James N. McDonald, with sixteen members and four visitors present. The meeting opened with the singing of the Institute Ode, followed with roll call, which was answered with dreams. The minutes of the previous meeting were read and adopted. It was decided to place new buildings to the primary department of the school. Then school and sick committees reported and new ones were appointed. A dainty lunch was then served by the hostess. A vote of thanks was tendered her for the entertainment. The singing of the National Anthem brought the meeting to a close. Next meeting to be held at the home of Miss Margaret Moirarty, roll call to be answered with my favorite house work.

Side, Back, Arms Ached All Night

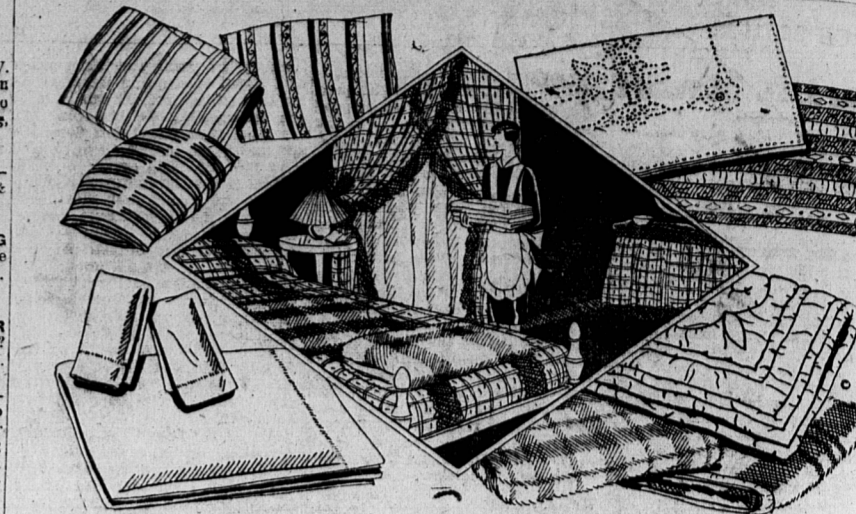

Mrs. Lavery Got Quick Relief From Amber-Liquid

Goderich, Ont.—From her home on Bennett Street comes word of the wonderful results of Nerviline achieved in Mrs. Lavery's case. She suffered from shooting pains in the side, arms and back. These muscular pains caused intense distress. Ordinary measures failed. Then Nerviline was applied. It penetrated quickly. Its pain-relieving influence quickly brought ease and comfort. All pain disappeared—recovery was complete. This all goes to prove what a powerful treatment Nerviline is. Every drop rubs in—and the pains of rheumatism come out. Get a large 35c bottle today.

52nd Anniversary Of Wildey Lodge No. 27 I. O. O. F.

The 52nd anniversary of Wildey Lodge was most fittingly observed last Friday night, March 23rd, when the lodge room was taxed to capacity, there being in the vicinity of 15 brothers present, to take part in the celebration and to honor the Grand Master Brother Joseph A. Murdoch, of St. John, N. B., who was here by special invitation, and who was accompanied into the Lodge Room by Brother John A. MacNair, Deputy Grand Master, Brother J. J. McKinnon, Grand Secretary, Brother David T. Bethune, Past Grand Patriarch.

Needless to say the presence of these officers added considerably to the dignity of the evening, after which thirteen candidates were initiated into the mysteries of Odd-fellowship and three Brothers reinstated. The Lodge then closed and the following program was most enthusiastically carried out:
1. Opening remarks by Chairman Bro. A. O. F. Gill, P. G.
2. Selection by the Orchestra.
3. Remarks by Bro. Joseph A. Murdoch, Grand Master, I. O. O. F.
4. Solo, Bro. H. Gordon Leitch, P. G.

MANILA HAS REALTY BOOM
Due to the leaking of "inside information" regarding the city's plans to extend Fair Avenue in the Pasay district as a main arterial instead of another route previously believed to be the one, Manila had a real estate boom recently. Land doubled in price within a week and tripled within 10 days. Speculators have jumped in and the quotations continue to go higher.
Pedestrians in one of the busy streets of Glasgow, Scotland recently were amazed by sweet strains to music issuing apparently from a young woman, who was blushing furiously. She had just bought a portable radio set that had not been shut off when she left the store. While she was on the street the Glasgow station began broadcasting, and she did not know at first how to shut off the machine.
