KNOX COLLEGE STUDENTS CATCH EVERYTHING.—Knox College students are catching everything unpleasant that they can around the University, says a Toronto Exchange. After only a few weeks of freedom from quarantine for smallpox, an undergrad developed measles and was removed last night to the Isolation Hospital. The college will not be quarantined this time, as happened when a case of smallpox broke out recently and confined some of the inmates theologically for two weeks. The several Island students in Knox have so far avoided illness, much to the relief of their home-folk.

The funeral was largely attended and the pallbearers were as follows: Messrs. John Ferguson, Fred MacLean, John Wright, Stewart (Wright) and the presentation of two beautiful chairs by Messrs. Harry Lowther and Alder Wright. Although taken very much by surprise Mr. Bartlett thanked them in a few well chosen words. Following is the address: To Mr and Mrs Bartlett and family. Dear friends, We your neighbors and friends have met here tonight to bid you and your family farewell. We can assure you it is with feelings of regret that we do so but we are glad that your removal is only to the adjoining district. But we shall miss you as neighbors for you were always ready with a helping hand. Your children too will be much missed in the school and in the community. In conclusion we wish you every happiness and continued prosperity in your new home in Searstown and you may rest assured that the best wishes of your friends here will always follow you. These gifts are a slight token of our esteem and may you both be long spared to enjoy them. Your Friends.

EDUCATIONAL MEETING — On Tuesday evening, March 20th a very inspiring and instructive lecture was given in Vernon Hall by Mr. L. W. Shaw, Supervisor of City Schools. After a short musical program, which was very pleasingly rendered, the chairman, Mr. J. J. MacGilvray, introduced the speaker. Mr. Shaw, in a very eloquent and interesting manner dealt with education in its broadest sense and discussed means by which our educational system might be improved. With reference to the Women's Institute under whose auspices the lecture was given, Mr. Shaw emphasized the wonderful work which has been done by the women of this organization in improving the conditions of our schools throughout the Island. At the close of the lecture, a hearty vote of thanks moved by Mrs. Jas. MacCormack, President of the Vernon Institute and seconded by Mr. Milton Farness was tendered the speaker for his interesting and eloquent address.

LETTER OF CONDOLENCE To Bro. James and Sis. Marchbank:— It is with deep feelings of regret and pain that we, the Brothers and Sisters of Excelsior Division No. 266, Sons of Temperance, Wilmot Valley, desire to extend you our earnest and heartfelt sympathy in the loss of your beloved sister. The place that knew her well will know her no more but her memory will linger in your hearts forever and although you sorrow now, yet the act of the all-wise and Heavenly Father will be revealed at some time. Mere words fail to express our feelings at this time, but we know that death is only a passing to the Great Beyond where sickness and sorrow are unknown but where peace and love abide forever. Signed on behalf of Excelsior Division, Helen Cairns, Recording Scribe.
