

HE'S BEEN WELL EVER SINCE

A. D. Miller Has an Experience With Dodd's Dyspepsia Tablets That's Worth Remembering.

I wish to state that Dodd's Dyspepsia Tablets are the best medicine anyone can take for Dyspepsia. The speaker was A. D. Miller, of Tomstown, Ont., and when he was asked for his reason he continued, "I had been troubled with Indigestion and Dyspepsia and during the summer of 1900 my doctor treated me for Liver Complaint but I kept growing worse. My appetite was very irregular, and I would bloat after eating and I also had palpitation of the heart. Sometimes I would not sleep at night on account of my heart beating so hard. I was hardly able to get around when I started using Dodd's Dyspepsia Tablets. After using half a box I felt better; by the time I had used two boxes I was well and I have been well ever since. You can't have Dyspepsia if you use Dodd's Dyspepsia Tablets.
