**WEAK WOMEN READ BELOW**

One woman is three struggling against weakness.

Are you one of the weak ones? Not exactly sick, but oh, how miserable!

You discharge your daily duties, but who can measure the burden, the trial? Talk of bravery, where find a finer spirit than among half-sick women, fighting, struggling to do their duty against their own odds—and they never give up till they drop.

It would cost a drop of blood under the microscope the cause would be revealed.

You would find the blood thin and watery, red cells far too few, the carrier of life very greatly reduced in vitality, and the tissues slow death.

Ferrozene cures weakness by fortifying both appetite and digestion, and making plenty of blood.

Ferrozene cures weakness by supplying nutriment and building material, by giving the body the constituents it requires for restoring tired organs.

It gives vim, vigor and endurance. Ferrozene is a tissue builder.

It adds force to the vital functions—the stomach, liver, kidneys.

Ferrozene gives sound sleep, sound digestion, promotes perfect removal of all the body wastes.

Ferrozene makes the body glow with health.

Any weak, pale or sickly woman that Ferrozene cures—why she must be hopeless. Wonderful power in Ferrozene! Wonderful cure it makes, and this you can prove by trying it. Sold everywhere in 50c boxes 10-30d21
