From that point he makes frequent visits to Halifax, sometimes spending three or four days a week in the city. Mr. W. B. Resolution Passed.

THE following resolution was passed by the Grand Division at its session at Park Corner, Nov. 2nd:

Whereas the Prohibition Act passed at the last session of the Local Legislature, whilst meeting to some extent the wishes of the temperance people still contains defects that will, if not amended, render it easy to evade its provisions and tend to lower all attempts at prohibition in the eyes of the public.

Therefore Resolved; That this Grand Division would recommend amendments to said act in the following, as well as in other particulars:

- (1) There should be a clear statement in it of what an intoxicating beverage is by percentage of alcohol contained and would recommend 2% as the per centage.
- (2) Provisions should be inserted that will effectually suppress the sale of liquors in clubs.
- (3) The vendorship provisions should be charged so as to remove all temptation to the vendor to increase sales.
- (4) The provision for fines should be first and second offences only, the first a money fine or a term of imprisonment, and all subsequent offences imprisonment with or without hard labor.
- (5) More adequate provision for collecting fines and such other amendments, alterations and additions as are evidently necessary to make said act more stringent and effective.

Resolved Also; That this body use its influence in every way possible to secure the improvements to the said act as indicated in the foregoing resolution to insure when the time comes to have it enforced it shall be thoroughly effective to accomplish the end intended.

Is half a minute of your time. We want to give you a few facts about our Fur Department. Now—we don't claim to have the largest and only Fur store on earth. We do claim that you can't find a better place on P. E. I. to buy Furs than this Fur Department. Every article among our Furs came from an A 1 Fur maker. We buy no Furs from anyone except first-class expert manufacturers. Every article is carefully selected, and rigidly examined by Fur buyers who thoroughly know their business. We buy from every manufacturer who makes Furs on which our customers can rely. We pay spot cash, and save every discount that any dealer can secure. We make our Furs as cheap as we do our Dry Goods—and charge you no higher price than your neighbour—nor no less. We sell Coristine Jackets, and any other Jackets that are good enough to be admitted here. We stand behind every article we sell, with our personal guarantee.

Much Satisfaction Is Derived

From the contemplation of some article of Furniture bought here long ago, perhaps. No sign of decrepitude in its sturdy frame, no loss of beauty on its polished surface, if ordinary care has been taken. And we sell to-day the same kind we have always sold—thoroughly reliable goods better in some respects, and cheaper too.

HEARING RESTORED After Physicians in Toronto and Winnipeg Failed.

JAPANESE CATARRH CURE CURED. Neglected catarrh is the cause of deafness in out of every ten cases. When you hear a buzzing, roaring sound occasionally in your ears you can be sure partial deafness will sooner or later, unless Japanese Catarrh Cure is used.

Dr. B. N. Spencer, 11 Coolidge Ave., Toronto, Ont.—"I have been troubled with catarrh of the ears for a number of years, finally I did not converse with any person at a distance. I spent much money on advertised remedies, and doctored with specialists in Toronto and Winnipeg while there three years ago, but my hearing became no better. About two years ago I procured a sample of Japanese Catarrh Cure. I afterwards followed up this cure as directed, and shortly I found my hearing completely returned and my catarrh of the ears is now in the least. I can conscientiously recommend it to any person afflicted with catarrh or catarrhal deafness. Japanese Catarrh Cure is a volatile, healing, pleasant to use, and permanently cures wherever located. Sold by all druggists or mailed, price, 50 cents. The Griffiths Dispensary Co., Limited, 121 Church St., Toronto, Ont.

Soap Fancies

No two people think alike about soaps. One favors perfume, another no scent at all, and so on. There are two soaps in soap—the best without scent and the best with scent. We keep both kinds. Soap cost is such a small cost that you can't injure your skin by using a soap simply because it is low priced. You can have our advice, or choose to suit the fancy.
