DESIRABILITY Interest paid the exact day it matures upon presentation of coupons at our office, and a ready market at any time the principal is required, make this form of investment much more desirable than mortgage.
A complete selection of high grade securities to meet different requirements and the aid of well informed investment brokers are essential.

This woman says that Lydia E. Pinkham's Vegetable Compound saved her life.
Mrs. Emma Chatel, Valleyfield, Bellefleur, Quebec, writes to Mrs. Pinkham:
"I want to tell you that without Lydia E. Pinkham's Vegetable Compound, I would not be alive. For months I suffered with painful and irregular periods and inflammation of the feminine organs. Doctors could do nothing for me, and said I must submit to an operation as I had a tumor. One of my cousins advised me to take Lydia E. Pinkham's Vegetable Compound as it had cured her. I did so and now I have no pain and am entirely cured. Your remedy is deserving of great praise."

FACTS FOR SICK WOMEN

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it?
Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

It means just as much to you to know who makes the best paints and varnishes as it does to know who makes the best shoes, woollen foods. It is just as important to get the right paint or varnish for a surface as it is to get the best. That is why you should never forget the name Sherwin-Williams when you have need of any treatment for any surface—paint, varnish, stain or enamel—because they make a finish for every surface—the right quality—the best for the purpose.
