—The latest news, first of all.

—A very successful school concert was held at Kensington last week. The teachers Mr. McDonald, principal, Miss Sullivan and Miss Hughes deserve much credit for the able manner in which they trained the pupils. The following program was well rendered: Instrumental Music, Orchestra, Opening Chorus, "Ho, Ho! Vacation Days"—School Children; Reading, Master Ian Darrach; Vocal Solo, Miss Rachael Kennedy; Instrumental Music, Orchestra; Short Comedy (one act), Misses Maud Hall, Alice Shea, Bessie Murray, Glennie Leslie, Vera Stavert, and Rachel Hall; Duet, Janie and Vernon Lynds; Reading, Miss Ruth Stewart; Flag Drill (8); Four Boys and Four Girls; Intermission, six minutes sale of home-made candy; Instrumental Music, Misses G. Leslie and A. Agass, "The New Education," Prof. Ross, B. A.; Reading, Miss Janie Lynds; Vocal Solo, Miss Mamie Morrison; Duet, Misses B. Murray and M. Hill; Short Comedy, Locan Talent, entitled "Visit to Oil Regions."

—On Sunday last the beautiful new church at Mt. Carmel was solemnly dedicated by His Lordship Bishop McDonald, celebrating Pontifical High Mass, with Rev. D. McDonald, Tignish, as High Priest; Revs. F. S. Beaudreau, Egmont Bay, and J. A. McDonald, Lot 14, as deacons of honor, Revs. F. X. Gallant and J. McDonald, Kinkora as deacons of office, and Revs Dr. McLellan, Charlottetown and Dr. Monaghan, Miscouche, as masters of ceremonies. The choir of the parish assisted by members of neighboring churches under the able and efficient direction of Arsene J. Poirier with F. X. Gallant, professor of music at St. Dunstan's College presiding at the organ, rendered beautiful music appropriate for the occasion. The sermon for the occasion was ably and eloquently preached by the Rev. Dr. Gauthier, the text being "Ye are the temple of the Lord," from 2nd Cor. 3-17. After Mass His Lordship addressed the congregation complimenting them and the pastor on the handsome church they had built and on the evident prosperity of the parish. In the afternoon the services of the creation of the stations of the cross took place, the Rev. D. McDonald officiating. Father Arsenault entertained His Lordship and visiting clergy in princely style at the parochial residence.

Analytical Chemist Tell Of Patent Medicines

A graduate in organic chemistry, who has made a study of many of the best known patent medicines on the market, states that many have virtue, but as a rule people have to pay for a lot of unnecessary expense. The following is the recipe of a well-known secret preparation, and is known by authority to be one of the best stomach and liver tonics. It is prescribed by many of the best physicians.

This mixture cures constipation and biliousness. The recipe:—
 Fluid Extract Cascara 1/2 oz.
 Syrup Rhubarb 1 oz.
 Carianum Compound 1 oz.
 Compound Syrup Sarsaparilla 5 oz.
 Take a teaspoonful after each meal and at bedtime.
 An eminent authority, who has made a careful and scientific study of the relative values of drugs having a specific action on the kidneys, bladder, and liver, pronounces this an excellent combination.
 You can buy the ingredients separately and mix at home.
 Cut this formula out and save it.

Immense Clearing Sale
Genuine Bargains

In order to meet all competition, we have decided to place on sale, our splendid and magnificently assorted stock of general dry goods, furs, clothing and millinery at sweeping reductions.

Never before have we had such a clean fresh and up to date stock. That the people recognize and appreciate this is evident from the immense Christmas trade we have had, by far the largest in our history and it is said—the largest in the history of the City. In order to show our appreciation of this—as well as to meet competition, however erratic—we will until further notice, offer our whole splendid stock at discounts ranging from 25 to 50 per cent. Can we afford to do this? In a strictly business sense we cannot. Neither can we afford to let competitors fill our trade. Our goods are, with few exceptions, clean and fresh and all plainly marked at an honest profit. When we take this off, as we now propose to do, we sell goods at cost, in some cases below it.

As the public know from experience that goods are never "marked up" in this store, for a sale of this kind—that when we advertise discounts, they are really genuine, there will be no need to take up expensive newspaper space to particularize.

On one line only are we overstocked, we refer to ladies' cloth jackets, and in order to clear them out in a hurry, we are prepared to slaughter prices, so here goes for the best offer ever made you on stylish, elegant and up-to-date garments.
