Throw Away Your Eye-Glasses!

A Free Prescription
You Can Have Filled and Use at Home.

Do you wear glasses? Are you a victim of eye-strain or other eye-weakness? If so, you will be glad to know that there is real hope for you. Many whose eyes were failing, say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read every thing without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle for me." A lady who used to wear glasses says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for a few days, everything seems clear. I can even read fine print without glasses. It is believed that thousands who wear glasses can now discard them in a reasonable time and, multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any grocery store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in 1/2 glass of water and allow to dissolve. With this liquid, bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time. The Valmas Drug Co. of Toronto, will fill the above prescription by mail, if your druggist can't supply them. The above article was submitted, said: Bon-Opto is a very remarkable eye compound. It has been used for years to cure eye troubles and is widely prescribed by the very best eye specialists. I feel that it is one of the very few preparations I feel should be kept on hand for regular use in almost every family.

"E. A. Foster and Reddin Bros. fill many Bon Opto prescriptions, and will gladly fill yours!"

Little Worries In The Home

IT IS THESE THAT BRING WRINKLES AND MAKE WOMEN LOOK PREMATURELY OLD.

Almost every woman at the head of a home meets daily many little worries in her household affairs. They may be too small to notice an hour afterwards, but it is these same constant little worries that affect the blood and nerves and make women look prematurely old. Their effect may be noticed in sick or nervous headaches, sickle appetite, pain in the back or side, sallow complexion and the coming of wrinkles, which every woman dreads. To those thus afflicted Dr. Williams' Pink Pills offer a speedy and certain cure; a restoration of color to the cheeks, brightness to the eyes, a hearty appetite and a sense of freedom from weariness.

Among the thousands of Canadian women who have found new health through Dr. Williams' Pink Pills is Mrs. N. Worrall, Broughdale, Ont., who says: "After the birth of my second child I was so weak and run down that I was unable to do anything. The doctor said I had scarcely any blood in my body. I could not walk a half block without being completely exhausted and all the treatment of the doctor did not seem to help me. I called in another doctor, but with no better results. My feet and legs became frightfully swollen. I suffered with severe pains in my back and sides. I would be all day dragging around at my housework, and I was beginning to give up all hope of recovery. I had been urged to try Dr. Williams' Pink Pills, but like many others, thought they could not help me when doctors had failed to do so, but after much urging I decided to try them. To my surprise in a few weeks I found myself constantly growing stronger, and eventually able to do my housework without fatigue. I strongly advise every weak woman to give Dr. Williams' Pink Pills a fair trial. You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont."

Eczema Wash Used in Hospitals

How many hospital patients have been soothed of their frightful itch, of the scorching pain of skin disease by the famous D. D. D. Prescriptions for eczema, a soothing fluid, washed in by a nurse's hand!

A Supervising Nurse (name of nurse and institute on application), writes regarding a patient: "The disease had eaten her eyebrows away. Her nose and lips had become disfigured. Since the use of D. D. D. her eyebrows are growing, her nose and face have assumed their natural expression."

Some of our best doctors are using D. D. D. right along in their regular practice. Come to us and we will tell you more about this remarkable remedy. Your money back unless the first bottle relieves you. D. D. D. Soap keeps your skin healthy. Ask about it.

HAVE YOU started to complain about the heat yet?

FLY SWATTING season is here.

For base-ball players at any rate.

BOTH have some rogues in P. E. Island—T. Eaton and T. Drinkin'.

THERE ARE SOME ball-players who can't even strike an attitude.

No. Matilda, the Chess Club and the Ex-checker Court are in no way affiliated.

JOHN BULL'S bookkeeper will probably post Zeppelin made under the head of "overhead charges."

EMPIRE DAY and Arbor Day are all right, but school boys wouldn't object to holding an Empire and a Harbor Day.

JUDGING by reports of slugging affairs on Lower Queen Street there are some parties who are generally in favor of raising a fresh battery.

HEALTH HINT

Here's a health hint for today Step not in an auto's way.

SOLDIERS are helping to put in the Canadian crop, and by they will be putting something in the German crops.

MR. BIRRELL, late Chief Secretary for Ireland, laughed at the idea of a rebellion in Ireland. In other words he decided to stand Pat.

IN ordinary life a lot depends upon the way a man has been brought up. In the German aviation service in war time a lot more depends upon the way a man is brought down.

TALK ABOUT peace at any price. An Atlantic City couple quarrelled 40 years ago and although living in the same house have not spoken to each other since the day of the row.

A MAN in Michigan was recently arrested for having bought deer meat during the hunting season. Many Charlottetown people are unfortunately guilty of buying deer meat every day in all seasons.

MAN attending a conference in a Methodist Church at Stratford, N. Y., dropped dead in the church. Judging by the large number of empty seats in some of our churches a good many seem to think a similar fate may be in store for them.

WITH A FRIENDLY FISHER POLE.

Rather me old yonder night the old swimmer's pole.

With a wigglin' can o' bait—a friendly fishing pole.

Mile or two away

In weather like the May.

Patience than Job wuz—fishin' all the day!

The drowsy feelin' gets me, when the spring sap gets to creep.

An' what is like a river bank's fine privilege to sleep

Mile or two away

From smoky skies an' grey.

Fast asleep, or fishin'—Just fishin' all the day.

AN OLD TALE RETOLD.

Victoria Day comes once a year.

It came the other day;

All the family wanted fun

But didn't know how to pay—

A big excursion to Pictou—

Naught else would suit the family

But pop must cough up the dough.

Everybody worked poor father—

No wonder the man does fret

The family want to be sporty

An' dad head o'er heels in debt

Mothers says "I'll have excursions,"

"So do I," says sister Ann.

Then they started to work poor father

The poor old man.

Father had a little spare cash

(He hasn't got it now.)

If he had tried to keep it

There'd been an awful row

Mother grabbed an' extra fiver

And so did sister Ann

And started quickly for the wharf

"I was a caution, how they ran!"

Everybody worked poor father—

He stayed home alone all day

Wondering as he sat smoking

How some big bills he would pay

Mother was in Nova Scotia

Likewise was sister Ann.

Spending the cash most freely

That was earned by the poor old man.

Sometime later in the week

"Father got another bill

For a few little incidentals

Can You Save? Do You Save?

EVERYONE believes in thrift and saving, but most of us find it impossible to practice these things.

The most practical way of saving is by means of an endowment insurance policy in The Mutual Life of Canada. The way it works is this:—

A certain premium is deposited with the Company yearly; the amount of this premium is determined equitably by the age of the assured and the number of years in the endowment term. The whole of the amount assured is payable to the beneficiaries: if the assured survives the period he receives personally the amount of the policy.

If the policy is a participating contract the assured will have returned to him a just share of the earnings of the Company; under this system we have paid from \$120 to \$210 for each \$100 deposited.

Mutual endowment policies are profitable. Savings Bank accounts combined with sound life insurance.
