Successful Membership Drive Concluded By The S'side Board Of Trade

An increase of more than one hundred percent in membership was the unusual announcement at the monthly meeting of the Summerside Board of Trade held last evening following a special campaign. L. W. Hancock, Chairman of the Membership Committee, proposed 84 names and on vote these were elected to the board.

An active program for town beautification was forecast with recommendation for appointment of new committees for a variety of purposes such as town beautification, parking facilities, special sales, community music, agricultural education, etc.

Mr. H. T. Holman, reporting for the Tourist and Publicity Committee, announced that a play was being sponsored by his committee to be presented on May 17th, under the direction of Miss Sue Meadows. Mr. Holman asked for the support of the Board members in this project.

An interesting feature followed in a "Swapping Idea Period," when many good ideas were evoked. Several motion picture films were shown through the courtesy of the Canadian National Railways. The President asked for the support of citizens in the Jubilee Celebration on Monday next. The meeting was well attended and the discussion of interest. Plans were suggested for another interesting meeting in June.

Elderly Resident Of Wilmot Valley Dies

With the passing of Mrs. William G. Taylor on Sunday last at the home of Mr. A. C. Duchemin, Charlottetown, a link with the pioneer days of Wilmot Valley has been severed.

Mrs. Taylor was 90 years of age and was brought up in Wilmot Valley. Her maiden name was Matilda Dowell, and she was the last of the family of the late George Dowell and lived with her parents on the old Dowell homestead in Wilmot Valley until her marriage. She had many beautiful traits of character which endeared her to all who had the pleasure of her acquaintance.

The deceased was visiting in Charlottetown when she was taken suddenly ill and passed on to her eternal rest.

There are left to mourn one daughter, Mrs. Fulton Simpson of Charlottetown and Edwin in North Bedouque, to whom sympathy is extended.

There was a short service on Sunday evening at the residence of Mr. Duchemin and on Monday morning the remains were conveyed by train to the home of her son, Mr. Edwin Taylor, in North Bedouque.

The funeral was held on Tuesday afternoon from Mr. Taylor's residence. Many old friends attended and paid their last respects to a dear friend. Rev. Mr. Nicholson conducted the services assisted by Rev. Mr. Archibald.

The pall bearers were Messrs. Herbert Condon, Alban Lecky, D. L. Walker, Clements Carruthers, Ar-

"SKYSCRAPER" HEELS FOR AUTUMN SHOES

NEW YORK, May 2—Women will stretch new heights next fall. They will stand a full inch taller in their new shoes, with enormous "skyscraper" heels. An advance style show under way here today produced five-inch heels.

Not only will women be taller, but the "skyscraper" heel will probably modify their posture. On the higher heel the tendency is for the body to tilt slightly forward. Laws of equilibrium propel shoulders and head slightly backward.

Authority for the new modes are the Tailors' Council of America and the National Shoe Retailers' Association, which met in joint convention. Color of sueded intruded them, George H. Mealey, chairman, announcing:

"Ginger brown will be the outstanding color for shoes to match light colored dresses. Oriental hues will match dark dresses."

THE C.W.L. League Sadly Bereaved

Thursday, March 21st was a sad and bitter day for the C. W. L. of Canada, occasioned by the passing to her eternal reward of one of its pioneers and most active members in the person of Miss Margaret Jones, of Montreal. Associated with the League from its earliest days, Miss Jones was the League's first and in fact its only executive secretary.

Fifteen years ago, when the League was made a national organization, Catholic women of Canada from Coast to Coast, with the same aims, the same objects and the same ideals, all willing, ready and prepared to serve, "For God and Canada," Miss Jones' faith in the Catholic women of Canada never faltered. Her extraordinary ability, cleverness and efficiency, as well as a wonderful grasp for detail, were the outstanding causes of her success. To these were always associated a great kindness of manner and an indomitable strength of character. Miss Jones never allowed personal considerations to stand between her and her duties. Nor did she crave position or herself, but deemed right and fitting any place assigned to her.

Though her rare executive ability and superior talents were called upon for the organization stages of various groups and societies, there are two associated, with which the name of Margaret Jones will ever be connected—the Montreal Convalescent Hospital and the Catholic Women's League. President of the former, she guided it through the trials and vicissitudes of the years of its humble beginning, and was its actual First Vice-president at the time of her death.

The Catholic Women's League of Canada owes its present-day high standing and prestige to the loyalty and zeal with which she devoted herself to the task of building up the organization.

To the multitudinous duties devolving upon her as Secretary were added that of Editor of the League's Magazine, "The Canadian League," and many were her rare literary productions for this publication.

The C. W. L. of Canada suffers a personal and distinct loss, and will miss her wise counsel in the administration of its affairs.

In her, the succession of National President—Miss Guerin, of Montreal; Mrs. W. H. Lovering, of Hamilton; Mrs. B. C. McCann, of London; Mrs. J. J. Duggan, of Edmonton; Mrs. M. J. Lyons, of Ottawa; Mrs. W. J. MacIntyre, of Charlottetown; Mrs. J. C. Keenan, of Toronto; and the present able Chief Officer, Mrs. J. J. Coffey, of Montreal—found a wise counsellor always ready to carry out their plans and desires.

Officers and members of the C. W. L., as well as all Catholics throughout Canada will grieve at her passing. But there is a more laudable way of expressing our gratitude for a life so usefully given than others might benefit therefrom, and it is by having the Holy Sacrifice of the Mass offered in as many sub-divisions as possible for the repose of her soul. The Charlottetown Diocesan Executive is not behind in this, having already had two High Masses for the soul of our dear departed.—Corr.

BONUSING OF TUBER ACREAGE DISCUSSED

The farmers of Milo, Lot 9, held a public meeting in the hall on the 26th instant, to consider the advisability of asking the Federal Government to pay a bonus on potatoes. Mr. Alvin MacLean was appointed chairman, and Mr. Oliver Gorriil Secretary.

Mr. G. H. Barbour, called on, gave an outline of a meeting that was held in O'Leary on the 25th instant, at which a committee was appointed to bring this matter to the attention of the different farm organizations, the boards of trade, women's institutes, and all organizations in the Province that are interested in the welfare of Prince Edward Island.

This meeting at O'Leary also set the date for the meeting at O'Leary, May 9th at 7:30 p. m., to which Mr. A. E. MacLean, M.P., and Mr. Frank Arnett are invited to attend.

Twenty-one farmers were present at the Milo meeting. These farmers sold a total of 200 bushels of their 1934 potato crop, for which they received from 8c. to 13c. per bushel. In other words these 21 farmers received less, on an average, than \$1.00 each for their 1934 potato crop to date. A motion was passed unanimously that a bonus of \$10.00 per acre or 5c. per bushel be asked for, that the maximum number of acres be 6, and the maximum number of bushels be 1,200, to be paid to any one farmer.

Mr. James McIsaac moved that any farmer planting any acreage over five acres up to 10 acres be voluntarily reduced by 50%. This was seconded by Mr. Hugh MacPhee and carried unanimously.

It was moved by Mr. Albert Milligan that a resolution be presented to the government asking for legislation to compel the growers of more than 10 acres to pay \$25.00 per acre to the government, this money to go into a fund to revert back to the farmers. This was seconded by Mr. Oliver Gorriil and adopted by a standing vote.

The meeting then adjourned to meet at O'Leary on May 9th at 7:30 p. m.

—**SLIGHT FIRE**—The manure shed connected with a barn owned by Mr. William McKay, Kensington, was burned yesterday morning. The alarm was given by Mrs. McKay and neighbors who quickly gathered got the fire under control before the Kensington firemen came. The damage was slight.

—**WEDDING BELLS**—Mr. Weldon L. Croeman, formerly of Summerside, P.E.I., and Mae T. Reid, formerly of Truro, N.S., were married in the First Methodist Episcopal Church, Revere, Mass., on Sunday afternoon. Rev. William Snow, pastor of the church and a native of Newfoundland, tied the nuptial knot. A few friends of the couple were present at the double-ring ceremony.—Oakland Maple Leaf.

—**WORKMEN EMPLOYED**—Many Summerside workmen are being employed making the cement wall at the west end approach to the town. This work besides providing employment is very essential as it will be a permanent out-ramp and will stop the tide from undermining the roadway at this point. The repairs to Queen's Wharf are going along at a good pace. The Marine Wharf is also undergoing repairs and many are employed there. The unpaved streets of the town are being graded and put into shape for the summer months. S.

—**SHIPPING SEASON OPENS**—With the arrival of the S. S. Gaspara on Tuesday afternoon the port of Summerside was officially opened for the shipping season. The captain reported that he was unable to call at Gaspe on account of ice conditions. The steamer brought a general cargo. The captain says that he has made the trip one week earlier than last year and two weeks earlier than the year before. He says the season is very backward this spring and there is a good deal of ice in certain parts. The steamer left Summerside Wednesday morning for Pictou and Charlottetown. She will call at Gaspe on her return trip. A boat is expected by the Associated Shippers to call at Summerside some time this week to take a quantity of potatoes to New York. A steamer is also expected this week to bring fertilizer to Island ports.—S.

—**DIES SUDDENLY AT CAMPBELLTON**—Friends learned with regret of the very sudden death on Saturday, April 27th, of Mr. John O'Holloran at his home in Campbellton, Lot 4, Mr. O'Holloran had been out to feed his car and had returned to the house to get his fishing rod as he had decided to go on a fishing

It would be prudent for all to utilize lights.—Y.

—**SAD NEWS RECEIVED**—Mrs. Benj. Cairns of Summerside has received the sad news of the death of her aunt, Mrs. A. E. Sherman, which occurred in Dorchester, Mass. on April 13th. Mrs. Sherman was formerly Miss Emilie Hacker of Wilmot and was in her 93rd year. She was very bright and active until five weeks ago when she suffered a slight stroke which proved fatal. There are left to mourn her daughter (Ada) Mrs. Condon and her son, William, with whom she resided. Both children reside in Dorchester, Mass. The funeral took place on April 15th from the home of her son. Many Island friends will regret to learn of the passing of an old friend and neighbour.—S

—**TRIP** He suddenly became unwell and passed away before a doctor could be summoned. Mr. O'Holloran met with an unfortunate accident as a young man and lost his right arm. In spite of this accident Mr. O'Holloran worked hard on his farm and it is thought that his heart had become weakened through his physical handicap. He was very highly esteemed in the district and will be much missed by a large circle of friends. The funeral took place on Monday morning to the Roman Catholic Church at St. Marks. Two brothers are left to mourn, Peter and Arthur O'Holloran, who resided with the deceased on the old homestead. S.

"THE CANADIAN CAR"

... 1935 FORD V-8

MANY PEOPLE are astonished to find that the Ford V-8 interior actually has more head room, shoulder room and leg space than many "big" cars. That's why the V-8 is such a splendid family car. Seats are inches wider (front seats 4 ins. to 5½ ins.) so that three people can ride on either front or rear seat. Doors are inches wider too, permitting easier entrance and exit.

The new forward position of the V-8 engine, new distribution of passenger weight and the new springs, effect a marvellously easy ride. Roominess and riding comfort are matched by elegantly styled body lines, rich appointments and exterior and interior finishes. The economical Ford V-8 engine gives the performance you would only expect in an automobile costing several times as much. In fact, to get a V-8 engine in any other car you have to pay \$3500 or more.

Take a ride in this Ford which brings together so successfully every quality you want a car to have. Your Ford dealer will be pleased to demonstrate its balanced value.
