all smart hosiery must have

Choose from 27 Paris colors

FIVE unique style features have won the favor of two million women. They are all found in Holeproof Hosiery alone. Because of them Holeproof's styles are accepted as authoritative. These features are the reasons for Holeproof's tremendous popularity. . . . Scientific safeguards that its makers alone can offer you. Note each one carefully.

- [1] **Imperfections.** Style vanishes with imperfections. Here Holeproof safeguards you by nine separate inspections. It is a fact that few other fine hosiery are so uniformly perfect.
 - [2] **Correct Paris shades.** Paris authorities select the newest shades. A unique scientific dyeing process keeps them clear and bright. Our anti-fade treatment protects from fading.
 - [3] **Superlative transparency.** Even in the heavier weights there is no cloudiness, no streaks. First the silk is specially treated, then it undergoes the special scientific Holeproof treatment.
 - [4] **No loose ends.** Loose threads mar appearance. So Holeproof carefully trims the inside of each stocking by hand.
 - [5] **Exquisite clearness.** In sheer chiffons clearness comes only with the use of uniformly even thread. The lack of it in cheaper silk causes unsightly shadow rings. So at greater cost Holeproof selects China silk, judged finest of all original grades.
- All Holeproof numbers have these points. No matter what color or fabric or style you choose, each pair is faultlessly and fashionably correct. See the new colors while the assortment is complete.

Was Not Able To Walk Upright

Newfoundland Lady Suffered With Her Back and Found Relief in Dodd's Kidney Pills.

Mrs. S. Snelgrove is Now Very Enthusiastic About Dodd's Kidney Pills.

Exploits, Nfld., May 10.—(Special)—After suffering untold pain and discomfort for ten years, Mrs. S. Snelgrove tells how she found relief. She says: "I have used your Dodd's Kidney Pills and they have done me a lot of good. I suffered with a bad back and was not able to walk upright. I also suffered from rheumatism and diabetes. My sleep was broken and unrefreshing and my appetite was awful. After taking six boxes of Dodd's Kidney Pills my back is better and I am able to walk and work in comfort. I always keep Dodd's Kidney Pills in the house and would not be without them."

All that is claimed for Dodd's Kidney Pills is that they are a kidney remedy. They heal and strengthen the kidneys. They are used to treat rheumatism, urinary troubles, diabetes and heart disease, because all these ills are either of the kidneys or caused by diseased kidneys.

Rugs you will see in well-furnished homes—

THE well-chosen rug is the keynote of the decorating scheme. It gives old furniture new charm, provides a setting for the choice pieces, quietly dominates its little kingdom. You realize the truth of this when the rug is taken up for a dance or when sent to be cleaned. Its absence creates a bareness and removes the appearance of warmth and comfort of the whole house.

furnished homes, as BARRYMORE RUGS are designed and woven with the thought always clearly in view that they will be placed in modern homes where all the decorations are smart and up to date. In keeping with their beauty is their richness of texture, depth of pile, and remarkable wearing qualities. Under average home conditions a BARRYMORE will last for a generation.

The spirit of the present day is mirrored in the beauty of coloring, the individuality of design and the perfection of weaving of BARRYMORE Guaranteed RUGS. These are the rugs you will see in the majority of well-

TREE-TOP STORIES

CLOUD-PILLOWS

"Billie" said Betty, "do you see those puffy white clouds over there?"

"Yes," Billie answered. "They look like great BIG pillows."

"I know," Betty exclaimed. "They are the Giants' pillows!"

"And what big beds they must have!" Billie said.

"There were big pillows, and medium sized pillows, and small pillows, floating in the sky. In a little while they were gathered together on a hill-top.

"The giants are getting ready to go to bed," said Billie.
