Eastern Canada Savings And Loan Company Stock

The greatest of all English bards wrote "I'll bloweth the wind that profiteth nobody." So it is with the Eastern Canada Savings & Loan Co. owing to the money stringency and the high interest rates prevailing, this Company's earnings should show the effects of loans made upon mortgages at the favorable rates now current.

This institution is making steady progress and owing to the extensive developments anticipated in Nova Scotia in the next few years should show even more gratifying advancement.

We offer a block of shares of this Company in lots to suit buyers. Price and full particulars upon application.

CLEVER BANK LOOTER

He Opens Safes Without Boethring With The Combinations.

The Klark-Urban Company will commence a six night and Saturday matinee engagement at the opera house, commencing Monday evening in the much heralded and widely-talked of attraction, "Alias Jimmy Valentine", which left New York only after two seasons of remarkable receipts and crowded houses. "Alias Jimmy Valentine" can hardly need an introduction to local theatre goers. He has been too long prominent as a stage fiction. The fame of the bold and clever bank looter, who could open a safe door with his sensitive fingers, but who was able to reform and lead a clean life when the right sort of a woman came along, has gone before him. Nevertheless it may be interesting to recall the fact that O. Henry whose death a few months ago robbed America of one of its cleverest short story writers, was the author of "A Retrieved Reformation" and on this, with modifications, was the play "Alias Jimmy Valentine" composed by Paul Armstrong, with mastery skill. It is by common agreement, a big, straightforward, red-blooded play. All special scenery and electrical effects will be used for the above play and high class vaudeville will be introduced between acts making a continuous performance. Seats on sale at Jamiesons and Rankins Drug stores.
