QUEEN SQUARE CAPTURES RUGBY TITLE

DOWN THE BACK STRETCH

Heatherbell 210, will be sold by the estate of the late Brenton McInnis, next Wednesday morning. Heatherbell is eligible to the 212 class trot, or in mixed classes where there is an allowance of three seconds for trotters.

The O'd Glory auction will be held at Squadron "A" Army, New York City, next Tuesday, Wednesday and Thursday. Outstanding features will be the consignment from Walnut Hall Farm, Kentucky, The Village Farm, Langhoro, Pa., and Hanover Shoe Farms, Hanover, Pa.

Overwards of 150 yearlings will be consigned from these speed nurseries and in addition there will be further consignments from Almahurst Farm, the home of Mr. McElwyn 1.59 1-2, and a large array of more mature speed including notable campaigners from the stables of leading eastern states and Grand Circuit stables.

Let us glance at a few of the good yearlings (two-year-olds in 1936) that will come under the hammer. Here are a few of the royally bred ones from Walnut Hall Farm, Princess Marina, full sister of Protector (3) 1.59 1-4, The Marchioness (3) 1.59 1-4, and The Master (2) 2.08. Lord Selka, brother to His Lordship (2) 2.07 1-4, half brother to Lord Jim (3) 2.00 3-4. Golden Rule, half-sister to P'o Worthy 2.02, Fireglow (2) 2.04, etc., etc.

Some yearlings from the Village Farm are Widow Brewer by Peter the Brewer 2.02 1-4, dam Widow Grattan 2.00. Avondale by Abbedale, sister to Miss Volodale (3) 2.04 1-2. Cloverdale by Abbedale, dam Fannie Direct (3) 2.07 1-4. Princess Aubrey by Red Aubrey, dam Alma Volo 2.10 1-4. Goldendale by Abbedale 2.01 1-4. dam Skeeter W. 2.03. Bronco by Trux 2.03 1-2, dam Bronco Queen 2.09 1-4.

Among the tops offered by the Hanover Shoe Farms are Watson Hanover by Calumet Chuck (2) 2.04, dam Alma Hanover (3) 2.07 1-4. Robert Hanover by Guy McKinney (4) 1.58 3-4, dam Mickey Dillon (3) 2.09 3-4. Ella Hanover by The Great Volo 2.04 1-4, dam Nella Dillon, dam of Captain Hanover (3) 2.02 1-2.

The above are a few samples of the 200 odd yearlings that will be sold next week. The breeding of almost every one of them is superb and it is by no means a sure thing that those heralded as the tops are the ones most likely to head summaries in the next few years although they will no doubt bring

by far the highest prices at auction. Recent examples of low priced colts sold in New York making good are fresh in one's memory, for instance Calumet Evelyn (4) 1.59 3-4 sold for \$120 three years ago, Tara (4) 2.00, sold for \$250, and the list might be extended indefinitely with instances of colts that showed very little in the ring, afterwards becoming stars of the pacing and trotting firmament.

The complete results of racing in 1935 are now in and it is found that Guy the Tramp p. 2.02 1-2, t. 2.05 3-4 on a half-mile track, not only established the world's double-gaited record over a half mile track but also won more races on the trot than any other campaigner in the United States or Canada in 1935.

Few of us who watched him perform at Charlottetown on the pace against Toll Gate at the Exhibition August, 1934, would believe that such a transformation could be made in a ten year old horse. It speaks volumes for the ability of trainer-trainer W. C. Crummer, now located with Guy the Tramp at Pinehurst, N.S.

Twenty-five years ago the stable trained by the late Ed. F. Geers had the top trotter and top pacer of the Grand Circuit. Dudie Archdale 2.03 1-4 headed the trotters with \$29,234.50 in money won, and The Abbe 2.04 led the pacers, scoring eleven consecutive victories and earning \$17,550. The Abbe sired Abbe Worthy 2.05, now the property of Frank McKay, East Royalty P.E.I.

Twenty-three stallions and fourteen geldings have taken records of two minutes or better on the pace. It is a curious thing but true, that nearly all the stallions raced without the hoppers, while twelve of the fourteen pacing geldings, wore them.

Some ten or fifteen years ago it was common practice for stock farms to train yearlings with the idea of giving them records and boosting their sires. One of the stallions whose get showed the greatest precociousness was J. Malcolm Forbes, a son of Bingen out of the dam of Peter the Great 2.07 1-4. Year after year a whole bunch of them would be placed in the 2.30 list, obtaining their records against time at Lexington. Some of them would race as two-year-olds, then nearly all would be unheard of.

It then dawned on the same astute horsemen that the practice

(Continued on Page 11)

Maroons And Toronto Leafs Clash Tonight

(C. P. by Guardian's Special Wire) Every club in the National Hockey League will see action this week-end with Toronto Maple Leafs and Montreal Maroons on the iron man trail with games Saturday and Sunday nights in the five-game program.

Tommy Gorman's Maroons meet Leafs at Toronto Saturday night in the first meeting since the Maroons won the Stanley Cup last spring and after what is expected to be a rough tough battle journey to Chicago for a Sunday meeting with the unbeaten Hawks. Toronto travels as far as Detroit with them for a Sunday game with the winless Red Wings.

The other half of Saturday's twin bill finds New York Americans at Montreal for a tilt with the speeding Canadiens who can take first place in the League's Canadian section with a win provided Toronto lose both week-end games.

Boston invades New York for their first engagement of the season with Lester Patrick's Rangers in a purely sectional affair Sunday and a win will give the Bruins a tie with the second place blue-shirts in the point-standing. A notable feature in the early season race is the fact Maroons have only scored two goals—one by Gus Marker—yet have won one and lost one game while Boston has scored one goal and have had one scored against them to break even on the two games played.

TWO FOR ONE

BANDERA, Tex.—R. C. Hallmark reported he reeled in two bass, one weighing five pounds and the other five and one-quarter, on the same pier while casting at Medina Lake near Bandera. The story is corroborated by Tom Davis, who witnessed the two-ply catch.

Professionals Reinstated As Amateurs

(C. P. by Guardian's Special Wire) HALIFAX, Nov. 22—Reinstatement of 12 professionals to the amateur ranks was approved today by the registration committee of the Amateur Athletic Union of Canada.

The resolutions, adopted unanimously, demanded the "prompt and drastic action" of all sports governing bodies in eliminating the evils of "deceit, dishonesty and hypocrisy" from amateur sport and "a statutory declaration" of athletic histories of American registration.

Deplored "the attitude of certain sports governing bodies in condoning offenses against amateurism" and in endeavoring to transfer the responsibility to this union, the first dealt with means of controlling money-making amateur games.

It demanded "the careful investigation of the promotion and backing of teams and audited financial statements from all parties participating in gate receipts" from all branches and allied bodies.

The other resolution was directed against the importation of rugby players from the United States and came directly on top of sensational charges against Roy Berry, Ottawa Roughriders player in the Interprovincial Union this Fall, that caused the suspension of all Ottawa players from amateur competition. The suspension was lifted today by President Fry, but the Union gave him full powers to deal with any future developments of the situation as he should see fit.

In addition to demanding declaration of athletic activities of all United States football players seeking amateur cards, the Union also decreed that one month must elapse after application is made before the card will be issued.

It also empowered the President of the Union to forbid anyone carrying an amateur card to participate in any body that does not take "immediate steps" to correct "obvious abuses" to the amateur code "whereby devious means are employed to falsely secure amateur cards."

"This gives the Union an opportunity to show the public which often sneers at our authority that the Union recognizes existing conditions and is taking steps to stamp

THE KING IS DEAD.....LONG LIVE THE KING!

A. A. U. Takes Steps To Stamp Out Professionalism

(By Arthur Merkel) (Canadian Press Staff Writer) (C. P. by Guardian's Special Wire) HALIFAX, Nov. 22—Two resolutions designed by Dr. A. S. Lamb of Montreal and his resolutions committee "to stamp professionalism out of amateurism" received enthusiastic adoption today by delegates to the 48th annual convention of the Amateur Athletic Union of Canada.

The resolutions, adopted unanimously, demanded the "prompt and drastic action" of all sports governing bodies in eliminating the evils of "deceit, dishonesty and hypocrisy" from amateur sport and "a statutory declaration" of athletic histories of American registration.

Deplored "the attitude of certain sports governing bodies in condoning offenses against amateurism" and in endeavoring to transfer the responsibility to this union, the first dealt with means of controlling money-making amateur games.

It demanded "the careful investigation of the promotion and backing of teams and audited financial statements from all parties participating in gate receipts" from all branches and allied bodies.

The other resolution was directed against the importation of rugby players from the United States and came directly on top of sensational charges against Roy Berry, Ottawa Roughriders player in the Interprovincial Union this Fall, that caused the suspension of all Ottawa players from amateur competition. The suspension was lifted today by President Fry, but the Union gave him full powers to deal with any future developments of the situation as he should see fit.

In addition to demanding declaration of athletic activities of all United States football players seeking amateur cards, the Union also decreed that one month must elapse after application is made before the card will be issued.

It also empowered the President of the Union to forbid anyone carrying an amateur card to participate in any body that does not take "immediate steps" to correct "obvious abuses" to the amateur code "whereby devious means are employed to falsely secure amateur cards."

"This gives the Union an opportunity to show the public which often sneers at our authority that the Union recognizes existing conditions and is taking steps to stamp

U.S. Olympic Hockey Team Sails Jan. 15

NEW YORK, Nov. 22—Members of the United States Olympic team will sail on the liner Manhattan July 15, it was announced today by the American Olympic Committee.

The team will arrive in Hamburg July 23 and will proceed immediately to the Olympic village in Berlin. Thus the athletes will have a full week in which to get accustomed before the games open on Aug. 1.

Fifty-eight members of the Olympic winter sports team will sail on the Manhattan Jan. 3 to compete in the winter Olympics at Garmisch-partenkirchen Feb. 6-16. The figure skaters will follow on the Washington, sailing from New York, Jan. 15.

ALL STAR HOCKEY PRACTICE

The following players are asked to attend practice tonight at the Forum, from 9 to 10. Every player mentioned is asked to be on hand on time. Gillan, Blinn, H. Richardson, V. Farrar, J. Foley, J. Leightizer, V. Larter, J. McDougall, J. Kelly, L. Phillips, W. LeBlanc, M. Drane, L. Smith, B. McCallum, F. Smith, McLennan, R. Flanagan.

Decision was made to hold the Canadian track and field championships at the same time as the boxing and wrestling tournaments in connection with the Olympic trials. Where or when the trials will be held will not be decided until before January 15 so that the Olympic Committee may receive definite financial bids from various clubs and branches connected with the Union.

A resolution aimed to allow reinstatement of professionals during the year on the decision of the chairman of the National Registration Committee chairman, and the President and Secretary of the Union. At the same time the Union threw out a proposal from President Fry that would have closed the door to reinstatement of athletes out of professional competition for three years.

The term "registration of athletes" was interpreted as meaning "that athletes shall secure current amateur registration cards of the Amateur Athletic Union of Canada except in cases where existing articles of alliance provide for separate registration."

The definition was designed to clarify "apparent lack of unanimity" of interpreting the term by various allied bodies of the Union. Provision was made, however, that such bodies as the Interscholastic Athletic Union would have procured amateur cards for their players to compete in senior league hockey.

The 1936 annual meeting of the A. A. U. will be held in Regina but a notice of motion will be before that body urging adoption of a central zone "between Winnipeg and Montreal" for future conventions of the body.

Halifax Miss Choice For Crow Award

(C. P. By Guardian's Special Wire)

HALIFAX, Nov. 22—Adjudged Canada's outstanding athlete of the year, pretty Allen Meagher, Halifax sprinter, tonight was awarded the Norton H. Crowe Memorial Prize at the annual meeting of the Amateur Athletic Union of Canada.

The only others nominated, Henry "Hank" Cieman, Canadian walking champion, and W. "Scotty" Rankine, great marathoner, were eliminated by the selection committee and the name of the Halifax flash was the only one put before the convention.

Earlier in the week Miss Meagher received the Belma Springstead Memorial award from the Women's Amateur Athletic Federation as the outstanding woman athlete.

The selection committee for the Crow award was made up of President W. A. Fry, Chairman, Secretary John Leslie and representatives of each branch of the Union.

In announcing the winner, President Fry said Miss Meagher's sensational dashes at the British Empire Games contributed largely to the award.

Various sports writers and newspapers in England agreed, he said, that the way she ran the third lap of the relay for the Canadian team was "the biggest thrill of the Empire Games."

The 24 year old Halifax runner had the disadvantage behind the leader but finished her lap out in front with a margin sufficient to give Canada a victory although the final sprinter ran a losing race.

Delaying the opening of the final session of the A. A. U. tonight, President Fry led the delegates across the hall from the council chambers to the ball room where he interrupted the Dalhousie University law students' annual dance.

Mr. Fry made a very complimentary speech before the large gathering of Miss Meagher's college associates and then beckoned her to the stage to receive the award.

Miss Meagher holds four Canadian sprint records, the 60 metres in 7 6-10 seconds, the 80 metres in 25 4-10 seconds, the 90 yards in 7 7-10, and the 220 yards in 25 6-10 seconds.

She holds Maritime Province records in the 60 yards, 7 secs; 100 yards, 11 1-5 seconds; 220 yards, 25 2-5 seconds; 80 metres, 7 3-5 seconds; 100 metres, 12 1-5 seconds; and the 220 metres in 25 2-5 seconds.

President P. J. Mulqueen of the Canadian Olympic Committee nominated Miss Meagher for the trophy, while the Central Ontario Branch suggested Henry Cieman, and "Scotty" Rankine was nominated by the South Western Ontario branch.

Class D. professional circuit was formed, Stirling has been coming west from his Saint John, N. B., home to pitch for Bruno Haas-Maroons.

Ace of the team's pitching corps, Stirling enjoyed his best season this year. He registered 24 victories against only two losses, and established what was believed a Canadian record by winning 13 games in succession.

Fighting Band Of West Kenters Go Down To Defeat In Close Struggle 6-5

(C. P. By Guardian's Special Wire)

Finis Written To Football Season As Interscholastic Championship Is Decided.

Overpowering their opponents by the very relentlessness of their attack Queen Square School's fifteen yesterday snapped West Kent's dominance of interscholastic rugby of a gruelling series by a 6-5 score. Originally scheduled as a best out of three series the teams were forced into the fourth and deciding game when each squad won one with one being drawn.

Not packed with the thrills and tense moments of the previous encounter nevertheless yesterday's game was but another display of the toughest kind of rugby. But it was the new champion's day. Consistently outplaying the defenders the Q. S. team gave West Kent little chance to get organized and although the losers' scrum heeled the ball the majority of times the fast purple and white backs were always on the spot to smother any attempts at passing. But although West Kent were outplayed they threw up a stubborn defence all the way yielding only when Vern McDonald raced 40 yards for Queen Square's first try in the dying moments of the first half and again when Frank Gallant fell on the ball over the line early in the second half after following up a dribble from 35 yards out. The West Kent try came with a minute to go Doug Saunders taking "Babe" Fitzgerald's pass at the line after the diminitive picking quarter had rounded the blind side of the scrum to race 20 yards, Saunders then added the extra points with a beautiful kick between the posts.

The Queen Square team were all a team of stars yesterday. The forwards, showing surprising stamina after their gruelling struggle on Thursday were on top of every play while the backfield's deadly tackling stopped the West Kent thrusts with monotonous regularity. If a star could be picked the bouquets go to Tom McEwen, their fullback. Throughout the entire game the youngster, playing like a veteran continually returned long West Kent kicks and said kicks played an important part especially during the latter half.

Doug Saunders was the star of the West Kent team; his high, ground-eating kicks took his team out of many dangerous situations and he was probably the most marked player on the field.

In the first minute of play Queen Square battled their way to the West Kent line but were forced back; nothing daunted however they came right back and for the next ten minutes it was a case of Queen Square continually threatening but West Kent always relieving. Immediately after a penalty placement attempt by Queen Square had failed from 30 yards out West Kent carried the play into opponent's territory for the first time. Backed on their 10 yard line the purple and white team started an advance from here that led to their first try. Howatt's kick took the play well out and then Mike McTague following fast dribbled into the clear when Vern McDonald scooped up the pigskin to outrace his opponents to the line.

Purser's kick for the extra points was a little wide. Q. S. again fought their way to the 10 yard line after play had been resumed but Saunders booted out of danger, the half ending with West Kent in their opponent's defending zone.

For the first ten minutes of the second half it was mainly a kicking duel between Saunders and Norrie with the former having slight advantage and taking the play into Queen Square territory. Dribbling and punting however, the winners worked back to W. K. S's 35 yard line and from here they accounted for their second try. Striking to a dribbling game Queen Square worked the ball over the line and in

the race for the oval a Queen Square man was the winner Frank Gallant getting the try. Agan Purser's kick was only inches short.

After Queen Square had again threatened West Kent took matters in their hands for awhile and gave their opponent's anxious moments; they were turned back twice but after Q. S. had been forced to touch for safety the yellow and blue team accounted for their points. From a scrum 25 yards out the ball came to Fitzgerald; crossing his opponents up the West Kent picking quarter rounded the blind side to race to the five yard line where he passed to Saunders who crossed standing up. It was the prettiest play of the game and when Saunders kicked the extra points new spirit was injected into the West Kent team. But there was only a minute left to play and the final whistle found the teams battling on the Queen Square 40 yard line.

Lineups:— Queen Square: Fullback, Norrie; three quarters, Coyle, Doyle, McDonald, F. Hennessey; halves, Howatt, Hennessey, McKinnon; forwards, Purser, F. Hughes, M. Hughes, Wilson, McTague, Gormley, Gallant, Conway, McMillan.

West Kent: Fullback, Harding; three quarters, Archer, McEachern, Anderson, Andrew; halves, Fitzgerald, Saunders, Jay; forwards, Mathieson, Sinclair, Glover, Calbeck, Gillis, Richardson, Johnson, Andrew.

Referee: W. J. McDonald.
