FASHIONS FOR CANADIANS

The "handkerchief" drapery is one of the new ideas evolved to bring about the uneven line at the skirt edge so much favored this season.

The frock from which this sketch was made was of gray crepe, a color and fabric as much favored as the "ragged" skirt edge.

These drapery sections may be attached to the skirt proper where skirt hem and drapery points meet, if desired; but if the fabric has sufficient body so that the drapery points will not be at the mercy of every passing breeze...

This frock also has a particularly pleasing sleeve treatment. The sleeves are cut to flare a trifle, then slashed so that two long points fall below the elbow.

An unusually charming cotton fabric frock recently seen was of black and white dotted swiss, the swiss being black with white dots.

Organdy and taffeta are combined in many chic frocks. Sometimes the underneath frock of taffeta will be draped with organdy in contrast color.

WILL SHAREN WIN A PLACE?

Can Bill Sharen, the great Nova Scotia horse, win a place in the \$15,000 trotting event slated for Cleveland August 8 next.

It will be the largest purse of the year for aged horses, and nearly every one in sight that seems to have a chance in the free-for-all class is among those nominated.

Several of the entries came as a surprise to a good many followers of harness racing. There are of Trumphet, 2.12 1/4, and First National 2.12 1/4, for example with records seemingly unpromising of victory in a field which includes such clinkers as Nedda, 2.03 1/4; Ante Guy, 2.03 1/4; McGregor the Great, 2.03 1/4; E. Colorado, 2.06 3/4; and Sister Bertha, 2.02 3/4.

ones behind him. This was in 1918, since when he has not started. Trumphet was out last year and made a winning race record of 2.15 1/4.

June Red, 2.05 1/4, one of Ed. Geers' entries, and Early Dreams, 2.03 1/4, are the veterans of the field, each being 13 years old, while Charley Rex, 2.04 1/4, is only one year younger.

Eleven of the eligible trotters are entered in the 2.05 race, to be trotted at Cleveland's first meeting, beginning July 4, and thirteen of them are in the same class the following week at Toledo where they will meet Arion Guy. These races should give a good line on the big event of Cleveland's second meeting, but the best of the baker's dozen entered at Toledo will have to reckon with a new factor in Nedda, regarded by many horsemen as the most formidable trotter of the twenty-seven he is not eligible to the 2.05 class and may get a race until she starts for the \$15,000 purse.

Following are the nominations in this race:

- Sister Bertha, 2.02 3/4; Ante Guy, 2.03 1/4; Early Dreams, 2.03 1/4; McGregor the Great, 2.03 1/4; Nedda, 2.06 3/4; Galli-Curel, 2.03 3/4; Baron Cegantic, 2.04 1/4; Charley Rex, 2.04 1/4; Brusloff, 2.04 1/2; Periscope, 2.04 1/2; Peter June, 2.04 1/2; Peter Peter Coley, 2.04 3/4; Royal Palm, 2.04 3/4; Comet, 2.05 1/4; Arion McKimney, 2.05 1/4; June Red, 2.05 1/4; Just David, 2.05 1/4; Millie Irwin, 2.05 1/4; Ramco, 2.05 1/4; Greyworthy, 2.06; Jeanette Rankin, 2.06, 2.06 1/4; E. Colorado, 2.06 3/4; Patrick Todd, 2.07 1/4; Bill Sharen, 2.11 1/4; First National, 2.12 1/4; Trumphet, 2.12 1/4.

The terra cotta locks of the girl with a wealthy father become auburn or golden as she grows older, but the red-headed boy remains red-headed to the end of the chapter.

INDUSTRIAL ALCOHOL—In view of the ever-increasing business of manufacturing alcohol for other than beverage purposes, and solely for industrial uses, the municipal committee of the Ontario Legislature reported a bill to reduce the assessment on such distilleries from 150 per cent. to 60 per cent.

claimed, in support of the measure, that alcohol would soon be used extensively on the farms in place of gasoline.

HE GAVE UP—"I was engaged, you know—" "Yes?" "Well, she made me give up smoking, card-playing, Sunday golf, bright ties, musical comedies, and most of my friends, so that—" "Yes?" "I got into such a habit of giving things up that at last I gave up something on my own account." "Which was?" "The girl."

PITCHER SHEA RELEASED

NEW YORK, April 26.—The release of Pitcher Pat Shea to the Chicago Americans under the inter-league waiver rule was announced today by the New York Nationals.

Mr. Billy was cross-examining a down-trodden witness. "Now, Sir," he thundered, "you have stated under oath that this man had the appearance of a gentle-

man! Please tell the jury how a gentleman looks—in your estimation!" "Well—er—a gentleman looks like—er—a—er—" stammered the poor confused witness. "With unmerciful sarcasm the counsel plunged to the attack again. "I don't want any of your 'ers,' and remember you are on oath! Can you see anybody in the court who looks like the gentleman?" "The witness' eyes for the first time showed anger, and he blared out: "Stand out of the way and then perhaps . can.You're not transparent!"

THURSDAY: TRAVELING ON A VERY SLOW TRAIN ON A BRANCH ROAD, AND IT WAS GOING SO SLOWLY THAT I GOT NERVOUS.

AS I HAD FORGOTTEN TO WEAR MY WATCH, I CALLED THE PORTER AND ASKED WHAT TIME IT WAS. "AH DUNNO, SAH," SAID HE "AH DON'T CARRY NO WATCH, SAH."

"WELL, ASK THE CONDUCTOR." "HE DON'T CARRY NO WATCH EITHER, SAH." "WHAT! DON'T ANYONE CARRY A WATCH?" I EXCLAIMED.

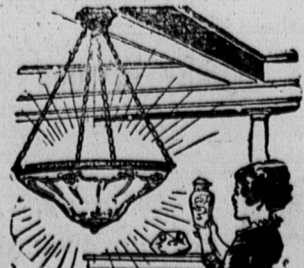

"NO SAH, NOBODY CARRIES A WATCH ON DIS BRANCH. WE CARRIES A CALENDAR."
