Preven's and Breaks Up GRIP

(From N. Y. Sun.)

A New Form of Grip Epidemic.

Within the last week the physicians of this city have made the discovery that Grip in a strange form is epidemic. The attack is accompanied by pains in the muscles, particularly in the arms and shoulders which suggest the twinges of rheumatism. Vague sensations in the chest of a very uncomfortable description induce a "gone" and forlorn frame of mind. There is a sharp cough, but the most distressing features of ordinary Grip are lacking.

The prompt use of Dr. Humphrey's Specific Seventy-seven ("77") will break up the worst attack of Grip and Colds.

At all druggists 25 cents, or mailed on receipt of price. Doctor's Book Mailed Free.

MALT BREAKFAST FOOD
Far Ahead of Liquid Malt
Extracts for Imparting
Health and Strength.

When it is possible, judge for yourself, especially in matters concerning health. A large number of worthy people in order to gain flesh and strength, use malt extracts. It should be well known that these liquid malts are spoiled by the admixture of fermented liquors, and are injurious to digestion.

For the gaining of health, strength and vigor, eat malt; do not drink it.
Malt Breakfast Food gives to all who are seeking for strength and robustness the pure Malt in its simple and fresh condition. This Malt renders the starch of the Wheat soluble, giving a food in which digestion has already commenced, therefore easily digested by the human digestive agents. It is an established fact—one worthy of special note—that one package of Malt Breakfast Food contains more nourishment and strengthening qualities than can be found in one dozen bottles of liquid extracts costing from fifteen to twenty times more money. IN HONOR OF BUFFALO BILL.
A new town in Wyoming is called "Cody" in honor of Buffalo Bill. The town was "inaugurated" the other day when the mayor received Col. Nobody was killed.

A Message to Tortured and Racked Sufferers
By
PAINE'S CELERY COMPOUND

Her Condition Before Using The Great Medicine Was So Bad She Could Not Raise Her Head and Could Not Walk.

In the majority of cases, the prime cause of rheumatism is a lack of nerve force. When the nervous system is weakened, the joints are well—usually the knees, elbows and wrists, and there is severe inflammation and suffering. Paine's Celery Compound is the only medicine that can banish the gathering symptoms and permanently cure the most terrible cases of the disease. Thousands of strong testimonials from the people of Canada—many from your near friends and neighbors—prove conclusively that no other medicine possesses such marvelous powers for the cure of rheumatism, sciatica and lumbago.

An Orillia, Ont., lady, Mrs. S. W. Sullivan, writes thus: "Early last autumn I was so badly afflicted with rheumatism that I could not raise my hands to my head, and often could not walk owing to pains and stiffness of joints. At night I rarely slept owing to nervousness and feelings of exhaustion. I commenced to use Paine's Celery Compound, and soon found myself greatly relieved, and after use of first bottle, my pains and nervous feeling were banished. In order to make the cure complete, I used the second bottle of Paine's Celery Compound, and now am as strong as ever before. I sleep well, appetite is always good, and digestive vigor all that I could wish."
