Brother Jim O'Brien just a short distance away at Elmfield is also a noted horseman having brought out and developed a number of high class trotters and pacers. This was a real one, surely meant for two minute honors had he not met with an injury, but even handicapped with that injury he stepped a 2.10 3/4 mile at Charlottetown race track.

DOWN THE BACK STRETCH (continued)
We just looked out the window and saw our old friend Ira Carr passing. We were going to say that he had deserved the horses but believe there is a warm feeling in his heart for them, because every spring when the training has pretty well progressed Ira will be on hand at the Charlottetown Driving Park twice in the mornings once or twice weekly to watch the workouts.
