FOR THE BOYS OVERSEAS — On the 28th of January a bingo and entertainment sponsored by the Holy Name Society of St. Augustine's Parish, Rustico, was held in the parish hall at which a very large crowd attended. A very enjoyable evening was spent. The proceeds of the night's entertainment which amounted to \$42.00 will be spent in sending parcels to the young men of the parish who are now on active service overseas. Already ten patriotic young soldiers have reached the Old Country and are in military service somewhere in England. The parishioners of Rustico feel very proud of these brave young men who have left their dear ones, their friends, and their fireside comforts, to rush to the defense of their Mother Country and to help eventually to restore peace and freedom to the world. The prayers and good wishes of the parishioners of Rustico will always accompany these young warriors wherever they may be, and it is the cherished hope that, when this cruel war is ended, these young men may all return to their families and loved ones to enjoy a well-deserved peace and happiness.

They Menace *Canada* on Both Coasts

Canada is now menaced directly on both coasts. The war has spread in a twinkling across two oceans. This is now a WORLD war — Canada stands squarely in the path of conflict. We who are fighting for freedom have great resources. But the enemy was ready years ahead of us. Only work, sacrifice and grim determination to battle with all the weapons at our command will bring ultimate triumph. From those of us unable to bear arms, dollars are needed to forge new tools of victory. We must be prepared to do OUR part—to the utmost.
