—REPAIRING CHURCH.—The services of the Summerside Baptist Church on Sunday last, were held in Epworth Hall, as repairs to the church which damage was caused by the storm of the 19th February, have not been completed. Services were delivered by the pastor, Rev. Mr. Herman.—H.

Much sympathy is felt for Mr. Andrew McLeod of Forest Hill in the death of his little son John, aged six years, which occurred yesterday morning at the home of his uncle and aunt Mr. and Mrs. Herbert Jones, Harrington, where the little fellow had made his home since the death of his mother about two years ago. He was an unusually bright and happy child and a great favorite. He had been ill only a week of grippe followed by pneumonia. The Guardian tenders deepest sympathy. Interment at Forest Hill Cemetery.

There passed away at her home in Long Creek on February 15th., Mrs. Flora MacCannell, aged 79 years. She was of a kind and loving disposition and will be greatly missed by a wide circle of friends and acquaintances. And although in failing health for a number of years, she bore her sickness very patiently to the last. She is survived by four sons namely Duncan, John, Hector and Neil. There are three grand-daughters in the home, who cared for her during her illness, to whom goes sincere sympathy in the loss they have sustained.

Grandma, thou hast gone and left us
And our loss we deeply feel
Still we know 'tis God bereft us,
"He" can all our sorrows heal.

About 7.15 o'clock on Monday evening someone entered the kitchen of the Ward Hotel on Richmond Street, conducted by Mrs. Ward, and threw a large quantity of what is believed to have been creolin and some other substance over the stove, into the kettle and tea-pot and over the breakfast dishes on top of the oven.

Mrs. Ward's little girl was the first to hear the noise in the kitchen, and going out she was nearly choked by the strong odor of the concoction. Other members of the household were similiarly affected.

Some of the children about the place say they saw a tall man make a hurried departure.

Several of the inmates of the house started in pursuit of the man but he succeeded in getting away, though it is claimed that they have a very good idea as to the identity of the man.

The police were notified of the incident and the Chief and three other officers arrived and gave as their opinion that the substance was creolin, a well known disinfectant. Just what object the person had in perpetrating this act is not clear, but Mr. Douglas Smith, an occupant of the hotel believes that the idea was to poison the inmates.

This is but a comparatively short life time in which to accomplish one's life's work—but this has been allotted to our dear friend and brother, Austin Gray Judson, who was born at Alexandra, Feb. 8th, 1880 and departed this present life Feb. 20, 1920 to enjoy the blessings and privileges of that larger and better life beyond.

It is impossible to say in a few words what could be said of one who was dear to us all but we wish to place on record an appreciation of a life and character much above the ordinary.

One of the treasures of the home is the little temperance pledge card which he signed in the Sunday School when only ten years of age regarding the use of intoxicants —and which he kept inviolate to the day of his death. When a young man he became a member of Excelsior Lodge, I. O. G. T. and with considerable success did what he could to promote temperance in the community. He was also a member of Court Garden Island C. O. Foresters, and of Rose Loyal Orange Lodge and in each of these societies he was a faithful and valued member. To the riflemen of P. E. Island he was a lifelong friend and they will long remember the many happy gatherings held at the Judson homestead, the pleasant "shoots" indulged in and the hospitality enjoyed at the hand of these genial people.. He was a splendid shot and a good sport, and the family values highly the trophies won in many a friendly contest.

With his father—Mr. J. H. Judson he carried on a general farming and lobster packing business and was also known as one of the foremost fox-ranchers of P. E. Island there being three distinct ranches on the premises.

In his religious life it is pleasant to state that at about twenty years of age he became a member of the Pownal Methodist Church and was one of its chief supporters. He has for many years served acceptably as a member of the Sunday School staff of officers, and the quarterly official board both of which will miss his services very much.

He was a sincere Christian, a genial companion, a faithful counsellor and a true friend, and we will all treasure in memory his pleasant manner, his abounding hospitality and the many good qualities of which he was possessed.

Seventeen years ago he won for a companion Miss Beatrice Annie Gay, daughter of Mr. Nathaniel Gay, of Pownal, with whom he lived an ideal married life. Of their union—they had five children, three daughters, Dorjs, Beatrice and Helen and two sons Gay and Douglas, all of whom survive.

The funeral services were conducted by Rev. Henry Pierce assisted by Rev. Robert Lindsay, interment being made in Pownal Cemetery. The pall bearers were: Messrs. W. N. Drake, J. A. Moore, W. C McEachern, Jas. Cullen, Gordon Brehaut and W. E. McCallum. A large number of people from town and country assembled to pay the last tribute of respect to one they esteemed very highly.

The floral offerings included crescents from the Sunday School of Pownal Church the Trustee Board of Pownal Methodist Church and Mr. and Mrs. J. D. Seaman. Wreaths from "Brother Foresters", the "Associated Trustees of McDonald Consolidated School," "The McDonald Women's Institute," "The Prince Royal Fox Co.," Mr. and Mrs. Caldwell Wood and Mr. and Mrs. Chester McLure and a potted plants from "wife and sister."

To the bereaved father and mother, the sister, his wife and children we tender our sincere sympathy.

I with uncovered head salute the
silent dead
Who went and returned not,
Say not so "'Tis but the grapes
of Canaan that repay."

Virtue treads paths that ends not with the grave. And to the saner mind we rather seem the dead, who stay behind.

J. A. M.

Colonel J. A. Hayes, Unit Medical Inspector for Nova Scotia and P. E. Island and Captain F. A. Ladd, Assistant Director and General Business Administrator for B. Unit were in Charlottetown yesterday in connection with changes being made at the Rena McLean Hospital. They also were at North Wiltshire yesterday inspecting the Dalton Sanitorium. At this institution it is pleasing to learn that on Saturday last the contractors who have been endeavoring to find a water source for the Sanitorium struck water at a depth of 320 feet. It rushed to within 80 feet of the surface, which will mean that in the course of a couple of months the extension to the hospital will be completed giving accommodation for about 80 beds.

Col. Hayes states that the matter of admitting civilian patients to this hospital is one for Ottawa and which he will endeavor to have taken up.

In regard to the Rena McLean Hospital it is interesting to note that only a portion of the institution will be closed.

At present vocational training is being carried on extensively in this building. In fact there are 300 returned soldiers now receiving instruction on the ground floor of the eastern wing.

This work will be continued on the ground floor of that wing where additional accommodation will also be provided for administration offices of the vocational department.

In the part of the same wing on the ground floor accommodation will be provided for the carrying on of the work necessary to meet the medical requirements of the returned men of the province.

An office is to be fitted up where a clinic will be held daily from 9 a. m. to 5 p. m. A medical officer will sleep in the building so that he will always be on hand for emergency cases.

Cases coming in for transient treatment will be attended to from day to day. Any patients requiring hospital treatment can have their choice of the local hospitals.

A social service worker who has had experience in that work and will be given further special instruction and who is also a trained nurse has been engaged. Her duty will be to investigate living and sanitary conditions in homes throughout the Island where soldier patients are being treated.

In order to carry out the new order of things at the hospital the following staff will be retained.

Assistant Unit Medical Director for Prince Edward Island—Colonel J. S. Jenkins.

One medical officer who is responsible for conducting the clinics —Dr. J. Blake.

Social Service Worker—Miss White (who has been on the staff of the Hospital for some time.)

Assistant Director's representative to look after the records.

Stenographer.

The main building (formerly Government House), the nurses home, the kitchen, the basement and probably all the upper floor of the eastern wing are to be closed up.

EDITORS TOUR.—The members of the National Editorial Association of the United States who are to tour Eastern Canada this Summer will leave Boston by steamer on Sunday, June 6, and arrive in Yarmouth on June 7; go by train to Chester on Monday and spend a few hours there; arrive at Halifax June 8, at 12.30 a. m. and remain there until 8 p. m. on June 9, when they leave for Sydney, and will arrive at Tormentine on June 10th and Borden the 11th coming to Charlottetown that day.

Rub Backache Away.

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get blessed relief the moment you rub your back with soothing, penetrating "St. Jacobs Oil." Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on and out comes the pain. It is perfectly harmless and doesn't burn or discolor the skin.

Limber up! Don't suffer! Get a small trial bottle from any drug store and after using it just once you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years.

Island has resigned from that position and intends leaving shortly for British Columbia where he will go into Y. M. C. A. work as a local secretary. The ill-health of Mrs. McAllister it is understood, was the cause of Mr. McAllister making the change.

WEDDING BELLS.—A pretty wedding took place on Wednesday evening February 18th 1920 at the home of Mr. and Mrs. Herbert Paynter, Long River at 7.30 p. m. when their second daughter Ethel Esther, became the bride of Mr. Albert Hiscott of Stanley. As the wedding march started up the bride entered the parlor on the arm of her father and took her place beside the groom under a floral arch tastefully decorated for the occasion, while the Rev. George Miller pronounced the words which made them man and wife. The young bride looked charming in a gown of grey taffeta silk and was attended by her sister Miss Ada who was prettily attired in navy blue silk while the groom was ably supported by Mr. Earl Adams of Darnley. After the ceremony the guests repaired to the dining room where a sumptuous supper awaited them to which all did justice, after which the remainder of the evening was pleasantly spent in music, singing and social intercourse. The bride was the recipient of many valuable and useful presents which go to show the esteem in which the young couple are held. Their many friends join in wishing them many years of prosperity and happiness.
