TO GIVE YOUR CAR A GLITTERING GLOSS

Picture your car as you first saw it, with dazzling radiance—that's how it will look when cleaned and polished the O-Cedar way.
First remove mud and grease, by washing with water. Then wet a piece of cheese-cloth—wring out surplus water, pour on as much O-Cedar as the cloth contains water. Thus a soft lather is formed.
Finally, a little rubbing with a dry cloth produces a hard, dry brilliance that will last. What little dust may settle on it, can easily be removed with an O-Cedar Duster.

O-Cedar is the Polish that brightens and preserves floors, woodwork and furniture. It is equally dependable as a Polish that will prolong the life of the varnish on your motor car.
O-Cedar Polish 30c. and 60c. a bottle, \$1.50 to \$3.50 per can.
O-Cedar Polish Mop, with 54-inch handle, \$2.00.
