These figures were released by Prince County headquarters at Summerside yesterday. The chairman of that district is Mr. John A. Stuart and the salesman is Mr. J. Harrison MacFarlane. S

— ORANGEMEN SAY FAREWELL — The members of King Edward Loyal Orange Lodge and King Hiram Royal Preceptory, of the Royal Black Knights of Ireland, gathered at their hall at Central Bedeque on Thursday evening, May 17th to bid farewell to a faithful member, Bro. Percy Allen and Mrs. Allen. The members brought their wives and sweethearts and a social evening was spent, enlivened by several contests and songs. Bro. Alex B. MacFarlane and Bro. Lloyd Affleck acted as joint chairmen, and with some opening remarks called on Bro. Allison Profitt for an account of his recent trip to Regina, which was given in his humorous manner and was very interesting; Bro. T.J. Inman was then asked to give an account of his recent trip to Toronto and Boston which was also much appreciated. Bro. Allison Proffitt read an address to Mr. and Mrs. Percy Allen, conveying the regrets of both Lodges in losing a valued member and good wishes for a pleasant trip to Western Canada with the hope that sometime they might return to their native province. At the conclusion of the address Bro. Cyril McFarlane presented Bro. Allen with a ring engraved with Orange Emblems and Mrs. Charles Henderson presented Mrs. Allen with a beautiful pair of ear rings set with pearls as a remembrance from the Lodges. Ice cream and cake were served and all joined hands singing "Blest Be The Tie That Binds", closing with the National Anthem.

Personals

—Friends are pleased to see Mr. John F. Taylor, Summerside, out again after his recent operation. S

—Mrs. R. S. Ramsay, Summerside, and his newly appointed representative, Mr. F. W. Profitt, Spring Valley, returned on Friday from St. John where they attended a conference of the Canada Life Assurance Co. Mrs. R. S. Ramsay accompanied them on the trip.

—MISCELLANEOUS SHOWER —On Friday evening, May 11 Mr. and Mrs. Preston Toombs, Kensington, opened their spacious and lovely home to upwards of 150 guests, who gathered to shower one of this month's most popular brides-to-be, Miss Wanda Mann. About 10 o'clock one could hear strains of the bridal chorus being played with Miss Georgie Profitt, as pianist, while Mrs. Linwood Toombs escorted the bride-to-be to the seat of honor which like the room was prettily and tastefully decorated in a pink and white color scheme. The heavily laden basket of lovely and costly gifts were brought in and opened by the Misses Jean Webster and Geraldine MacLean, while Miss Marjorie Webster assisted in the refills. The accompanying good wishes and humorous verses were read by Mrs. Hodge Montgomery, after which the gifts were daintily arranged on the table by the Misses Shirlie Monkley and Florence Dyment. "Wanda" in her usual jolly and charming manner thanked one and all for remembering her at this time and extended a welcome invitation for all to visit her in her future home, this was followed with everyone joining in "For She's a Jolly Good Fellow." Among the gifts was a glass bon bon dish with silver stand from the Kensington Girl Guide Co., a china cup and saucer from the Kensington Brownie Pack of which she has been "Brown Owl" for the past four years, and silver candlesticks and holder, the gift of the United Y.P.U., of which group she has held the office of the president during the past two and a half years. After lunch was served by the hostess, assisted by a number of the young ladies present, social chatter and a hearty sing-song followed, with Mrs. Ivan Darrach and Mrs. Charles Paynter as pianists. Before departing the guests wished Wanda many years of happiness, while others lagged behind and presented her with a real old time bouncing. This most enjoyable evening was brought to a close with "The King."

Blood Donors Still Needed

Prince Edward Islanders need not think that because the war is over in Europe blood donations are not required because it is planned to carry on this Red Cross program even in peacetime. It should be remembered that civilians in the war torn countries of Europe will be in need of blood transfusions, and the situation in the Far East has not eased. Hospitals all across Canada have recommended that this very worthwhile Red Cross activity be continued for the benefit of those Canadians who from time to time in ever increasing numbers require blood transfusions. The Red Cross can, in this way, act as a Blood Bank.

Last week clinics were held in Mount Stewart, Summerside, Kensington and Charlottetown when a total of 66 donations were given. This shows a decided drop in the Charlottetown Clinic which should not be the case. Kensington's clinic, however, was a very successful one at which most of the donors came from the surrounding districts of Malpeque, Hamilton, Darnley and Margate.

As Thursday is a holiday there will be no Blood Donor Clinic in Charlottetown this week, but it is hoped that a record number of donors will be on hand next week.

BUSIEST YEAR

(Continued from Page 1)

to report last year, but the work for the year just ended has broken many records of service to the public, namely, 3897 patients discharged, an increase of 318 over any previous year. The daily average number of patients was 95.5 as against 90.4 last year. The total patients days was 34,860 or an increase of 1771 days over any previous year. The greatest number of patients, including babies, ever in our hospital numbered 127 on March 28th, 1945.

Our superintendent, Miss Mair, who was given leave of absence up to September 1st last year, came back improved in health and has been carrying on the greater load with her usual efficiency. Miss Anna Bennett, asistant superintendent and instructor of nurses, capably filled the position of superintendent during Miss Mair's absence, and the trustees wish to express their appreciation of Miss Bennett's excellent work.

Staff Changes

There have been many changes in the staff personnel during the past year. On July 1st Dr. I. Rachmel resigned as anaesthetist, and Dr. J. C. Houston was appointed. Dr. W. L. MacDonald was appointed radiologist to take charge of the X-ray department, having completed a two years' course in preparation for this position. He is giving excellent service, and his work is much appreciated by our medical staff and the board of trustees.

Miss Evelyn McEachern, operating room supervisor, resigned her position owing to ill health and Miss Jean Campbell was appointed to fill the vacancy. Miss Campbell is now in Montreal taking a post graduate course in operating room work, and returns to her duties here on August 1st. Miss Hilda Coles has been relieving in the operating room during her absence.

Miss Edith Hume was appointed assistant in the maternity department to take charge of the nursery, and is now in Montreal taking a course in this work and will return shortly to resume her duties.

Mrs. P. M. Hunt, dietitian, resigned, and Miss Alberta Gilmore has been appointed to fill this position. Miss Mary Crawford resigned as laboratory technician, and Miss Helen Lawson was appointed. Miss Eva MacLeod was appointed to fill the position of assistant in this department when Miss Pat Clarke resigned. Miss Moira Archer, assistant secretary, also resigned to take up nursing, and this position was filled by Miss Mary Acorn.

Now that victory has been achieved in Europe, we hope that we shall soon be welcoming back to our ranks, our nurses and doctors who have been serving in the forces. Their names appeared in our report last year.

More new equipment such as beds, mattresses, bedside tables, fyling cabinets, dishes, etc., have had to be purchased owing to increase of patients. A new refrigerator was purchased for the operating room for the storing of blood plasma and other supplies, and a new electric pump for the engineer's department.

A new stoker has also been installed in this department at a cost of $3,950 and is proving satisfactory. A fan was placed in the kitchen by the Maritime Electric Co. and proved a great help during the summer months, and it was much appreciated by the trustees.

New Hospital Wing

Much thought has been given to the building of the new wing and a building committee has been appointed. This committee has much work ahead of it during the coming year.

Plans have been prepared for the new wing and submitted to Messrs. Govan, Ferguson and Lindsay, architects, of Toronto, who have returned them with their suggestions and recommendations. A campaign for funds is to be launched in the near future.

The hospital grounds have been well kept during the past year, and suggestions are being received for further improvement in our grounds. The garden again produced a very great quantity of fresh vegetables.

The annual collection which was held the first week in October was again taken charge of by our Ladies Aid in the city, and the collection in the country was looked after by faithful friends of the hospital. The trustees are grateful to all collectors and to Mr. J. F. Whear for his kindness and help in this connection.

We wish to express our thanks again for the valuable services rendered by the Ladies Aid, and to thank the retiring president, Mrs. (Dr.) J. W. MacKenzie for her leadership. We cannot speak too favourably of the wonderful work accomplished during the past year, and the great assistance this organization gives to the hospital. We welcome the new president, Mrs. Noel DeBlois and her officers, and ask that all women interested in the hospital give their support to the Ladies Aid Society.

The League of Mercy under the enthusiastic management of Mrs. W. E. Cotton is also rendering great assistance to our hospital. The wonderful display of gifts shown at the Cundall Home expresses the keen interest and good work of this society, and we ask them to accept our hearty thanks.

Graduating Nurses

Eleven nurses graduated from Nursing School this year, namely: Miss Alice Elaine Gorrill, Glenwood; Miss Margaret Grace Webster, Augustine Cove; Miss Mildred Kathleen MacFarlane, Murray Harbor; Miss Jean Christene Ross, Roseberry; Mrs. Velma Miller McConnell, Northam; Miss Mary Louise Riley, Belle River; Miss Margaret Helen MacFarlane, Augustine Cove; Miss Louise Marguerite Hewitt, Lower Montague; Miss Sadie Kathleen Reynolds, Glen Martin; Mrs. Doreen Murdock Mills, Montague; Miss Eileen Marguerite Keeping, Murray Harbor.

Owing to the increased work and the crowded condition of the hospital it was necessary to prepare and enforce rules for visiting hours. We appreciate the cooperation of the visiting public which has helped the staff and nurses on duty, the medical staff which now is without an interne, however the patients in our hospital are our first charge, and they have benefitted most by the new rules. We know that we can count on the public assisting us in doing what is best for their relatives and friends.

The hospital in common with other public services sustained a great loss in the death of Dr. H. D. Johnson during the past year. Dr. Johnson was a faithful member of the medical staff for many years, and also served on the board of trustees, being chairman for two years. We feel we have lost a friend.

Our endowment fund has been increased during the past year by the following amounts: $182.59, estate late Hannah Robertson; $500.00, estate late Dr. H.D. Johnson; $100.00, estate late Lily Jane Inman. The total endowment fund now amounts to $125,156.44.

The Maritime Hospital Service Association have had many members of their groups in hospital. Their non profit Blue Cross plan is proving to be a help to both hospital and patient.

Dr. J. A. Clark and Dr. J. P. Lantz were appointed as delegates to the Maritime Hospital Association convention held in St. John, N.B., June 20, 21, 22. Other members from our hospital who attended were Mrs. Dr. J. W. MacKenzie, president of the Ladies Aid, Mr. George W. McLeod, trustee, and Miss Harris, secretary, and many interesting points were noted and reported by the delegates on their return. We urge all our trustees to attend this year's Maritime Hospital Association convention which will be held in Charlottetown June 19-22.

We regret the resignation of Mr. D. J. Bonnell whose term expires in 1947, and Lieut.-Colonel K. S. Rogers has been appointed to fill this vacancy. The other retiring trustees this year are: Mr. James E. Harris, Mr. George W. McLeod, and Dr. J. P. Lantz, and these are eligible for re-election.

New Accounting System

We are pleased to have the chairman of our finance committee to present to you our financial statement for your consideration. During the year Mr. Randolph Manning of H. R. Doane & Co., chartered accountants, has installed a more complete accounting system based on standard accounting for hospitals. This system went into effect on April 1st, 1945, and will give a better picture of the financial position of the hospital, showing statement of revenue and expenditures, and all hospital assets and liabilities, and should add to the efficiency of the accounting. We wish to state our appreciation for faithful service rendered by the secretary of the board.

The trustees wish to sincerely thank all those who in any way assisted the hospital during the past year. We wish to especially mention the Ladies Aid Society, the League of Mercy, the Wohelo Club, the trustees of Cundall Home, the auditor, Mr. A. W. Hyndman, the press, St. Paul's Church for use of the hall, the United Church for use of Heartz Hall, and all the clergy for their help from time to time throughout the year.

Board of Trustees

Dr. J. A. Clark, chairman, Mr. W. S. Grant, vice chairman, Mr. H. H. Horne, Mr. George W. McLeod, Mr. James E. Harris, Dr. J. P. Lantz, Mr. Milton Stewart, Mr. R.L. Cotton, Lieut.-Col. K.S. Rogers.

Enthusiastic Meeting At Bradalbane

One of the largest audiences of the present series of political rallies greeted the Progressive Conservative candidates for Queen's, Mr. W. Chester S. McLure and Wing Cmdr. J. Angus MacLean, D.F.C., last night at Bradalbane.

Mr. Thomas Wigmore was chairman.

An enthusiastic reception was given the candidates as they discussed the questions of the day. In addition Messrs. Murdock Kennedy, Walter G. MacKenzie, M.L.A. Ernest Haslam, Henry Burgoyne, John Cotton, Major Howard, Lieut. F. Kennedy and Lieut. Don Grant spoke briefly.

Mr. McLure, the first speaker, outlined the program of improved transportation which the Progressive Conservative party has for Prince Edward Island. He dealt, too, with the record of the present Government and referred to the measures which will be carried out under a Bracken regime for rehabilitation and employment.

Wing Cmdr. MacLean dealt with national problems, especially rehabilitation, employment, veterans benefits and social security and outlined the methods by which the Progressive Conservatives propose to deal with them. At the same time he said that the present government had failed to make any real attempt to face these problems.

Tribute Paid To Late Mr. Sims By City Council

The appointment of a City Assessor in succession to the late Mr. J. C. Sims will be made at a special meeting of the City Council in the course of a day or two, it is understood. At a special meeting last night the matter was discussed and held over for further consideration.

The Council passed a resolution of sympathy to the widow and family of Mr. Sims, also their appreciation of the faithful services he had rendered the City in his capacity of Assessor.

The Council also appointed Miss Helen MacDonald and Mrs Dorothy Lantz to the School Board to complete the City's appointments, the latter to serve for a term of four years.

Allies Avoiding German Politics

BY A.I. GOLDBERG

WITH THE U.S. 7TH. ARMY IN GERMANY, May 22 — (AP) — Allied Military Government officials in Bavaria and Austria are getting a lot of voluntary help from self-styled anti-Nazi groups, but are steering clear of political entanglements.

Members of the Austrian Resistance Movement are being used for police and health and service activities. The situation in Austria is such that officers said there might be some relaxation of the rigid non-fraternization rules imposed on all Allied troops in enemy country.

But it is not the same in Bavaria, although there have been estimates that as much as 80 per cent of population is anti-Nazi.

In Munich, birthplace of Nazidom, at least two apparently strong political parties are clamoring for recognition. One is the Bavarian Freedom Action Party, headed by a Dr. Gernegroess. The Allied Military Government has notified this group that it cannot be recognized and must cease its political activity. The other is the Bavarian Police Aid Group, headed by a former police commissioner named Weismann. Is aid in ferreting out Nazis has been accepted, but its political activities otherwise have been curbed.

A third group, the German Alpine Society, showed up at Augsburg. It purports to represent a Bavarian freedom movement.

A.M.G. officers disclosed that a number of members of the Bavarian nobility have offered aid. Their advice has been accepted in some cases, particularly regarding the backgrounds of would-be office holders.
