In the semi-finals of the Longworth Cup match, Mrs Alley and Miss Pope play against each other, Mrs Bartlett having drawn the bye. As it is getting late in the season the committee would ask the players to play off as soon as possible.

The new reel of pictures at New Wonderland tonight will be The Oid Organ, an affair of honor; also the grand spectacular production, Washington Under the American Flag, will be shown. The program last night was excellent and won much deserved applause.

She is survived by her husband, three daughters and five sons, all of whom have the sympathy of their many friends. The daughters are Mrs Irvine MacNeill, of Montague, and Misses Jennie and Lizzie at home. The sons are Capt. George Irving, Rexton; Allan, Archie, Robert and Hamilton. Dr Conroy, City, presided over the meeting in the City Council Chamber last night when W. S. Archibald, Dominion Parole Officer, explained the work of the Juvenile Delinquent Act. During the past few days The Guardian has contained several illustrations of more or less prominence but with insufficient descriptive matter to make them interesting. On the 26th there were photos of Mrs Anthony Hope and Mrs Hall Caine, the former's husband has been charged with holding "loose views on marriage," while the latter's husband, is a writer of world wide fame. Mrs Elinor Glynn, whose photo also appeared on the 26th, has recently published manuscripts that have been severely criticized and she has been called a "literature rattlesnake." Lady Gilbert Parker's photo, on the 23rd, called to mind the great author, her husband, whose writings are enjoyed by young and old. Mrs Booth Parkington, whose photo appeared yesterday, is a leading society lady, being a daughter of a Bank President of Minneapolis.

H. Price Webber's Boston Comedy Company—Opera House, Charlottetown—return for one night only, Tuesday, November 2, "A Woman's Heart." 10-26dtt.

**Rummage Sale To-day**

DO YOU REMEMBER THE "RUMMAGE SALE" we held over in the number two store, before we opened the House Furnishings department in our own building. Remember what bargains there were—the ridiculous prices at which goods were sold—and the rush there was after all the offerings.

We are going to have another one to-day, up stairs in the house furnishings department. We have gone all over the store from attic to cellar, picking out goods that have been with us a trifle too long. There are trimmings, laces, men's underwear, women's hats, some coats, some skirts, some frillings, some shirts for men, collars, and a thousand one sorts of accumulation.

All we ask is for a visit, we will match time with you showing you around, if you see nothing attractive, will not ask you to buy, we just want you to come, EARLY THIS MORNING.

**People are Saving good money on Furs**  
By shopping round and buying here so can you.

IF YOU HAVE SO MUCH MONEY THAT you do not know what to do with it, we'd advise you not to waste time over this ad. If a saving appeals to you, it will be worth your while to consider our proposition.

If you have been thinking of FURS of any kind, we honestly believe that we can save you money. We have had a specially good line on a lot of our furs this year, and we have picked up some values that we have never seen equalled before.

And then we have introduced the "net one price" system in handling all furs. We have no big price off which to scale a big discount, we quote you first our one and only price, you cannot buy cheaper than anyone else and no one else on earth can buy cheaper than you here. That is why our furs are 15 to 20 per cent cheaper than most stores. Just compare.

See our five dollar mink marmot muff, compare it with the best thing in town at 7.00 to 7.50. If ours at \$5. is not equal to it, we will not ask you to buy.

See the wonderful values we offer in real mink scarves and muffs, we have a line of real mink scarfs at 18.50 that people say beats anything offered at \$25.

Especially note our offering in PONY COATS—FUR LINED COATS—ASTRACHAN COATS
