SEVEN MILES THROUGH ICE AND WATER.—The freight steamer "Gaspeia" which was towed to St. Peter's Island by the catery as already reported in The Guardian has been drifting in ice floes so, yesterday morning two of her crew built a flat boat with runners and set out for shore to obtain water and help, landing at 12 o'clock at Rice Point 7 miles from the vessel. Since they left the ship it has drifted over 5 miles further to the northeast, now lying between Belle River and Point Prim and it is impossible for small boats to reach the ship. It is expected that the cat ferry will be sent to the vessel on Monday, but she is in no particular danger and the crew of 16 men are supplied with practically everything needed except water. The "Gaspeia" is bound for New York from Montreal and is an American vessel.

PREDICTS RISE OF KERENSKY.

SAN FRANCISCO, Jan. 11.—Vladimir Baranovsky, of Petrograd, who said he was related by marriage to former Premier Alexander Kerensky of Russia, arrived here today with his wife from Russia. Accompanying them was Rear Admiral T. Besse, of the Russian Navy, who took a prominent part in the Russo-Japanese war and has acted in an advisory capacity to the Russian naval forces in the present war.

Baranovsky is here to study American railway methods. His sister is the wife of Kerensky, he said. The Bolshevik rule in Russia cannot last long, in the opinion of the visitors, who said Kerensky was in hiding awaiting an opportunity to assert himself and gain the upper hand. "Kerensky is a strong man though a very sick one," said Mrs. Baranovsky. "He is the strongest Russian. I was the last to see him before he fled to Finland. At the psychological moment he will reappear and will regain his lost position and put Russia in order."

IN MEMORIAM

IRENE McPHERSON A more than usual sad death occurred at Lower Newton on Dec. 15th when Irene, 11 year old, daughter of Mr. and Mrs. Roderick McPherson succumbed to an illness brought on it is supposed by injuries received while playing at school a few days before.

Irene was possessed of an exceptional winning disposition, always cheerful with a smile for everybody, and won the affections of her friends and relatives in a high degree as was evident by the large number of people who attended the funeral, and followed her remains to their last resting place in Belfast Cemetery.

The sympathy of the Community is extended to her parents and little sisters and brother in their sore bereavement.

NEIL McNEILL

One of the oldest and most respected residents of Charlottetown Royalty passed off the stage of action on this terrestrial sphere on December 20th in the person of Neil MacNeill at the advanced age of 82 years, in the early part of his life he was engaged as a Contractor and Builder, and much of his work is to be seen on the Island testifying to his ability in his chosen profession. The greater part of his life was spent at Fairview moving to Royalty about fourteen years ago. Mr. MacNeill not only builded for time, but for eternity, having made a public profession of his faith in Jesus Christ about twenty-five years ago, and has lived up to that profession during the remaining part of his pilgrimage, until the messenger came to call him to a higher and nobler life beyond the grave. He leaves to mourn their loss, a widow and the following children viz. Mrs. F. D. Smith of Winchester, Mass.; Mrs. W. Tyler of Indiana; Ada, Wallace and Stewart in different parts of the United States and Neil on the homestead. The funeral services were conducted by the Rev. D. MacLean and his body quietly laid to rest in the People's Cemetery to await the resurrection of the just. Thus one by one we are passing into the great eternity and those who remain should give heed to the warning of our Lord and Master, "Be ye also ready for in such an hour as ye think not the Son of Man cometh."
