INDIANS CAPTURE OPENING GAME OF FINALS

ALL STARS AWARDED ISLAND BASEBALL TITLE

Pioneers Leave Field After Protesting Ump's Decision On Close Play At Plate

Summerside Pioneers yesterday walked right out of the Island Intermediate playoffs and handed the title to Plymouth All-Stars when, after the local team had come from behind their opponent's 8-3 lead to knot the count at 8-all with a five run outburst in the eighth and only one man down the visiting team left the field after objecting to Umpire Bill Ryan's decision at the plate, a play in which he called Gillis of the All-Stars safe as the local third baseman came sliding in on Schurman's throw.

It was a bizarre ending to a game that caused plenty of excitement throughout. Pioneers threatened to leave the field before the game ever started as they objected strenuously to Vice-President Dougan's ruling that Bill Ryan act as Umpire-in-Chief, after the teams failed to agree on an arbiter. The game was not many innings old when Lyle the base judge got in difficulties with the All-Stars over a decision on Ward's three-base hit, calling Ward out after Pioneers had thrown the ball to first. This cooled off but the Pioneers continued to protest decisions at the plate and it finally wound up with them throwing away any chance they had of copping Island honors as they walked off the playing field.

But to get back to the game. After a scoreless innings and a half the local team opened the scoring in the last of the second. Ayers was thrown out at first to start the frame; Gillis was safe on Jay's error; Ward scored the runner all the way from first with a three base wallop down third base line but was called out for not touching first base as the Pioneers threw the pellet to the initial sack. McCallum was on on an error but Carmichael went down swinging on a fast third strike.

Pioneers jumped into the lead Schurman's single scoring Millman and Wilson who had walked and singled respectively. All Stars tied it up in the same frame McInnis scoring after being safe on an error. In the fourth the locals again took the lead, Ayers safe on an error, crossing the plate on Ward's second three base hit to make the score read 3-2. Held scoreless in the fourth and fifth Pioneers finally caught up to McCallum in the sixth and seventh to gain a lead that appeared sufficient. Two errors started the sixth away. The next two men were retired but the veteran Jay again came through in the clutch and his single to left sent both runners across the plate. Starting the seventh Lidstone and Wilson both singled, LeBlanc flied out to Carmichael but Crossman came through with a double to right field scoring the first two hitters; Millman then tripled to left field scoring Crossman and crossed the pan with the fourth run of the frame as Schurman was being tossed out by Ward. Hunter ended the inning by popping to Bolger.

It looked pretty hopeless for the local team as they were retired scoreless in the seventh but in the last of the eighth things began to happen; McInnis and Larter both singled to open the last half of the frame. Bolger was safe on Hunter's error, scoring the runners on the play. Ayers was safe on a fielders choice as Bolger beat the throw to the plate for the second counter. Gillis singled scoring Ayers and then Ward knocked in the tying run as Schurman juggled his grounder, Gillis sliding into the plate. It was a close decision as Hunter was waiting with the ball for the runner but Umpire Ryan ruled that the Summerside catcher had tagged the base runner high on the shoulder with his feet having across the plate. Summerside objected strenuously but with the official refusing to change his decision, having called the play as he saw it, the Pioneers refused to continue further and as a result the game was awarded to the All-Stars after the necessary five-minute wait.

McCallum pitching his third game of the series was found for eight hits by the Pioneers four of them coming in the seventh while he struck out eight. Wilson going the distance for the Pioneers, except for the one batter Schurman pitched to, was nicked for nine hits but nevertheless except for the three blows and two errors in the eighth would have coasted a victory. The big right hand had seven strikeout victims.

Favorites At Forest Hills Win Matches

(A. P. by Guardian's Special Wire)

FOREST HILLS, N. Y., Sept. 9—The four top-ranking stars, who performed before a crowd of 8,000 today in the men's and women's United States singles tennis championships, set such glittering examples for the rest of the field that the entry was reduced to 32 survivors in each division without a single major disaster, only one minor accident and a few hair-breadth escapes.

The top-rankers were Don Budge and John Bromwich, who stand at no. 1 on the United States and foreign men's seeded lists; Alice Marble of Los Angeles, no. 2 on the United States women's list, and Jadwiga (Ja-ja) Jedrzeowjowska of Poland, no. 1 in the strong group of feminine invaders.

Among them this high-powered quartet lost seven games in 10 sets. Budge beat 17-year-old Welby Van Horn of Los Angeles, 6-0, 6-0, 6-1; Bromwich eliminated Gus Ganzenmuller of Seacliff, Mass., 6-1, 6-0, 6-1; Miss Marble, United States champion in 1936, beat Mrs. Catherine Sample of Miami, Fla., 6-1, 6-0, and "Ja-ja", runner up a year ago to Anita Lizana of Chile dusted off Elizabeth Blackman of Detroit, 6-0, 6-3.

Mrs. W. Evart Seager of Vancouver, only Canadian remaining in the tournament tennis championship, was shunted to the sidelines in the first round of women's play by Alison Harrison of Philadelphia, who beat her at 8-6, 6-0

DOWN - THE - BACK STRETCH

The Nova Scotia Provincial Exhibition at Halifax which closed last Monday evening, was the most successful held for many years. The combination of vaudeville and horse racing staged on six afternoons commencing Tuesday, August 30th, and continuing until September 5th attracted good stands of spectators. The big day was, of course, Citizens Day, Wednesday, which was a holiday, when between six and seven thousand persons filled grand stand and paddock to overflowing to see a good afternoon's racing and high-class vaudeville. Spectators were on hand in paying numbers every day, so it is a safe bet that the future of harness racing is secure on the programs of the Nova Scotia Exhibition and that it will be continued with vaudeville in its present popular form.

While on the subject of the Nova Scotia Provincial Exhibition the writer would like to express my personal congratulations to the Secretary, E. Frank Lordly, who worked so very hard and whose efforts were so well rewarded . . . to Alderman Frank Adams, who so unselfishly devoted his time to the arrangement of classes, looking after the details of the racing and the care of the track. Frank is one of those real good fellows that are always doing their best to help the other fellow, often without even getting thanks for efforts expended. No one in the Maritimes has spent more money in keeping the harness game alive or who is so little cast down by defeat or elated by victory.

It was a pleasure too to run into old friends like Reg Corbett, whose colors were often to the fore in days of old when his hoses located at the stable of Frank Boutilier, to meet Frank himself and talk of former race meets, particularly the campaign which he made with the Brazilian mare Minnie 2.15 1-2, that started twelve time and won eleven races in one season. It was Lyndall Semple who on the way back from Halifax, remarked that Frank Boutilier could hang out a trotter with any man alive If you doubt it, just remember what he did with Silk Girl at the Provincial Exhibition, Charlottetown, two years ago when she set the track record at 2.09 1-4. Former owners in Boston wrote down to find out how the trick was done, as Silk Girl would trot when shod for pacing and pace when shod for trotting with them. Then again, there was the historian of the Maritime turf —James W. Power, who had a pleasant greeting for everyone, and who will, I believe, though in retirement, write his annual review of harness racing in the Maritimes this year.

Some statistics regarding the races may be of interest. There were 48 heats trotted or paced during the six days, not including a race of three heats for three-year-olds and a race of three heats for four-year-olds. Of the 48 heats 37 were won by pacers and 11 by trotters. The fastest heat trotted was by John Dean 2.08 1-4 in the Classified Race on Tuesday —2.10 1-4. The fastest heat paced was by Royal Hanover 2.04 1-4 in the third heat of the Free for All on Wednesday —2.09 1-4. There were 37 heats paced in times ranging from 2.09 1-4 to 2.17 and the average time of the heats pacing was 2 13 1-4. There were 11 heats trotted, the fastest being the 2.10 1-4 of John Dean and the slowest 2.17 1-2. The eleven heats averaged 2.13 3-4.

Prince Edward Island owned horses won a large share of the prize money. First places were won by Direct L. in the 2.21 Trot and Pace, best time 2 15 1-4, Aaron L. in the 2.19 Trot and Pace, best time 2.10 3-4, Royal Jim in the three and four-year-old class on Friday, best time 2.25 1-4, Millie Kalmuck in the 2.22 Trot and Pace on Saturday; best time 2.15 1-4, Aaron L. in the 2.19 Trot and Pace on Saturday, best time 2.10 1-2, Aaron L. and Direct L. are owned by Wellington McNeill, Southport. Millie Kalmuck and Royal Jim by Willard Kelly, Southport.

New records were taken during the meeting by Aaron L., who lowered his from 2.11 3-4 to 2.10 1-2; Joe Volo, owned by Power Bros., paced in 2.28 1-2.

After the races on Thursday the bay gelding Peter Reaper 2 07 1-2 was sold by Col. D. A. MacKinnon, Charlottetown, to Walter Thompson of Halifax. He was immediately placed in the hands of Bill Cummings, who raced him in the 2.15 Pace on Monday, winning second money In Peter Reaper Mr. Thompson has secured a good mannered, dependable race horse that will give him a great deal of pleasure either for driving or speed purposes.

And now it is Fredericton calling for its four-day race meet in connection with the Exhibition there. The racing dates are September 13-14-15-16, while the days of the Exhibition are the 10th to 17th inclusive.

Tuesday's program, September 13th, consists of a 2.22 PACE with the following Nova Scotia, New Brunswick and Prince Edward Island horses; Hillside Jack 2.16 1-4, Miss Jo Hanover 2.10 1-4, Jerry Bars 2 12 1-2. Our thanks are due to the Editor of the Island Farmer, Summerside, for a copy of that paper of August 31st, 1938, which has a write-up of the famous Hernando-Black Pilot race. The introduction says:—'Fifty years ago (August, 30th, 1888) there took place in Summerside the great Hernadno-Black Pilot race. It is perhaps the most historic harness racing event raced in Prince Edward Island. There are very few devotees of racing in the province who have not discussed this great sporting event. This event took place at the zenith of the horse breeding and racing era in this province and caused intense excitement.

In recent years Lucky Lindy and Billy Cope had many admirers pro and con, but the Hernando-Black Pilot contingent drew to Summerside the largest crowd ever to visit this town before or since; with possibly one exception, the opening of Prince County Hospital, which synchronized with the visit of Their Royal Highnesses, the Duke and Duchess of Connaught. There were more than 5000 paid admittances to the race which was held in Summerside on August 30th, 1888, and we produce from the files of The Island Farmer of that date the following story published immediately following the final heat." The writer regrets that space is not available for giving a complete account, but was glad of an opportunity to have the write-up for our scrap book.

The oldest race horse to perform this season is Sparkle 2.02 1-4, and he has proved a winner on two occasion. He is twenty years old and was sired by San Fransisco 2.07 1-4, sire of Lusty Frisco 2.07 1-4.

A trotting record which has stood for sixteen years was recently lowered when Rosalind, five-year-old daughter of Scotland 1.59 1-4 and Alma Lee 2.04 3-4, a week ago last Thursday trotted to a record of 1.57 1-4 over the Syracuse, New York, mile track. It displaced the record made by Nedda 1.58 1-4, in 1922.

Ethelinda 2.02 1-4, dam of McLin (3) 2.01 1-4, winner of the richest trotting stake of the year, the Hambletonian, and the dam of Rosalind 1.57 1-4, new trotting Queen, were both exported to Europe, so no more brothers and sisters of these two great young trotters will be available for the future.

In New Zealand they are strong on pacers and import pacing sires from the United States from time to time. The latest one to be sold there is Lusty Volo 2.03, a demonstrated sire of speed.

A new record for trotters in a race over a half-mile track was turned in at Des Moines, Indiana, last week by Spintell, when he won the second heat of the 2.19 class in 2.02 1-4.

"G. F." Ousts Jack Kenny In Tourney

A cold, Atlantic blast swept across the tennis courts yesterday making it difficult for players to display their best. In senior events the veteran G. F. Hutcheson (Tennyson's Brook) provided the major upset by defeating seeded Jack Kenny. "Don Budge" Moreside age 13 was finally stopped by George Chandler who however was obliged to give him seven of the nineteen games they played. Little Bill is seeded no. 1 in junior events. Ivan Connors Holy Redeemer Club star, advanced to quarter finals by winning over Fulton Pierce in a three set match.

In senior ladies events brilliant young Helen Tidmarsh finally bowed to Gwen Rogers in the extra set as did Olive Johnson to Betty Rogers Provincial No. 2.

Canadiens Guests At Corn Boil

Before disbanding for the season Junior Canadiens baseball team last night were guests of Mr. and Mrs. Al. Ryan and daughter Annie at an enjoyable corn boil at their home on Union Street. The gathering was very enjoyable and naturally baseball talk occupied a good deal of the time. Canadiens although disappointed at being knocked out of the playoff picture nevertheless are laying plans for next season when it is expected the smart junior club will field an even stronger team.

Before the enjoyable gathering dispersed the host and hostesses were extended a hearty vote of thanks for a very pleasant evening.

Bruen Captures Second Title

(A. P. by Guardian's Special Wire)

NEWCASTLE, Eire, Sept. 9—James Bruen, 18-year-old Walker Cup star, today added the Irish open amateur golf title to his Irish native championship. Bruen defeated J. R. Mahon of Dublin 9 and 8 in the 36-hole final to become the first player since 1911 to win both championships.

Come From Behind Early Lead Of Rovers To Bat Out Convincing 8-2 Victory

Indians softball team yesterday walked off with the opening game in the finals of the City Softball League as they came from behind in the latter half of the game to beat out the defending champions, the Rovers by a 7-2 score. And again it was the potent power they contain in their bats that finally turned the tide of victory toward them.

Held scoreless and hitless by Art Mollins for the first four frames after Rovers had combined a hit and two errors for a brace of runs in the first half of the first inning. Indians came through with five hits in the last half of the fifth to drive three runners home and assume the lead. Ev Jay's homer with Rice on base in the next frame gave them a 5-2 lead and there went the ball game. The winners scored twice in the seventh and once in the eighth as the Rivers defence collapsed but as the game turned out Indians did not need the counters to win.

Pete Kelly after the bad start his mates gave him was in complete control of the Rovers from the first inning on. After giving up a hit in the first frame he scattered six of them throughout the remaining eight innings and not once was he in any danger of losing his lead. Ab McKinnon tripled in the seventh but was caught at the plate attempting to stretch it into a home run and faulty base running by the Rovers on two other occasions nullified the only scoring chances the losers had after the first frame.

Kelly's performance after being out of the game for the past two or three months was outstanding. Seven hits was all he granted while he had seven strikeout victims to his credit. Mollins, making his second start in as many nights started off brilliantly in the first four frames to pitch hitless and scoreless ball but in the last four times he faced the hitters was found for 10 hits and this combined with some sloppy fielding by his teammates gave the Indians their eight runs, the last three being unearned. He struck out 10.

Starting away Cudmore was safe at first on Williams' error. Whelan hit safely to advance the runner to third. McNeill struck out. Power's grounder to the box scored Cudmore as he beat the throw to the plate and Whelan scored a minute later on Rice's bad throw. Kelly retired the side getting Stewart on a pop to first and striking out Parmenter.

Indians could do nothing with Mollins as he held the Indians hitless and scoreless in the first four frames, facing only 14 men while striking out six but he ran into trouble in the fifth. Jay singled to open the inning; Whitlock was out at first as he sacrificed the runner to second; Kelly flied out to Cairns in left for the second out but McKinnon came through with a hit sending Jay across the plate; Roach doubled to put runners on second and third and then Mollins was guilty of two wild pitches in a row to score both players, before the third out was achieved. Whelan and Currie came through with a single and double Williams flying to right held to retire the side.

Rice started the last of the sixth away with a single and then Jay slammed a home run to right to account for two more runs. The next three batters went out in order. In the seventh with one out two hits and two errors gave the winners another brace of runs while in the eighth, Whitlock safe at first on an error, scored the last run of the game on Roach's second double of the encounter.

The third and final game will be played at the western capital at a date to be announced. later Summerside winning the toss to decide the location of the third game. ..Arsenault on the hill for Summerside was touched for but six hits as his wide sweeping curves had the losers swinging wildly most of the time. REMEMBER WHEN

(By The Canadian Press)

Georges Michel, French baker, made a record when he swam the English Channel in 11 hours, five minutes, 12 years ago today. Michel floated his way to second-prize money in the 1927 Canadian National Exhibition 21-mile swim at Toronto in bitterly-cold water. His Channel time was eclipsed in 1927 by V. Spacek, Bohemia, who ploughed through the choppy waters in 10 hours, 45 seconds.

SHREWSBURY, England — After only five days' practice, A. N. Young, 22, broke the English single seater gliding record. He was 15 3-4 hours in the air, breaking the old mark by nearly 80 minutes.

Larrupers Win N. S. Ball Title

LIVERPOOL, N. S 4, Sept. 9—(CP)—Liverpool Larrupers, with the veteran Laurie Thorburne in the hero's role, blanked Halifax Capitals 2-0 here today to win a best-of-seven series for the Nova Scotia senior baseball title, four games to two, and advance to the Maritime finals against the New Brunswick champions.

It was the first Nova Scotia crown annexed by Liverpool in 15 years of campaigning and Thorburne's pitching made it almost an even more momentous occasion. The lanky, converted outfielder gave up only one hit and that was a doubtful one. Only 29 batters faced him, none walked and the only two to reach did so through errors.
